C-MAX ENERGI

Go Further

Style. Spirit. Space to spare.

Enjoy them all in C-MAX Hybrid and C-MAX Energi Plug-In Hybrid. With a versatile interior, ready for people or cargo, you've found the perfect place to enjoy new SYNC® 3 – our next generation of voice-activated technology.[1] Fuel-efficient.[2] Fun to drive. It's easy to go further in C-MAX.

C-MAX HYBRID | EPA-ESTIMATED RATING OF **42 CITY MPG**[2]

C-MAX ENERGI PLUG-IN HYBRID | EPA-ESTIMATED RATING OF **95 CITY MPGe**[2]

C-MAX Hybrid SEL. Magnetic. C-MAX Energi. Ruby Red Metallic Tinted Clearcoat. Available equipment.

[1]Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. [2]EPA-estimated rating of 42 city/37 hwy/40 combined mpg, C-MAX Hybrid, actual mileage will vary; 95 city/81 hwy/88 combined MPGe, C-MAX Energi, actual mileage will vary. MPGe is the EPA equivalent measure of gasoline fuel efficiency for electric mode operation.

Ford
Go Further

Maximize every ride.

"Our C-MAX was a joy to push through winding roads and we loved the smooth ride and hushed cabin," said editors at kbb.com.[1] "In around-town driving, the tall roof and expansive side glass of C-MAX provide excellent visibility, while the raised seats give a commanding view ahead."

Truly engaging to drive, both C-MAX Hybrid and C-MAX Energi Plug-In Hybrid offer 188 combined horsepower. Transfer this power and 129 lb.-ft. of torque to the road with an eCVT (electronically controlled continuously variable transmission).

Switching seamlessly between its 88-kW electric traction motor and 2.0L Atkinson-cycle I-4 gasoline engine, the C-MAX power-split hybrid architecture is powered by a state-of-the-art, lithium-ion battery.

All-electric mode works at speeds of up to 85 mph, since C-MAX engages its engine only as needed to power the battery and to enhance performance. An invigorating drive. Excellent efficiency. The 2016 C-MAX Hybrids bring it all together.

C-MAX Hybrid SEL. Kona Blue. Available equipment.

Go Further

Available 240V home charging station shown.

Choose to plug in and plus up.

C-MAX Energi is a progressive hybrid that gives you the choice to plug in or not. As you drive, it can decide whether to run on battery power or to turn on its gas engine as needed. Plugging in helps you plus up to an EPA-estimated 95 city MPGe, an all-electric driving range of 19 miles and gas-plus-electric driving range of 550 miles.[1,2]

Recharge at home in about 7 hours using its LED-illuminated charge port and the standard 120V convenience charge cord. Shorten that time to about 2.5 hours using a Ford-recommended AeroVironment™ 240V home charging station[3] or 240V TurboCord.™ The UL-listed, weather-resistant, portable charging station is easy to take with you if you decide to relocate. A hard-wired station[3] is also available.

Easily monitor and schedule charging, at home or at one of the growing number of public charging stations near you, with the MyFord® Mobile app[4] and website (myfordmobile.com). Both feature a charging station locator powered by PlugShare.®

C-MAX Energi. Ruby Red Metallic Tinted Clearcoat. Available equipment.

[1]EPA-estimated rating of 95 city/81 hwy/88 combined MPGe. Actual mileage will vary. MPGe is the EPA equivalent measure of gasoline fuel efficiency for electric mode operation. [2]EPA-estimated rating of 40 city/36 hwy/38 combined mpg, 14.0-gallon fuel tank; 19 miles electric. Range calculation based on www.fueleconomy.gov. Actual range varies with conditions such as external elements, driving behaviors, vehicle maintenance and lithium-ion battery age. [3]Available feature. To begin the process, call 1-888-219-6747 or visit evsolutions.com/ford. Charging stations are available with or without full installation services by AeroVironment. [4]MyFord Mobile subscription complimentary for 5 years from the vehicle sale date as recorded by the dealer. Subscription fees apply after 5 years. MyFord Mobile requires a compatible 2.5G independent cellular network. Evolving technology and cellular networks may affect future availability and functionality.

Maximize your connections.

Voice-activated SYNC®[1] technology helps you keep your eyes on the road and hands on the wheel. SYNC. Say the word.®

- **Hands-free calling** lets you make a call with a simple push of a button along with the sound of your voice.
- **Automatic phone book download** transfers the names and numbers in your compatible phone automatically, once paired.
- **Voice-activated music commands** let you say what music you want to hear and listen to it easily with voice-activated search, or say "Bluetooth® audio" to stream content from your phone.
- **SYNC AppLink™[2]** lets you control some of your favorite compatible mobile apps with your voice.
- **911 Assist®[3]** is a convenient no-charge feature that allows you to connect your compatible cell phone to help call 911 in the event of an accident.

Upgrade to SYNC 3.[1] Our next generation of voice-activated technology with an easy-to-use new design and features.

- **New hardware meets new software** on the easy-to-read color LCD touch screen that displays phone, audio and navigation[4] functions.
- **High-speed performance** means you'll experience quick responses to your commands. Plus, the capacitive touch screen includes a convenient swipe feature similar to your smartphone (as well as pinch-to-zoom capability within navigation[4]).
- **Enhanced voice recognition** lets you talk with simple, real-world voice commands and the system responds naturally to your voice.
- **Easy destination entry** feature within navigation[4] helps you locate your favorite restaurants, nearest ATM and more.
- **Siri® seamless integration** brings the power of Siri Eyes Free[5] and your iPhone®[5] into your vehicle.
- **Automatic updates over Wi-Fi®[6]** let you keep SYNC 3 up-to-date with the latest software as new updates become available.

SYNC

C-MAX Hybrid SEL. Charcoal Black leather trim. SYNC 3. Available equipment.

[1]Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Message and data rates may apply. [2]Available feature. SYNC AppLink is available on select models and compatible with select smartphone platforms. Commands may vary by phone and AppLink software. [3]The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated. Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist. To avoid interference, remove the device or contact the device maker for more information on compatibility. [4]Available feature. [5]You must have a Bluetooth-enabled phone paired to your SYNC system. [6]Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update.

Enjoy a rewarding driving environment.

C-MAX accentuates its comfortable seating for 5 and impressive 99.7 cu. ft. of passenger volume with appealing amenities like leather-trimmed seating,[1] a 10-way power-adjustable driver's seat[1] (class-exclusive[2] on C-MAX Energi) and smart standards like a driver's knee airbag.

So you can breathe easy, a cabin air filter helps prevent pollen from entering the vehicle through the class-exclusive dual-zone electronic automatic temperature control.

SiriusXM® Satellite Radio[1] welcomes you to the World of SiriusXM.[3] Enjoy more than 150 channels including commercial-free music, plus live sports, news and exclusive entertainment, with a 6-month trial subscription to the All Access package included with your new vehicle. You'll hear every channel available, plus you can listen online and on the SiriusXM app.[3]

Navigation[1] **with SiriusXM Traffic and Travel Link®** includes a 5-year complimentary SiriusXM Traffic and Travel Link[3] trial subscription. Global Positioning System (GPS) technology is combined with 3-D mapping and provides voice-guided turn-by-turn directions. With SiriusXM Traffic and Travel Link, you'll get detailed traffic information, plus current and forecasted weather, gas station locations and prices, sports scores and schedules, and movie theater locations with show listings and times.

((SiriusXM))

C-MAX Hybrid SEL. Medium Light Stone leather trim. Available equipment.

[1]Available feature. [2]C-MAX Hybrid class is Small Hybrid Vehicles based on Ford segmentation. C-MAX Energi class is Small Plug-In Hybrid Vehicles based on Ford segmentation. [3]SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Travel Link subscriptions are sold separately or as a package by SiriusXM after your trial period, and are continuous until you call SiriusXM at 1-866-635-2349 to cancel. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. All fees and programming subject to change. See Customer Agreement for complete terms and more information at www.siriusxm.com.

Go Further

Maximize the possibilities with best-in-class versatility.

Loading cargo into your multi-activity vehicle is easy with the class-exclusive, hands-free foot-activated liftgate[1] on C-MAX. You can even program its fully opened height to the position that works best for you.

Just kick your foot under the rear bumper with your Intelligent Access[1] key fob tucked in a pocket or purse. Sensors detect your leg, the motion and the proximity of the fob, triggering the liftgate to open or close.

The standard 60/40 split rear seat folds down, providing a flat load floor on C-MAX Hybrid. And cargo space is abundant – up to 52.6 cu. ft. inside C-MAX Hybrid and 42.8 cu. ft. inside C-MAX Energi.

In-floor compartments behind the front seats discreetly hold small items like your tablet, computer or the standard 120V convenience charge cord.[2] C-MAX is thoughtfully designed for your on-the-go lifestyle.

C-MAX Hybrid SEL. Ingot Silver. Available equipment.

[1]Available feature. [2]C-MAX Energi only.

Empower each drive with smart tech.

C-MAX can help with curbside parking, backing up, maximizing your efficiency and more.

Make parallel parking easier with active park assist.[1] This system not only helps you find a spot, it actually steers the vehicle into place while you control the gear shifter, and brake and accelerator pedals.

Help gauge how close something is to the back of your vehicle using the rear view camera,[1] which can display a full-color image on the SYNC® 3 screen.[2] It even offers you conveniently color-coded distance guidelines and a dotted center line for quick reference.

Empower yourself with real-time feedback from the vibrant green leaves on the standard SmartGauge® with EcoGuide instrument cluster. The more efficiently you drive, the more lush your vine will be – giving you coaching, guidance and confirmation with every drive. The system also includes a Brake Coach to help you optimize your driving range (and grow more leaves) with regenerative braking. Together with EcoSelect,[3] which allows C-MAX Hybrid to operate more efficiently by reducing the amount of power drawn from the vehicle, you can help maximize fuel efficiency. EcoCruise is also included. Steering wheel-mounted controls and a built-in tutorial make it easy to use.

Dramatization. Actual mileage will vary.

C-MAX Energi. Ruby Red Metallic Tinted Clearcoat. Available equipment.

[1]Available feature. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. [2]Available feature. [3]C-MAX Hybrid only.

Standard Features

Mechanical

- Active Grille Shutters
- Electric power-assisted steering (EPAS)
- Electronically controlled continuously variable transmission (eCVT)
- Front-wheel drive (FWD)
- Independent front and rear suspension with stabilizer bars
- Intelligent Oil-Life Monitor®
- Regenerative Braking System with 4-wheel disc Anti-Lock Brake System (ABS)
- Tire inflator and sealant kit

Seating

- 5-passenger seating
- Front bucket seats with 4-way adjustable head restraints
- Rear 60/40 split forward-folding bench seat with adjustable head restraints for all 3 seating positions

Interior

- 12-volt powerpoints (2)
- 110-volt power outlet
- Active noise cancellation
- Adjustable driver and front-passenger sun visors with illuminated vanity mirrors
- Cabin air filter
- Cargo area tie-down hooks
- Center console with armrest, storage and 2 cupholders
- Compass
- Cruise control
- Dual-zone electronic automatic temperature control
- Front and rear carpeted floor mats
- Front and rear dome lights
- Front-door storage bins
- Front seat back map pockets
- Illuminated glove compartment
- Instrument panel and door trim in simulated metal finish
- Leather-wrapped shifter
- Leather-wrapped steering wheel with cruise, audio and 5-way controls
- Next-generation SmartGauge® with EcoGuide
- Outside temperature display
- Overhead storage console
- Power door locks
- Power windows with one-touch-up/-down for all windows
- Rear grab handles with integrated coat hooks
- Rear in-floor storage compartments
- Rear-seat heat ducts
- Remote liftgate release
- Tilt/telescoping steering column
- Trip computer

Exterior

- 17" Sparkle Silver-painted aluminum wheels with P225/50R17 tires
- Black rocker panel moldings
- Body-color door handles
- Body-color front and rear bumpers
- Configurable daytime running lamps
- Easy Fuel® capless fuel filler
- Halogen headlamps
- Rear spoiler
- Rear-window defroster
- Windshield wipers – Front: variable-intermittent (speed-sensitive) with washer; rear: fixed 2-speed with washer

Safety & Security

- Personal Safety System™ for driver and front passenger includes dual-stage front airbags,[2] safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver's seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
- 3-point safety belts for all seating positions
- AdvanceTrac® with RSC® (Roll Stability Control™)
- Battery saver with headlamps-off delay
- Child-safety rear door locks
- Driver's knee airbag[2]
- Front-seat side airbags[2]
- LATCH – Lower Anchors and Tether Anchors for Children
- MyKey®
- Safety Canopy® System with side-curtain airbags[2] and rollover sensor
- SecuriLock® Passive Anti-Theft System
- SOS Post-Crash Alert System™[3] unlocks doors, flashes hazard lights and sounds horn after airbag deployment or safety belt pretensioner activation in certain collisions
- Tire Pressure Monitoring System

Dimensions may vary by trim level. [1]Actual mileage will vary. [2]Always wear your safety belt and secure children in the rear seat. [3]SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner.

Follow Ford:

New Vehicle Limited Warranty. We want your Ford C-MAX ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. C-MAX unique electric components are covered during the Hybrid/Electric Unique Component Coverage, which lasts for 8 years or 100,000 miles, whichever occurs first. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) gives you peace-of-mind protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on competitive models (C-MAX Hybrid class is Small Hybrid Vehicles based on Ford segmentation; C-MAX Energi class is Small Plug-In Hybrid Vehicles based on Ford segmentation), publicly available information and Ford certification data at time of release.
