SUBURBAN 2016

CHEVROLET

Suburban LTZ in Black
with available features.

THE AMERICAN ICON THAT HAS NO EQUAL.

Suburban offers more of everything you expect — uncommon spaciousness, commanding performance and ingenious safety technology. Whether it's soccer practice, a night out or a weekend at the cottage, the 2016 Suburban is ready for anything. No wonder that, year after year, Chevrolet Suburban is part of America's best-selling family of full-size SUVs.

FIND NEW ROADS™

"There's no substitute for an American original,[1] and that's exactly what the Chevrolet Suburban is."

— AutoGuide.com

Suburban LTZ in Black with available features.

1 *Assembled in Arlington, TX, from globally sourced parts.*

EXQUISITE DETAILS CATCH YOUR EYE.

1. For a sleek look, the rear wiper is tucked under the rear spoiler at the roofline.

2. Projector-beam headlamps and rear LED taillamps add an upscale touch.

3. Available power-retractable side assist steps with perimeter lighting help passengers get in and out more easily and safely.

Suburban LTZ in Champagne Silver Metallic.

PREMIUM ATTITUDE. Suburban makes a striking design statement. The crisp profile and athletic stance contribute to this commanding presence.

PRECISE REFINEMENT. Sculpted side panels with a bold character line, subtly rounded front corners and tight tolerances are Suburban hallmarks.

FINISHING TOUCHES. Suburban LTZ offers standard 20-inch polished-aluminum wheels. Or choose from available 20-inch or 22-inch premium wheels[1].

1 Use only GM-approved wheel/tire combinations. See gmaccessorieszone.com for details.

"Upscale materials, lots of soft-touch surfaces and enhanced ergonomics."

— Yahoo Autos

Suburban LTZ interior in Cocoa/Dune with perforated leather appointments and available features.

FIVE SECONDS ... FLAT. Suburban has the fastest available power-release second-row and power-folding third-row seats of any competitor. The conveniently placed buttons allow you to go from passenger space to cargo space in no time at all.

WIDE-OPEN SPACIOUSNESS. With the second- and third-row seats folded flat, you'll have 121.7 cu. ft. of cargo space.[1] An available programmable power liftgate helps make loading and unloading easy. No wonder KBB.com named Suburban one of their "10 Best Road Trip Cars of 2015."[2]

OPEN UP THE POSSIBILITIES. Standard on LTZ, the hands-free programmable power liftgate ensures that you'll worry less about the liftgate hitting a garage door or being out of your reach. A sensor under the rear bumper allows you to open the liftgate with a gentle kicking motion.

1 Cargo and load capacity limited by weight and distribution.
2 From 10 Best Road Trip Cars of 2015 on Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.

A PLACE FOR EVERYTHING AND EVERYBODY.

1. The unique Cargo Management System keeps items hidden and organized.

2. Door storage allows room for water bottles, umbrellas, maps and more.

3. Fold seats up, down or flat. With Suburban you have plenty of possibilities.

EASY ACCESS TO YOUR APPS. Chevy Suburban is the first vehicle in its class with standard Apple CarPlay™ compatibility.[1] This system takes some of the iPhone® features you'd want to access and puts them on your vehicle's display in a smart, simple manner. You'll have access to Phone, Music, Maps, and Messages, as well as some of your favorite audio apps (e.g., iHeartRadio,[2] Spotify[2]) controlled via Bluetooth®[3] controls or the touch-screen display in your SUV. Additionally, pair up to 10 compatible Bluetooth[3] enabled devices with Chevrolet MyLink[4] and access your contacts list, take phone calls and play your favorite music.

SIRIUSXM SATELLITE RADIO.[5] Listen to over 150 channels of commercial-free music from every genre, live play-by-play sports, the biggest news and talk, and the hottest entertainment at your fingertips, 24/7. Welcome to an All Access Package that lets you listen to all of it everywhere — in your vehicle, at home or in the office on your computer, or on your smartphone or tablet.

STAY ENTERTAINED. The available Rear-Seat Blu-ray® Entertainment System with two screens lets rear-seat passengers shorten even the longest rides with their favorite movies.

1 Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. 2 Data plan rates apply. 3 Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle. 4 Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. 5 If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. INTUITIVE TECHNOLOGY, ALWAYS CLOSE AT HAND.

1. The available enhanced Driver Information Center features an 8-inch diagonal multi-function color display.

2. Use the OnStar RemoteLink®[1] mobile app to start or turn off the engine and lock or unlock the doors from almost anywhere you have cell service.

3. Conveniently charge your compatible cell phone with the available wireless charging pad.[2] There are as many as 12 other charging locations, including up to six USB ports.[3]

4. The available color Head-Up Display (HUD) projects information, such as speed and turn-by-turn navigation, on the windshield while driving so you can keep your eyes on the road.

1 Requires compatible mobile device and active OnStar subscription. Visit onstar.com for details and system limitations. 2 The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see my.chevrolet.com/learn. 3 Not compatible with all devices.

Suburban LTZ interior in Cocoa/Dune with available features.

AVAILABLE INTERNET IN YOUR SUBURBAN. Chevrolet is the first and only car company to offer built-in 4G LTE Wi-Fi® to cars, trucks and crossovers, providing the ability to seamlessly connect your smart devices and vehicles to the Internet.[1]

THE ULTIMATE BUILT-IN WI-FI HOTSPOT. After initial setup, whenever your Suburban is on, available 4G LTE Wi-Fi is automatically on too. It offers great signal quality and bandwidth for up to seven devices.[1]

FAST, EASY, RELIABLE. OnStar with 4G LTE provides a better in-vehicle experience than you'll get with your smartphone. Our stronger signal means you have a reliable connection.[1]

1 *Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations.*

Suburban LTZ in Black
with available features.

355
HORSEPOWER

383
LB.-FT. TORQUE

8,300
LBS. MAX TOWING[1]

1 Requires available Max Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. 2 Based on GM Large SUV segment.

TOWS UP TO 8,300 LBS. Suburban offers a maximum towing capability of up to 8,300 lbs[1] — that's plenty of power to tow boats, trailers, ATVs and whatever else you want to bring along.

MAGNETIC RIDE CONTROL. Suburban LTZ features Corvette-inspired Magnetic Ride Control,™ a real-time damping system that delivers a smooth, precise ride by "reading" the road a thousand times a second and changing damping in just 10-15 milliseconds.

THE ECOTEC3 ADVANTAGE. Three innovative technologies drive the 5.3L EcoTec3 V8 engine. Direct Injection boosts power and fuel efficiency while reducing emissions. Active Fuel Management™ deactivates four cylinders when extra power is not needed. Variable Valve Timing helps ensure Suburban performs at optimum power and efficiency. Bottom line? Better 2WD highway fuel economy than any competitor[2] — an EPA-estimated 23 MPG on 2WD models.

WE'VE GOT YOUR BACK. AND FRONT. AND SIDES.

ADAPTIVE CRUISE CONTROL. This available feature enhances cruise control by allowing the vehicle to automatically follow a detected vehicle at the driver-selected following gap, reducing the need to frequently brake and accelerate.

FRONT AUTOMATIC BRAKING. If the system determines a front-end collision is imminent with a detected vehicle ahead, and the driver has not already applied the brakes, this available system automatically engages the brakes to help reduce the collision's severity. The system may even help avoid contact at very low speeds.

FORWARD COLLISION ALERT. This available feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Suburban is following a detected vehicle much too closely.

LANE KEEP ASSIST. At speeds above 37 mph, this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins changing lanes without the use of a turn signal.

SIDE BLIND ZONE ALERT. This available feature uses radar sensors on both sides of the vehicle to help "look" for other vehicles in your side blind zone areas and indicates their presence with LED-lit symbols in the exterior mirrors.

LANE CHANGE ALERT. Working with available Side Blind Zone Alert, available Lane Change Alert employs radar sensors in the rear quarter panels to help detect and alert the driver to fast-approaching vehicles in the adjacent lane from up to 230 feet away, not just in the side view mirror blind zones.

REAR CROSS TRAFFIC ALERT. Using the same radar sensors as the available Side Blind Zone Alert feature, available Rear Cross Traffic Alert helps alert drivers to approaching traffic when backing up. If an approaching vehicle is detected, the driver is warned with visual and audible alerts.

REAR VISION CAMERA. Standard on Suburban, the rear vision camera displays a view of the area immediately behind the vehicle on the 8-inch diagonal color touch-screen — making it easier to see what's behind you while backing up.

FRONT AND REAR PARK ASSIST. Ideal when pulling into a parking spot at low speeds, the available system senses stationary objects and warns you if an object is too close. As you shift into Reverse, the rear vision camera automatically displays a live image of the area behind the vehicle on the Chevrolet MyLink screen and includes guiding lines to help when backing up.

INTELLIBEAM HEADLAMPS. When oncoming headlamps are sensed or when taillamps are detected in front of you, the available IntelliBeam® high beam assist intuitively adjusts between low and high beams.

SAFETY ALERT DRIVER SEAT. The available Safety Alert Driver Seat uses directional vibration pulses from the seat cushion instead of audible crash avoidance alerts to help indicate the direction of potential collision threats. This patented warning approach is tied into other onboard avoidance systems.

THEFT PROTECTION PACKAGE. Protect your investment with the GM class-exclusive available Theft Protection Package that includes glass breakage sensors, interior motion detectors and a revolutionary inclination sensor that measures any tilt of the vehicle.

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Suburban Owner's Manual for more important safety information.

WHAT SUITS AN AMERICAN ICON?

These are just a few of the impressive features available for your 2016 Suburban. For a complete list of features and accessories, check out chevrolet.com.

Dealer-installed Black Bowtie Emblem available from Chevrolet Accessories.

- Chevrolet MyLink[3] Radio with Navigation: 8-inch diagonal color touch-screen display, Bluetooth audio streaming,[4] AM/FM/HD Radio with CD player, and GPS navigation system, includes 5 USB ports,[5] auxiliary input jack and Apple CarPlay compatibility[6]
- Bose® Centerpoint® Surround Sound premium 10-speaker audio system
- Keyless Access with Push-Button Start
- Power tilt and telescoping steering column
- Heated steering wheel
- Perforated leather-appointed seats
- Heated and cooled front bucket seats with 12-way power adjusters
- Heated second-row bucket seats with power release
- Power-folding 60/40 split-bench third-row seat
- 12 charging locations including a 110-volt power outlet, 5 USB ports,[5] 5 12-volt auxiliary power outlets and a wireless charging pad[9]

1 A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information. 2 Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. 3 Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. 4 Go to my.chevrolet.com/learn to find out which phones are compatible with the vehicle. 5 Not compatible with all devices. 6 Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible smartphone and data plan rates apply. 7 If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change. For more information about Travel Link and NavTraffic, visit siriusxm.com/infotainment. 8 Requires a compatible mobile device, active OnStar service and data plan. 4G LTE service available in select markets. Visit onstar.com for coverage map, details and system limitations. 9 The system wirelessly charges one PMA- or Qi-compatible mobile device. Plus, you get 5 years/60,000 miles (whichever comes first) of the 24/7 Roadside Assistance Program, the Courtesy Transportation Program, and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY GM vehicles registered in the USA are covered for 3 years/36,000 miles (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1.888.4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large SUV segment and latest available competitive information. Excludes other GM vehicles.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs.
