NISSAN INTELLIGENT MOBILITY

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

[1]Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. **Driving is serious business and requires your full attention.** Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** [2]Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. [3]Front seats and rear outboard seats only. [4]Available feature. [5]Slide function should not be performed with the Child Restraint System occupied. [6]Passengers should not ride in the reclined position while the vehicle is in motion. [7]Provincial laws may apply; review local laws before using. [8]Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. [9]Information displayed is dependent on how vehicle is equipped. [10]TPMS is not a substitute for regular tire pressure checks. [11]It is the driver's responsibility to remain alert with hands on steering wheel, keeping a look out for other vehicles and pedestrians at all times. [12]IAVM cannot completely eliminate blind spots and may not detect every object. IAVM operates at vehicle speeds below 8 km/h. Always check surroundings and turn to look behind you before moving vehicle. [13]Virtual composite 360° view. [14]Availability of features varies by model year, model, trim, and package. [15]RCTA is not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. [16]Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. [17]LDW and ILI operate only when the lane markings are clearly visible. Speed limitations apply. See Owner's Manual for details. [18]IEB with Pedestrian Detection is not a replacement for responsible driving. May not provide warning or braking in certain conditions. Speed and other limitations apply. See Owner's Manual for details. [19]ICC is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. [20]2018 Fuel Economy Estimate 7.0 L/100 km (40 MPG) highway for Rogue® FWD. Actual mileage may vary with driving conditions – use for comparison only. [21]Intelligent Trace Control cannot prevent accidents or loss of control. It is the driver's responsibility to be in control of the vehicle at all times. [22]Based on Global Automakers of Canada (GAC) Compact SUV Market Segmentation. MY18 Rogue vs. 2017/2018 Compact Sport Utility Class sourced from *Autodata*. [23]Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. [24]Extra cost option. [25]Not available when equipped with ProPILOT Assist. [26]See your Nissan Dealership and read the actual limited warranty. [27]Blind Zone Mirrors are not a substitute for proper lane change procedures. May not detect every vehicle or object around you. [28]See Nissan Towing Guide and Owner's Manual for additional information. [29]Whichever occurs first. [30]Use the Text Messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. [31]Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. External device not included. [32]Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. [33]IEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. [34]Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. [35]Vehicle must be on for the Easy-Fill Tire Alert to operate. [36]Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. [37]VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving. NISSAN

Innovation that excites

2018 ROGUE®

OPEN UP a bigger, bolder world. Get there in a crossover that brings an aggressive look to consistent capability. Gain confidence with Nissan Intelligent Mobility that helps keep an eye out on every part of your drive. Load up in a snap with an interior that adapts for adventure. Where to? Call up directions, friends, and your favourite driving jam at the touch of a button.[1,2] The 2018 Nissan Rogue®. Slide into gear and explore a life of **POSSIBILITIES.**

Nissan Rogue® SL Platinum shown in Scarlet Ember with optional equipment.

GO AHEAD AND DEMAND MORE

Rogue® delivers, with impressive front head room and the supreme comfort of fatigue-reducing Zero Gravity front seats.[3,4] The 2nd row slides and reclines,[5,6] so you can adjust for maximum leg room, more cargo space, or anywhere in between. And with tasteful touches throughout, this is one natural, relaxed, and decidedly upscale environment.

Sporty D-shaped heated steering wheel[4]

Zero Gravity power front seats with memory system[3,4]

Tan leather appointments with quilted inserts[4]

Nissan Intelligent Key® with Remote Engine Start System[4,7]

Power Panoramic Moonroof[4]

Nissan Rogue® SL Platinum shown in Tan Leather.

SURROUND YOURSELF IN REFINEMENT

With technology that keeps you comfortable and connected, and inspired design that pays attention to the little things, Rogue® is a nice place to be. Quick Comfort® heated front seats focus on key areas to warm you up as soon as possible, keeping you toasty up front. While Dual Zone Automatic Temperature Control[4] and a power passenger seat[4] let your co-pilot have things just the way they like it.

Advanced Drive-Assist® Display From trip computer to turn-by-turn directions, the Advanced Drive-Assist Display serves up info right in front of you – helping to minimize time looking away.[4,8,9]

BLUETOOTH® STREAMING AUDIO[1]

TIRE PRESSURE MONITORING SYSTEM[10]

PROPILOT ASSIST[11]

TURN-BY-TURN NAVIGATION[2]

Nissan Rogue® SL Platinum with ProPILOT Assist Package shown in Charcoal Leather. U.S. instrumentation shown.

NISSAN INTELLIGENT MOBILITY

Nissan Intelligent Around View® Monitor Four cameras give you a virtual composite 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look.[12,13]

PREMIUM TOUCHES THAT ARE A CLASS ABOVE

Bluetooth® Streaming Audio[1] / Nissan Navigation System[2] / Bose® Premium Audio System

A BOLDER RIDE THROUGH LIFE

Nissan Intelligent Mobility empowers you with tomorrow's technology so you can take on today. You'll make every move with greater awareness and can get a little help when you need it most. All of this gives you more confidence and, ultimately, the freedom to embrace the joy of being behind the wheel – the way driving was always meant to be.[14]

SENSE MORE AROUND YOU

Intelligent Around View® Monitor

Gives you an on-screen heads-up when it detects moving objects near your vehicle. We're looking at you, shopping cart.[12]

Rear Cross Traffic Alert

Helps you back out of a space with more confidence. This standard feature watches around the rear of your Rogue,* and can warn you about cars it detects creeping up on you from either side.[15]

Blind Spot Warning

Helps you change lanes with confidence. This standard feature keeps an eye on the blind spot area and gives you a heads-up if it detects a vehicle hiding there.[16]

Lane Departure Warning

Helps make sure you change lanes only when you mean to. If it detects that you're drifting over, it'll give you a heads-up.[17]

NISSAN INTELLIGENT MOBILITY

GET AN ASSIST WHEN YOU NEED IT

Intelligent Emergency Braking with Pedestrian Detection

Monitors your speed and distance between you and the car ahead, and can let you know if you need to slow down. It can even automatically engage the brakes to help avoid a frontal collision or lessen the severity of an impact. And when it detects a pedestrian in the crosswalk, it can stop you in your tracks.[18]

Intelligent Lane Intervention

Helps keep you in your lane. When lane markings are clear, it detects if you're straying out of your lane and taps the brakes to help gently guide you back.[17]

Intelligent Cruise Control

Watches the flow of traffic to take the tedium out of your daily commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.[19]

NISSAN PROPILOT ASSIST

Feel free to let go of driving stress. With Nissan ProPILOT Assist, Rogue helps out with daily driving – following the car ahead at a preset distance or helping keep you centred in your lane. It can even bring your Rogue to a full stop based on the traffic flow, and can bring you back up to speed when traffic starts moving again. Your daily commute is a brand new experience.[11]

U.S. instrumentation shown.

PERFORMANCE FOR EVERY DAY, POWER FOR YOUR NEXT ADVENTURE

Rogue's efficient 4-cylinder engine and Continuously Variable Transmission help ensure exceptional highway fuel economy, along with amazingly smooth power delivery as you breeze past the pump. And with Eco Mode, saving has never been simpler. Push the dash-mounted button, and Rogue® automatically adjusts to help further improve your fuel economy.[20]

7.0 L/100 km (40 MPG)[20]

170 HP

175 LB.-FT. TORQUE

Eco Mode
Saving made simple. Push the dash-mounted button, and Rogue's Eco Mode automatically adjusts to help you maximize fuel economy.

NISSAN INTELLIGENT MOBILITY

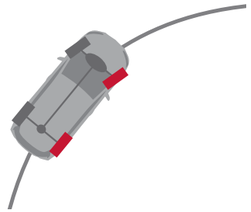
INTELLIGENT ALL-WHEEL DRIVE (AWD)

It's so responsive, it can adapt to changing conditions 30 times faster than the blink of an eye. Snow, rain-covered pavement or tight turn, the system automatically sends power to the wheels that need it most. Even in ideal conditions, Rogue's Intelligent AWD helps you move with more confidence – our passionate engineers also tuned the system for responsive, agile performance. Getting a grip has never been more fun.

Drive More Like A Pro
Whether it's stop-and-go traffic, your favourite on-ramp, or even just an annoying speed bump, Rogue uses advanced technology that works a little magic behind the scenes to help make every drive feel more comfortable, confident, and enjoyable.

Intelligent Engine Brake
Get smoother deceleration when cornering or coming to a stop. Intelligent Engine Brake uses the CVT transmission to apply engine braking, to help keep you from stopping short. And keeping your bag from flying off the passenger seat.

Intelligent Trace Control
Enjoy hugging curves with handling that feels effortless. Intelligent Trace Control reads the situation and, if needed, can brake each wheel individually to help you steer smoothly through the corners.[21]



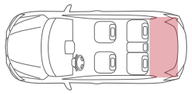
Active Ride Control
Bump? What bump? Active Ride Control can automatically apply the brakes and adjust engine torque to smooth out your ride, turning those mountains into molehills.

MOTION ACTIVATED LIFTGATE

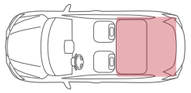
Now you've got easier access to your Rogue than ever before. Hands full? Just kick under the rear bumper to automatically open the Motion Activated Liftgate, without reaching for a key or juggling whatever you're carrying.[23]

ROOM FOR CRAFT AND CREW

With best-in-class cargo space[22] and room for an object up to eight feet long, Rogue® gives you possibilities you never knew you had. And with a clever folding rear seat pass-through, there's plenty of room to bring friends along.[23]



1,112 LITRES
(39.3 CU. FT.)
Five of you and your gear.[23]



1,982 LITRES
(70.0 CU. FT.)
You, a passenger, and lots of cargo.[23]

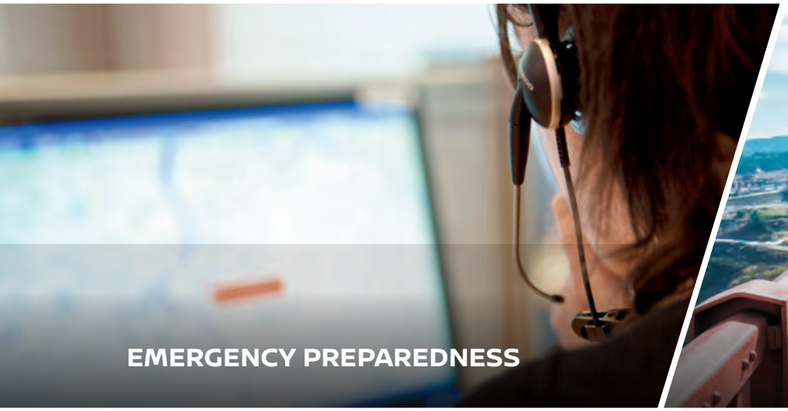
DIVIDE-N-HIDE®

Single-handedly reinventing capability, the Divide-N-Hide® Cargo System lets you adapt in a snap. An adjustable set of shelves and dividers gives you a variety of configurations. It's so easy, you can do it with one hand.[23]

NissanConnect℠
SERVICES POWERED BY SIRIUSXM®

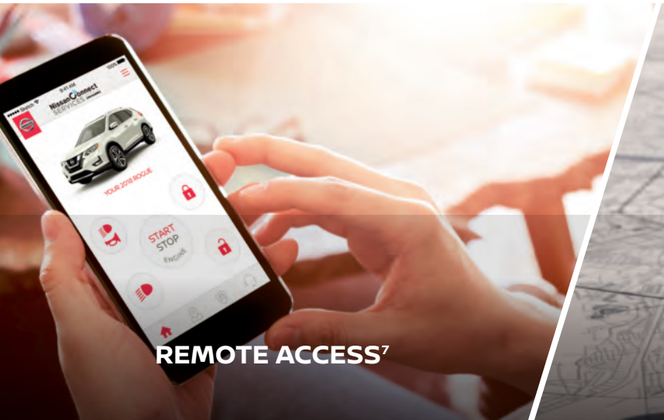
OUR TECHNOLOGY, YOUR ENTOURAGE

Let our people help look after you and your people. With NissanConnect Services, you have a selection of plans and services ranging from customizable alerts to calling for help if the system senses there's been an accident. Hey, that's what friends are for.[1,4]



EMERGENCY PREPAREDNESS

CUSTOMIZABLE ALERTS

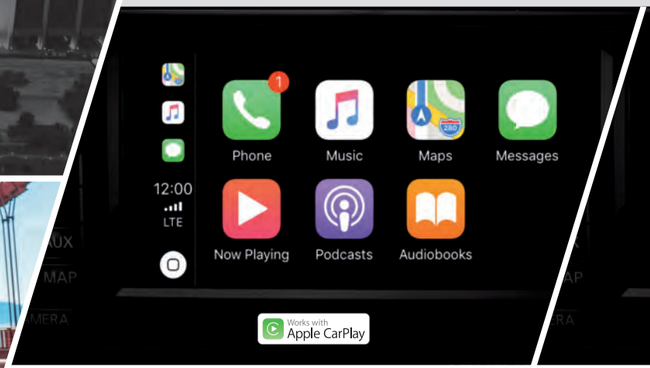


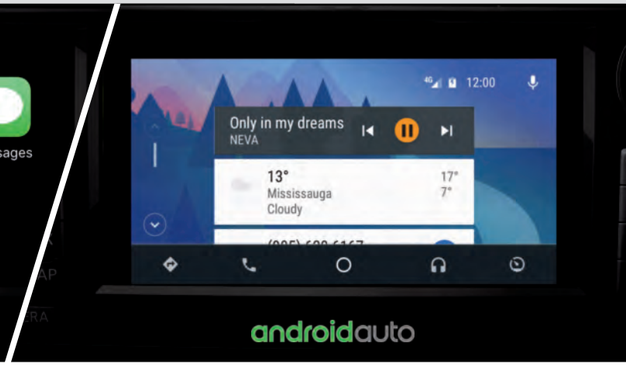
REMOTE ACCESS[7]

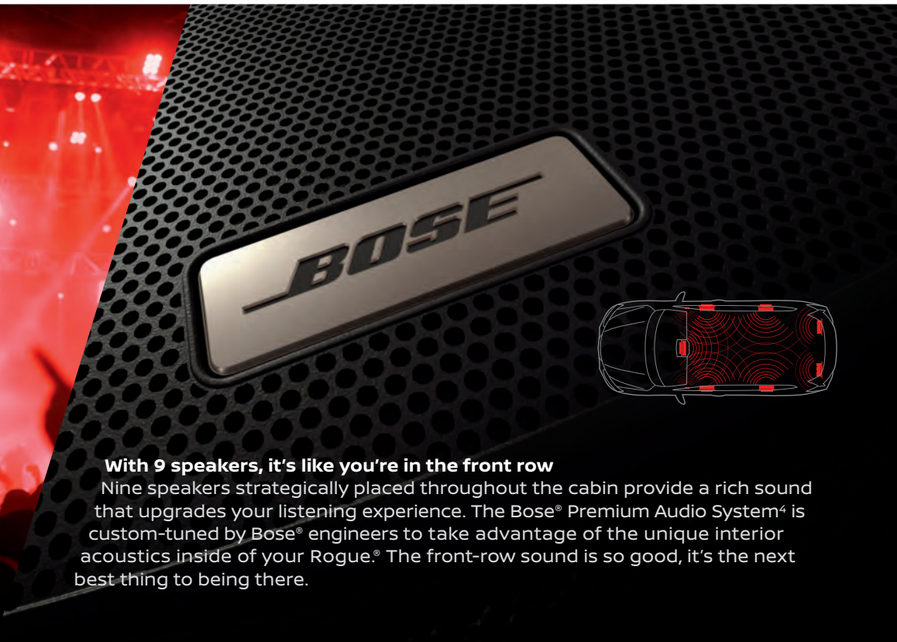
CONVENIENCE SERVICES

SEAMLESS CONNECTIVITY

Apple CarPlay™ and Android Auto™ are the smarter ways to enjoy the things you love on your phone. Access music, maps, make calls, send and receive messages, and more – all hands-free. Just plug in your smartphone and go.[1]







With 9 speakers, it's like you're in the front row

Nine speakers strategically placed throughout the cabin provide a rich sound that upgrades your listening experience. The Bose® Premium Audio System[4] is custom-tuned by Bose® engineers to take advantage of the unique interior acoustics inside of your Rogue.® The front-row sound is so good, it's the next best thing to being there.

- Cargo Net[23]
- Retractable Cargo Cover[23]
- And More

See your Nissan dealer for details, or go to accessories.nissan.ca

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website **Nissan.ca/finance** to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2018 Nissan is covered by a 3 year/60,000 km[29] Comprehensive New Vehicle Warranty, a 5 year/100,000 km[29] Powertrain Warranty, an 8 year/130,000 km[29] Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

AWD	1626 (3585)	1637 (3608)	1664 (3668)

2018 Fuel Consumption Estimates – L/100 km (MPG)	
City/Highway	
FWD	9.2 (31)/7.0 (40)
AWD	9.7 (29)/7.4 (38)

Actual mileage may vary with driving conditions – use for comparison only.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF,® we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.
