2018 SENTRA®

Innovation that excites

NISSAN INTELLIGENT MOBILITY

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

Images may show additional available equipment. [1]Available feature. [2]2018 fuel consumption estimate 6.3 L/100 km (45 MPG) for CVT models. Actual mileage may vary with driving conditions – use for comparison only. [3]AEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. [4]Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. [5]Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. [6]Information displayed is dependent on how vehicle is equipped. [7]Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. **Driving is serious business and requires your full attention.** Only use features and connected devices when safe and legal to do so. Some features are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** [8]BSW is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. [9]RCTA is not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. [10]50% increase was calculated using CVT horsepower specifications. [11]Some components have been chrome-plated or painted for display purposes only. [12]Extra cost option. [13]See your Nissan Dealership and read the actual limited warranty. [14]Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. [15]Whichever occurs first. [16]Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. [17]Use the Text Messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. [18]Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. External device not included. [19]TPMS is not a substitute for regular tire pressure checks. [20]VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. [21]Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. [22]Vehicle must be on for the Easy-Fill Tire Alert to operate. [23]Limited availability. [24]CVT models only. [25]Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. Alcantara® is a registered trademark of Alcantara S.p.A. Corporation. UPGRADE your every day with a sedan that puts the good life well within reach. Head-turning good looks, advanced safety features,[1] and 6.3 L/100 km (45 MPG)[2] are just the start. The 2018 Nissan Sentra.® Fill an impressive interior with friends and enjoy more of **EVERYTHING.**

Nissan Sentra® SR Turbo shown in Deep Blue Pearl.

COMFORT, STYLE AND SPACE ON DEMAND

With Sentra,® a bright, airy interior with spacious rear-seat leg room is just the start. Leather-appointed seats with eye-catching blue stitching add a pop of colour and style to an already impressive interior.[1] And when you need room for more, the 60/40 split rear seats flip down to add bulky or long items with ease.

Nissan Sentra® SR Turbo Premium CVT shown in Charcoal Leather.

SENTRA® SV – PREMIUM COMES STANDARD

Sentra SV is anything but ordinary. Innovative perks – all standard – keep you comfy, connected, and help keep an eye out. And with the SV Style Package,[1] you'll enjoy bonus features that further transform the way you drive.

TREAT YOURSELF TO THE SV STYLE PACKAGE[1]

ALUMINUM-ALLOY WHEELS

POWER SLIDING GLASS MOONROOF

SENTRA SV INCLUDES:

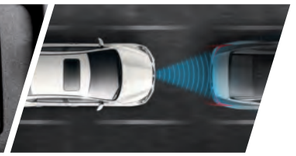
DUAL ZONE AUTOMATIC TEMPERATURE CONTROL

PUSH BUTTON IGNITION AND NISSAN INTELLIGENT KEY®

LEATHER-WRAPPED STEERING WHEEL

HEATED FRONT SEATS

AUTOMATIC EMERGENCY BRAKING[3]



NISSAN INTELLIGENT MOBILITY

A BOLDER DRIVE THROUGH LIFE

Nissan Intelligent Mobility connects you to your drive like never before. You'll make every move with greater awareness and can get a little help when you need it most. All of this gives you more confidence and, ultimately, the freedom to embrace the joy of being behind the wheel – the way driving was always meant to be.

- Automatic Emergency Braking[1,3]
- Blind Spot Warning[1,8]
- Rear Cross Traffic Alert[1,9]

NISSAN ADVANCED DRIVE-ASSIST® DISPLAY[1]

Turn-by-turn directions,[4] caller ID, safety features,[1] and more – the Advanced Drive-Assist® Display puts it all right before you on its 127 mm (5.0") colour display.[5,6] Steering wheel controls let you cycle through the different screens.

- Fine Vision Electroluminescent Gauges
- Bluetooth® Streaming Audio[7]
- Driving Aids[1]
- Bluetooth® Phone System with Caller ID[7]
- Turn-by-turn Navigation[1,4]

U.S. instrumentation shown.

EFFICIENCY THAT GIVES YOU MORE OUT OF EVERY DRIVE

Sentra impresses with excellent fuel economy thanks to the 1.8-litre engine teamed with a virtually gearless CVT transmission[1] that helps maximize efficiency and performance, making 6.3 L/100 km (45 MPG) highway a reality.[2]

- Twin Continuously Variable Valve Timing
- Low Drag Coefficient

Nissan Sentra® SR Turbo Premium CVT shown in Aspen White.

SENTRA® SR TURBO
TURBOCHARGE YOUR DRIVE

It starts with the quality and performance that is synonymous with Sentra, then kicks things up a notch. The 1.6-L DIG turbocharged engine gives Sentra SR Turbo over 50% more horsepower than other Sentra models.[10] Grip the leather-wrapped steering wheel as the stiffer suspension and 17" aluminum-alloy wheels help you carve up the road, while Turbo-specific front brake rotors bring you back down to earth.

SPRAY-COATED AND MIRROR-FINISHED CYLINDER BORES[11]

LOW-INERTIA TURBOCHARGER[11]

LOW-PRESSURE COOLED EGR[11]

1.6-L DIG™ TURBOCHARGED ENGINE

When it came time to breathe greater performance into the Sentra SR Turbo, our engineers pulled out all the stops. Spray-coated and mirror-finished cylinder bores were applied to the 1.6-L DIG turbocharged engine, while a low-pressure cooled EGR system was added for greater efficiency at higher loads. The result? Engine friction and weight were reduced, while performance increased.

nismo®

PASSION WITHOUT A REDLINE

Since 1984, NISMO has been propelled by maverick engineering with one goal in mind: ultimate Nissan performance. Featuring a track-inspired aerodynamic exterior, NISMO tuning, and an impressive list of styling and performance upgrades, Sentra NISMO ensures your drive will never be the same again.

- 1.6-L DIG turbocharged engine
- 18" NISMO aluminum-alloy wheels
- Front sport seats with red trim bolsters and NISMO badging
- Chrome exhaust finisher
- Synthetic suede-appointed interior

U.S. instrumentation shown.

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website **Nissan.ca/finance** to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2018 Nissan is covered by a 3 year/60,000 km[15] Comprehensive New Vehicle Warranty, a 5 year/100,000 km[15] Powertrain Warranty, an 8 year/130,000 km[15] Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

NISSAN CANADA FINANCE

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF,® we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.
