EDGE

SE | SEL | TITANIUM | ST

2019

Inside and out, we added new features to Edge to deliver an even more sophisticated, modern driving experience.

Modern sophistication defines the 2019 Edge. Athletic new front and rear styling reaches its ultimate expression in the new ST – an exhilarating 335 horsepower[1] of performance-enhanced pleasure. There are plenty of smart new features as well. Starting with Ford Co-Pilot360,™ a suite of standard driver-assist technologies designed to help you confidently navigate your world.[2] A smooth-shifting rotary gear shift dial that puts you in control of the 8-speed automatic transmission. A wireless charging pad[3,4] that makes recharging your mobile phone hassle-free. A standard FordPass Connect™ 4G LTE Wi-Fi hotspot[5] that lets you connect up to 10 devices. And a B&O Sound System[3] with 12 high-performance speakers. Now more than ever, it's easy to keep your Edge.

TITANIUM. RUBY RED METALLIC TINTED CLEARCOAT. AVAILABLE EQUIPMENT. [1]Horsepower and torque ratings achieved with 93-octane fuel. [2]Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. [3]Available feature. [4]Available Qi wireless charging may not be compatible with all mobile phones. [5]Certain restrictions, 3rd-party terms or message and data rates may apply. See footnote 1 on Standard Features page of Specifications, and your Ford Dealer for more details.

ECOBOOST

2 DYNAMIC ENGINES / AUTO START-STOP / TURBOCHARGED POWER / FWD OR AWD / DIAL OR PADDLES

Both EcoBoost® engines on the 2019 Edge are paired with a new quick-shifting 8-speed automatic transmission. Standard Auto Start-Stop Technology helps reduce fuel consumption during stop-and-go city driving by shutting off the engine when you come to a complete stop. When you release the brake pedal, the engine seamlessly restarts. Enhance your driving experience on all-wheel drive (AWD)[1] models with racing-inspired paddle shifters that provide SelectShift® capability.

2.0L ECOBOOST

This twin-scroll turbocharged, direct-injection engine has robust low-end torque – and delivers a virtually instantaneous surge of power.

250 hp @ 5,500 rpm[2] 280 lb.-ft. of torque @ 3,000 rpm[2]

EPA-estimated ratings[3] with 8-speed automatic and Auto Start-Stop Technology

FWD: 22 city / **29** highway / **25** combined mpg
Standard: SE, SEL, Titanium

AWD: 21 city / **28** highway / **23** combined mpg
Includes steering wheel-mounted paddle shifters and SelectShift capability
Optional: SE, SEL, Titanium

2.7L ECOBOOST

Behind the wide mesh, blacked-out grille of the new Edge ST is where you'll find the most powerful member of this lineup. This twin-turbocharged, direct-injection engine offers best-in-class[4] gas V6 horsepower and torque.

335 hp @ 5,500 rpm[2] 380 lb.-ft. of torque @ 3,250 rpm[2]

EPA-estimated ratings[3] with 8-speed automatic and Auto Start-Stop Technology

AWD: 19 city / **26** highway / **21** combined mpg
Includes steering wheel-mounted paddle shifters and SelectShift capability
Standard: ST

ST. FORD PERFORMANCE BLUE. AVAILABLE EQUIPMENT. [1]Available feature. [2]Horsepower and torque ratings achieved with 93-octane fuel. [3]Actual mileage will vary. [4]Class is Midsize Utilities, non-diesel, based on Ford segmentation.

Ford
Go Further

A NEW CLASS
STANDARD

FORD CO-PILOT360™
Our world is increasingly distracted. A few seconds is all it takes... to lose focus. According to the National Highway Traffic Safety Administration (NHTSA),[1] 94% of serious crashes are due to human error. To help you drive confidently so you can better enjoy your journey, the new 2019 Edge comes with Ford Co-Pilot360. This suite of 5 standard features can start helping the moment you begin backing out of your driveway.

Rear View Camera with Washer[2] shows you what's behind Edge as you slowly back up. When it gets dirty, spray it clean with the touch of a button.

BLIS® (Blind Spot Information System) with Cross-Traffic Alert[2] warns you if it detects a vehicle in either of your blind spots while attempting to change lanes, or approaching from either side while in Reverse.

Pre-Collision Assist with Automatic Emergency Braking[2,3] can automatically apply the brakes to help reduce the severity of, and in some cases potentially eliminate, a frontal collision with a vehicle traveling in the same direction, or a pedestrian detected ahead.

Lane-Keeping System[2,4] alerts you with steering wheel vibration if it detects you drifting out of your lane, and can even apply steering wheel torque to help direct you to return to your lane.

Auto High-Beam Headlamps[2] can help detect vehicles and street lights ahead of you, automatically switching between low and high beams as a convenience to you, and a courtesy to other motorists.

FORD CO-PILOT360™ ASSIST+
When your Edge is equipped with Ford Co-Pilot360 Assist+,[5] you'll also benefit from these additional technologies.[2]

Available: SEL, Titanium, ST

Adaptive Cruise Control with Stop-and-Go and Lane Centering can bring your vehicle to a complete stop when traffic slows, and can accelerate back to its preset speed within 3 seconds.[6] Lane Centering reads the lane markings to help you keep Edge centered in its lane.

Evasive Steering Assist, also part of the package, can help you avoid a collision with a stopped vehicle ahead by providing steering support when a collision can't be avoided by braking alone. Voice-activated Navigation with SiriusXM® Traffic and Travel Link®[7] is also included.

[1]Information about crash-avoidance technologies as part of the Government 5-Star Safety Ratings program can be found at www.SaferCar.gov. [2]Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. [3]Pre-Collision Assist with Automatic Emergency Braking can detect pedestrians, but not in all conditions and does not replace safe driving. Please see owner's manual for system limitations. [4]Lane-Keeping System does not control steering. [5]Available feature. [6]If stop is longer than 3 seconds, driver must intervene and press "RES" button or accelerator pedal to resume system operation. [7]Certain restrictions, 3rd-party terms and data rates may apply. See footnote 3 on Standard Features page of Specifications, and your Ford Dealer for details.

Go Further

STYLE AT EVERY TURN

Starting with the Intelligent Access key fob that gets you in. And push-button start that gets you going. A new rotary gear shift dial in the center console frees up space, allows access to the new wireless charging pad,[1,2] and enhances the modern, sophisticated feel of the 2019 Edge. That feeling continues with the output from a new B&O Sound System.[1] Its 10-channel amplifier pumps 800 watts of digitally processed sound through 12 high-performance speakers, including 3 midrange speakers and a subwoofer. No matter your destination or traveling companions, the new 2019 Ford Edge is designed to indulge, pamper and please.

TITANIUM. LEATHER-TRIMMED INTERIOR IN CERAMIC WITH PERFORATED INSERTS. TITANIUM ELITE PACKAGE. AVAILABLE EQUIPMENT. [1]Available feature. [2]Available Qi wireless charging may not be compatible with all mobile phones.

GET INTO THE FOLD

With its rear 60/40 split seat folded flat, Edge converts to a cargo hauler with ease. A convenient EasyFold® seat release[1] for the rear seat lets you maximize cargo space with the touch of a button. Fold both sides of the seat back down for large objects. Or leave one side up to carry cargo and passengers side by side. And if your hands are full as you approach the rear liftgate, just kick your foot under the rear bumper. The hands-free foot-activated liftgate[1] will rise on its own. This Edge is as versatile as you are.

PUSH START AND GO

Every precisely honed 2019 Edge asserts its presence wherever you go. And now, with Ford Co-Pilot360,™ all Edge models are equipped with a standard suite of driver-assist technologies to help you better navigate your world. Up front, SE exhibits the freshened fascia, wider grille and redesigned hood of Edge that helps it cast a more planted stance. Intelligent Access gets you in, push-button start gets you going, and a turn of the new rotary gear shift dial gets you moving. Low- and high-beam bi-LED headlamps illuminate your view. Along the sides, 18" Sparkle Silver-painted aluminum wheels fill the wells, while the 4-wheel disc Anti-Lock Brake System (ABS) helps bring them to a halt. Inside, voice-activated SYNC,® FordPass Connect,™ and the more than 150 channels of SiriusXM® help keep you connected. There's much to be desired about **Edge SE**.

GO ALL OUT IN EDGE ST

The first Ford SUV to be tuned by the Ford Performance Team is on the prowl: charging hard with 335 horsepower[4] and 380 lb.-ft. of torque[4] from an enhanced 2.7L EcoBoost® engine – the most powerful gas V6 engine in its class.

A Gloss Black-painted wide-mouth mesh grille and ST badging set this Edge apart, as well as deep side skirts, dual trapezoidal exhaust outlets, and 21" Premium Gloss Black-painted aluminum wheels.[5] A Ford Performance-tuned suspension provides dynamic handling, while standard all-wheel drive (AWD) helps to maximize traction. Plus, racing-inspired paddle shifters enhance your control of the new 8-speed automatic transmission with SelectShift® capability. A tap of the Sport mode button sharpens throttle response, allows for a more dynamic engine note inside the cabin, more aggressively programs the transmission shift points, and more.

Design cues on the steering wheel, front seat backs and door-sill scuff plates remind you that this SUV is truly something special. Introducing the new 2019 **Edge ST**.

AVAILABLE EQUIPMENT SHOWN. [1]Metallic. [2]Additional charge. [3]Late availability. [4]Horsepower and torque ratings achieved with 93-octane fuel. [5]Available feature.

STAY CONNECTED ON THE MOVE

IT ALL STARTS HERE

This vibrant 8" touchscreen is the command center of SYNC® 3 voice-activated technology,[1,2] which integrates your paired mobile phone with Ford Edge as soon as you start your vehicle. Make calls. Send and receive text messages. And so much more. Just swipe left or right, or use simple voice commands, to help ensure that your life doesn't miss a beat. SYNC 3 also features 2 smart-charging USB ports to help keep your devices powered up.

LINK YOUR APPS

SYNC 3 AppLink®[2,3] links your favorite compatible mobile apps with your voice, giving you convenient control. iPhone® users can view the Waze™ app's community-based navigation and traffic features on the large SYNC 3 touchscreen. Amazon Alexa users can access thousands of skills and services they enjoy on their Amazon Echo with the Ford+Alexa[4] app.

CONNECT TO FORDPASS CONVENIENCE

A FordPass Connect™ 4G LTE Wi-Fi hotspot[2,5] lets passengers connect tablets, laptops and smartphones. It includes a complimentary 3-month or 3GB data trial. And that's only part of its convenience. Together with the FordPass™ smartphone app,[6] FordPass Connect allows you to remotely start[2] your vehicle and climate control system using your smartphone. As well as locate your vehicle and check approximate fuel range. FordPass also helps you find fuel and compare prices. Find, reserve and pre-pay for parking in select locations. Plus, get help 24/7 from our trained team of Ford Guides.

CONNECT YOUR iPhone

Apple CarPlay™ compatibility[2,7] displays the iPhone interface on your vehicle's touchscreen. Send and receive text messages by voice. Get directions. Access playlists from Apple Music.® Just ask Siri® for help. She already knows your voice.

CONNECT YOUR ANDROID PHONE

Android Auto™ compatibility[2,7] displays the Android™ interface on your vehicle's touchscreen. Get voice-guided navigation from Google Maps™ and Waze. Access your favorite music from your apps. Make calls. Send and receive messages. Just talk to Google Assistant™ and go.

MAP YOUR ROUTE

Voice-activated navigation[2] delivers turn-by-turn directions and vivid 3-D maps on the SYNC 3 touchscreen. Pinch-to-zoom capability allows for a closer look. SiriusXM® Traffic and Travel Link®[2,8] helps you avoid traffic – before you're in the middle of it. It also provides fuel prices and station locations. Current and forecasted weather. Movie locations and showtimes. Plus, the scores of your favorite sports teams, and more.

New Vehicle Limited Warranty. We want your Ford Edge ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories. They're warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
