HONDA

2018 CIVIC

HONDA

Two ways to turn heads.

A legend in reliability can look just as brilliant. The Civic, in both sporty 2-door Coupe and sleek 4-door Sedan, is a quick way to garner attention, and envy, on the road.

COUPE

SEDAN

More ways to wow.

The Civic Si has been thrilling drivers for over 30 years. With a turbocharged engine, the latest Si is the most fearsome yet. Along with sport seats and innovative technology, the Civic Si ensures you make the most of every drive.

Stay up to speed by following **@Honda** on **Twitter**.

Civic Si Sedan shown in Aegean Blue Metallic. Civic Si Coupe shown in Rallye Red.

Si SEDAN

Si COUPE

Carve those canyons.

The Civic Si utilizes a close-ratio 6-speed manual transmission with a helical limited-slip differential to help track through corners. Driver-focused displays such as G-force and boost gauges and a rev-limit indicator help enhance the fun. And the 192 lb-ft of torque[1] provides enhanced off-the-line performance.

Civic Si Sedan shown in Aegean Blue Metallic. Civic Si Coupe shown in Rallye Red.

Born to corner.

Clean lines paired with the latest technology and all the comfort of a true Honda icon add up to a driving experience you're not likely to forget. Discover all the functionality you expect from the Civic Sedan, with a flair for fun, too.

Keep up with Honda by following **@Honda** on **Instagram**.

Civic Touring Sedan shown in Lunar Silver Metallic.

Fast
A 1.5-liter turbocharged and intercooled engine produces a thrilling 174 hp[2] and 162 lb-ft of torque,[2] and a dual-outlet exhaust helps optimize airflow (EX-T and above).

LED Lighting
LED Daytime Running Lights (DRL) make a distinctive impression. Touring trims also feature all-LED headlights to enliven the look.

Innovative on the inside.

There's something special about a truly intuitive ride, with everything in its place. A premium feel from available features like heated front seats and a 7-inch Display Audio touch-screen complete the experience.

Civic Touring Sedan shown with Ivory Leather.

For the thrill of it.

The Civic Coupe takes a distinct place in the hearts of those who love the road. The sport compact legend has an available turbocharged engine to nail hairpin turns and keep your body pressed to the seat.

Civic Touring Coupe shown in Aegean Blue Metallic.

Calming in fast conditions.

The Civic doesn't sacrifice comfort for speed, and nowhere is that more apparent than inside the sporty Coupe. With options that range from relaxing to racy, you can unwind even while enjoying the ride of your life.

Civic Touring Coupe shown with Black/Gray Leather.

Technology to go.

The Civic is loaded with all the technology you expect from Honda, as well as some you don't. So whether you're heading out for a few minutes or a few hundred miles, you'll be comfortable and connected the whole way.

Civic Touring Sedan shown with Black Leather.

Honda LaneWatch™[3]
Signal right and a small camera displays live video on your Display Audio screen, revealing nearly four times more than the passenger-side mirror alone (EX and above).

Center Console Storage
A massive console with an adjustable beverage holder gives you enough room to store your essentials and hide your valuables.

Remote Engine Start
Available remote engine start lets you pre-heat or cool your Civic, and be ready to go when you reach the door.

Power Front Seats
Easily find the perfect driving position with eight ways to adjust (EX-L, Touring Sedan). The front passenger enjoys 4-way power adjustment as well (Touring Sedan).

Android Auto™[4] Integration
Android™ smartphone users can access Google Maps,™ Google Now,™ messages, music and other popular apps with the available Android Auto feature.

Apple CarPlay™[5] Integration
Available Apple CarPlay provides access to Apple Music,® Maps, Messages and phone calls through Siri® and the Display Audio touch-screen.

Technology that senses.

The Civic has achieved top ratings from NHTSA and IIHS* and is equipped with innovative safety and driver-assistive technologies including available Honda Sensing, a suite of features that can assist and help you sense things you might miss while driving.

Civic Touring Sedan shown in Rallye Red.

Collision Mitigation Braking System™ (CMBS™)[6]
CMBS can help bring your Civic to a stop by automatically applying brake pressure when the system determines that a frontal collision is unavoidable.

Adaptive Cruise Control (ACC)[7] **with Low-Speed Follow**
ACC helps you maintain a set following interval behind detected vehicles for highway driving. If the detected vehicle slows to a stop, ACC is designed to slow and stop your vehicle as well. After stopping, a tap on the throttle instructs the car to continue maintaining the desired interval.

Lane Keeping Assist System (LKAS)[8]
With your hands on the steering wheel, long highway drives are easier with LKAS, which subtly adjusts steering to help keep the Civic centered in a detected lane.

Road Departure Mitigation System (RDM)[9]
RDM can determine if you cross over detected lanes without signaling, can provide steering assistance to help you return to your lane or provide braking to help keep from leaving the roadway entirely.

†Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov).

5-Star Safety Ratings
More Stars. Safer Cars.

5-Star Overall Vehicle Score†

2017 IIHS TOP SAFETY PICK

*Trims with front crash prevention features.

Drive with peace of mind.

It's more than adding an airbag or two or meeting the minimum safety requirements—Honda uses the latest technological advancements to help you have a safer ride.

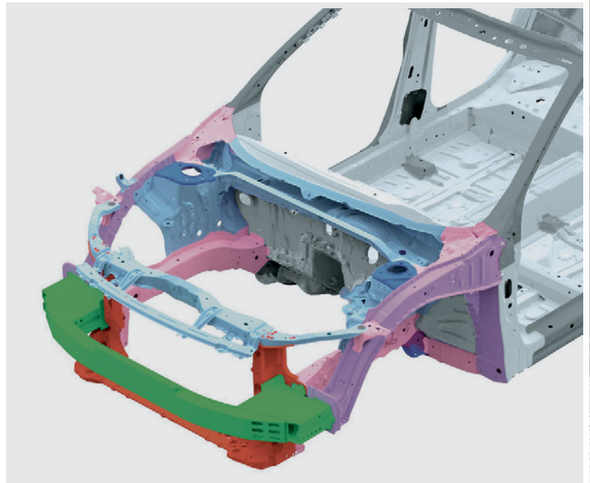
Multi-Angle Rearview Camera[10]
See more of what's behind you and back up with confidence, thanks to the multi-angle rearview camera with guidelines, standard on every Civic.

Advanced Compatibility Engineering™ (ACE™) Body Structure
The ACE body structure is a Honda-exclusive body design that enhances occupant protection and crash compatibility in frontal collisions.

SmartVent® Airbags
SmartVent front side airbags are designed to help protect the driver's or front passenger's upper torso in the event of a side-impact collision.*

Vehicle Stability Assist™ (VSA®) with Traction Control
VSA helps you stay on course in the event of an understeer or oversteer condition by braking individual wheels and/or reducing engine power to help restore your intended course.†

Advanced Braking
An anti-lock braking system (ABS) helps prevent wheels from locking up when braking hard, while Electronic Brake Distribution (EBD) balances braking forces at each wheel based on how the Civic is dynamically loaded.



Civic Touring Sedan shown in Lunar Silver Metallic.

*Honda reminds you and your passengers to always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in the rear seat.
†VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver.

Racing at heart.

Honda proudly races in the Red Bull Global Rallycross series. Keep up with the team at **hpd.honda.com/rally**

Personal touches.

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details and a complete list of accessories.

Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Honda Care® is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

All 2018 Honda vehicles – and any Honda Genuine Accessories installed at the time of vehicle purchase – are covered by a 3-year/36,000-mile limited warranty.[11] Plus, Honda cars and trucks are covered by a 5-year/60,000-mile Limited Powertrain Warranty,[11] too. For more information or assistance, see your Honda dealer or please give us a call at 1-800-33-Honda.

24-hour emergency road service is available to you in the United States, Puerto Rico and Canada throughout your 3-year/36,000-mile limited warranty term. Services include jump-starting, flat tire and lockout assistance, towing, and more (limitations apply). Call 1-866-864-5211.

For more information and complete specifications, visit civic.honda.com

[1] 205 hp @ 5700 rpm, 192 lb-ft @ 2100-5000 rpm (SAE net). [2] 174 hp @ 6000 rpm, 162 lb-ft @ 1700-5500 rpm (SAE net). [3] Display accuracy will vary based on weather, size of object and speed, and the display may not show all relevant traffic. The display is not a substitute for your own direct visual assessment of traffic conditions before changing lanes. [4] Android, Android Auto, Google Maps and Google Now are trademarks of Google Inc. [5] Apple CarPlay is a trademark of Apple Inc. [6] CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions. [7] Adaptive Cruise Control (ACC) with low-speed follow cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed, and other factors. ACC should not be used in heavy traffic, poor weather, or on winding roads. Driver remains responsible for safely operating vehicle and avoiding collisions. [8] LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. [9] Road Departure Mitigation only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. [10] Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. [11] **3-Year/36,000-Mile Limited Warranty. 5-Year/60,000-Mile Limited Powertrain Warranty.** Ordinary maintenance or adjustments, parts subject to normal wear and replacement, and certain items are excluded. Please see your Honda dealer for the terms and conditions of the limited warranties. [12] 158 hp @ 6500 rpm (SAE net). [13] SiriusXM services require a subscription after any trial period. If you decide to continue your SiriusXM service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. See our Customer Agreement for complete terms at www.siriusxm.com. Fees and programming subject to change. CIVIC SEDAN

LX

- 158-hp,[12] 2.0-liter DOHC i-VTEC® 4-cylinder engine
- 6-speed manual or available continuously variable transmission (CVT)
- 16-inch steel wheels with covers
- 160-watt audio system with 4 speakers
- Available Honda Sensing® suite of safety and driver-assistive features (CVT model only)

EX adds to or replaces LX features

- Remote engine start
- Standard continuously variable transmission (CVT)
- 16-inch alloy wheels
- Honda LaneWatch™[3]
- Heated side mirrors
- One-touch power moonroof with tilt feature
- Smart Entry with push button start
- 60/40 split fold-down rear seatback
- 180-watt audio system with 8 speakers
- 7-inch Display Audio with electrostatic touch-screen
- Apple CarPlay™[5] integration
- Android Auto™[4] integration
- SiriusXM® Radio,[13] HD Radio™[14]

EX-T adds to or replaces EX features

- 174-hp,[2] 1.5-liter turbocharged and intercooled DOHC 4-cylinder engine with direct injection
- 6-speed manual or available continuously variable transmission (CVT)
- 17-inch alloy wheels
- Fog lights
- Body-colored decklid spoiler
- Dual-zone automatic climate control system
- Heated front seats

EX-L adds to or replaces EX-T features

- Standard continuously variable transmission (CVT)
- Automatic-dimming rearview mirror
- Leather-wrapped steering wheel and shift knob
- Driver's seat with 8-way power adjustment
- Leather-trimmed seats
- Available Honda Satellite-Linked Navigation System™[15] with voice recognition and Honda HD Digital Traffic

TOURING adds to or replaces EX-L features

- Standard Honda Sensing suite of safety and driver-assistive features
- Standard Honda Satellite-Linked Navigation System[15] with voice recognition and Honda HD Digital Traffic
- LED turn indicators (headlights and side mirrors)
- Chrome door handles
- Rain-sensing windshield wipers
- LED headlights (low & high beam) with auto-on/off
- Heated outboard rear seats
- 4-way power front passenger's seat
- 450-watt premium audio system with 10 speakers, including subwoofer

CIVIC COUPE

LX

- 158-hp,[12] 2.0-liter DOHC i-VTEC 4-cylinder engine
- 6-speed manual or available continuously variable transmission (CVT)
- Taillights with integrated LED light bars
- 60/40 split fold-down rear seatback
- 160-watt audio system with 4 speakers

LX-P adds to or replaces LX features

- Remote engine start
- Standard continuously variable transmission (CVT)
- One-touch power moonroof with tilt feature
- Smart Entry with push button start

EX-T adds to or replaces LX-P features

- 174-hp,[2] 1.5-liter turbocharged and intercooled DOHC 4-cylinder engine with direct injection
- 6-speed manual or available continuously variable transmission (CVT)
- 17-inch alloy wheels
- Fog lights
- Honda LaneWatch[3]
- Heated side mirrors
- Dual-zone automatic climate control system
- Heated front seats
- 450-watt premium audio system with 10 speakers, including subwoofer
- 7-inch Display Audio with electrostatic touch-screen
- Apple CarPlay[5] integration
- Android Auto[4] integration
- SiriusXM Radio,[13] HD Radio[14]

- Standard continuously variable transmission (CVT)
- Automatic-dimming rearview mirror
- Leather-wrapped steering wheel and shift knob
- Leather-trimmed seats

TOURING adds to or replaces EX-L features

- Honda Sensing suite of safety and driver-assistive features
- Honda Satellite-Linked Navigation System[15] with voice recognition and Honda HD Digital Traffic
- LED turn indicators (headlights and side mirrors)
- Chrome door handles
- Rain-sensing windshield wipers
- LED headlights (low & high beam) with auto-on/off

CIVIC Si

Si (Sedan and Coupe)

- 205-hp,[1] 1.5-liter, turbocharged and intercooled DOHC 4-cylinder engine with direct injection
- Close-ratio 6-speed manual transmission
- Helical limited-slip differential
- Center-outlet exhaust system
- Fog lights
- Honda LaneWatch[3]
- Adaptive damper system
- Dual-pinion, variable-ratio electric power steering (EPS)
- 18-inch machine-finished alloy wheels
- 235/40 R18 W-rated high-performance tires
- One-touch power moonroof with tilt feature
- Heated side mirrors
- Smart Entry with push button start
- Sport pedals
- Leather-wrapped steering wheel
- Aluminum shift knob with leather
- Dual-zone automatic climate control
- Heated front seats
- 450-watt premium audio system with 10 speakers, including subwoofer
- 7-inch Display Audio with electrostatic touch-screen
- Apple CarPlay[5] integration
- Android Auto[4] integration
- SiriusXM Radio,[13] HD Radio[14]

INTERIOR Si (Sedan and Coupe)

BLACK FABRIC

Key Standard Features for All Civic Models

- Multi-angle rearview camera[10] with guidelines
- LED Daytime Running Lights (DRL)
- Hill start assist
- Automatic climate control system
- *Bluetooth*®[16] HandsFreeLink®
- One-touch turn indicators
- Capless fuel filler
- Electric parking brake with automatic brake hold

Powerful. Agile. Versatile enough to handle almost any condition. It's no wonder Honda is the official vehicle of the NHL.®[17]
