

2017 Prius c

TOYOTA | *Let's
Go
Places*

Get the most out of every day and night.

The city doesn't sleep when the sun goes down, and neither does the 2017 Toyota Prius c. Four models offer access to your music and your tech. Add great mpg to the mix and the fun never has to stop. An edgy new body kit and two-tone color scheme make it the center of attention, while the futuristic LED taillights ensure that you always leave an impression. A premium interior adds extra comfort, while the available Entune® App Suite¹⁰ and Siri® Eyes Free⁸ help keep you connected to your busy life. And its proven Hybrid Synergy Drive[®] is ready for many miles of eco-sensitive driving. Fun, vibrant colors like Blue Streak Metallic, Tangerine Splash Pearl³⁶ and Moonglow³⁶ help you find a Prius c that fits your style. Let's light up the night. Let's go places.

Prius c Four shown in Blue Streak Metallic with available 16-in. 8-spoke alloy wheels.
See numbered footnotes in Disclosures section.

—
“No plans, no agenda. Let's just see where the night takes us.”
—

More music, friends and fun. Stay connected to your world.

Don't miss a thing. Prius c makes it easy to stay connected to your friends, your tunes and your passions with available Entune™ Premium Audio with Integrated Navigation.⁹ Featuring the powerful Entune® App Suite,¹⁰ this available system lets you stream music with Pandora,¹¹ buy movie tickets with MovieTickets.com, listen to Internet radio with Slacker Radio, make dinner reservations with OpenTable® and more — all from the comfort of your Prius c. Standard Bluetooth^{®7} wireless technology seamlessly connects your phone and favorite playlists, so you never have to miss a call, or your favorite driving mix. It's just one more way Prius c helps fuel your passions 24/7.

TOUCH TRACER DISPLAY

This available feature places a duplicate image of the steering wheel controls on the Multi-Information Display. A quick glance at the display allows the driver to confirm which button is being pressed without having to look down at the steering wheel.

USB PORT³

With Prius c, you'll never find yourself without the right soundtrack for the drive. Equipped with both a USB port and an auxiliary audio jack, Prius c can handle almost any digital music device you can dish out.

ENTUNE™ PREMIUM AUDIO WITH INTEGRATED NAVIGATION⁹

This available technology helps you stay connected to your social network, locate fun spots in the city, listen to your favorite music and even make dinner reservations. Its thoughtful design and easy-to-read display help keep everything you need within reach.

Prius c Four interior shown in Black SofTex.®

An intelligent space that inspires big ideas.

Your world is full of possibilities — get comfy as you explore them all. Prius c offers a space that's tailored to you, with available SofTex®-trimmed seating that includes a 6-way adjustable driver's seat, and convenient tech like the available Smart Key System¹⁶ that makes it easy to get in and out. Of course, when things are this nice inside, don't be surprised when your Prius c becomes your crew's new hangout spot.

SOFTEX®

Available SofTex® seat trim material weighs approximately half as much as genuine leather, and its manufacturing process generates approximately 85% fewer CO₂ emissions and 99% fewer Volatile Organic Compounds (VOCs) than that of conventional synthetic leather.

CUP HOLDERS

Perfect for those morning coffee runs or late afternoon lattes, Prius c's cup holders keep your drinks nearby and secure. And with specially designed pockets in the doors, your water bottle can come along for the ride as well.

SMART KEY SYSTEM¹⁶ WITH PUSH BUTTON START

Turn on the fun. When the available Smart Key fob is close by, both the vehicle's front doors and its liftgate can be unlocked without using your key. And the engine starts with the push of a button.

INTERIOR

Prius c Four interior shown in Black SofTex.®

A flexible interior that adapts to your needs.

Prius c may look small, but it's filled with big ideas. Its sleek dash features available piano-black accents and a tray that keeps your must-have items within reach. Up top, the available moonroof lets in the night breeze and lets you take in the city lights. And with 5-door access and available 60/40 split fold-down rear seats, Prius c can comfortably take your friends or your DJ equipment out for a night out on the town.

5-DOOR FLEXIBILITY

You've got shows to perform and friends to get from place to place, and Prius c is ready to help you do that. In addition to four doors that open wide, a large rear liftgate provides unencumbered access to the rear cargo area.³⁴

HEATED SEATS

Available SofTex®-trimmed heated front seats add a premium feel to your drive. Whether you're headed home from a late-night event or headed to an early-morning meet-up, Prius c helps you stay comfortable.

60/40 SPLIT FOLD-DOWN REAR SEATS

Prius c offers available 60/40 split fold-down rear seats that are engineered to offer a variety of custom seating and cargo configurations.³⁴ Now you can find the perfect setup for all your passions.

PREMIUM INTERIOR

Prius c Four interior shown in Light Blue Gray SofTex.®

Fun and efficiency. It's easy to have both.

You've got to get from uptown to downtown, plus pick up a few friends on the way. Then you need to get everyone back home. Not a problem. Thanks to its proven Hybrid Synergy Drive® technology, Prius c is EPA-estimated at 48 mpg city.³⁵ Since you can get where you need to go while using less fuel, crosstown trips to that gourmet grilled cheese sandwich shop are easier on your wallet too.

EV¹⁵/ECO MODES

Prius c offers different modes for different types of driving. EV Mode runs solely on battery power for up to one-half mile at low speeds. ECO Mode helps maximize fuel economy.

DRIVE INFORMATION

The drive information screen provides helpful trip information, such as average speed, driving time, EV driving distance, cruising range and outside temperature.

ENERGY MONITOR

The energy monitor screen indicates the operation of the engine and hybrid system in real time. Hybrid Synergy Drive® employs the most efficient source of power.

ECO SAVINGS

ECO Savings allows drivers to measure their savings against a customizable comparison vehicle. The customizable data includes fuel cost per gallon and a miles-per-gallon average.

HYBRID TECHNOLOGY

Prius c Three shown in Tangerine Splash Pearl³⁶ with available moonroof.
See numbered footnotes in Disclosures section.

Safety features that are designed around you.

The road can be unpredictable. That's why Toyota created Toyota Safety Sense™ C (TSS-C).²⁰ Our Toyota Safety Sense™ C (TSS-C) system is an active safety package that combines Pre-Collision System (PCS);²¹ Lane Departure Alert (LDA)²² and Automatic High Beams (AHB)²³ to help assist you. TSS-C's comprehensive features create in-the-moment safety designed to support your awareness and decision-making on the road.

AUTOMATIC HIGH BEAMS (AHB)²³

Automatic High Beams allow for enhanced visibility, helping make nighttime driving safe. Using a camera to detect oncoming vehicles' headlights, Auto High Beams can switch between high and low beams for you.

PRE-COLLISION SYSTEM (PCS)²¹

This system helps you to avoid a potential frontal collision in certain situations by alerting you with audible and visual warnings, and automatically activating brake assistance. If you do not apply the brakes and the system determines a collision with another vehicle is very probable, the system may automatically apply the brakes, reducing speed in order to help you avoid a collision or reduce the impact.

LANE DEPARTURE ALERT (LDA)²²

Lane Departure Alert is designed to help you stay in your lane and help keep you safe from harm. Using a specialized camera, the system can detect the visible painted lane markings on the road and will alert you if you start to drift out of your lane. An audible beeping sound and indicator light on the instrument panel will flash so that you can then take corrective action.

SAFETY TECHNOLOGY

Prius c Three shown in Absolutely Red with available moonroof.

Peace of mind to make every drive more enjoyable.

Prius c helps look out for you in the big city with the standard Star Safety System,[™] a suite of six active safety features designed to help keep you safe. This advanced system includes Vehicle Stability Control (VSC);¹⁷ Traction Control (TRAC), Electronic Brake-force Distribution (EBD), Anti-lock Brake System (ABS), Brake Assist (BA)¹⁸ and Smart Stop Technology[®] (SST)¹⁹

LATCH

LATCH (Lower Anchors and Tethers for Children) helps protect the smaller members of your family. LATCH includes lower anchors on outboard rear seats and tether anchors on all rear seats.

NINE AIRBAGS²⁴

Prius c comes standard with nine airbags, including a driver and front passenger Advanced Airbag System. In a collision, the system senses impact severity and adjusts airbag deployment accordingly.

WIL SEATING²⁵

Whiplash-Injury-Lessening (WIL) seatback frames are engineered to yield in a controlled fashion, reducing the motion differential between the occupant's head and torso, and helping to lessen injury.

SAFETY TECHNOLOGY

Prius c Four shown in Absolutely Red with available 16-in. 8-spoke alloy wheels.

ONE

Exterior Features

- Single-LED projector low- and high-beam headlights
- LED tail and stop lights
- Front spoiler
- Side rocker panels
- Rear bumper fascia
- Power outside mirrors with turn signal indicators
- 15-in. 8-spoke alloy wheels
- Color-keyed shark-fin antenna
- Intermittent rear window wiper
- Black rear spoiler

Interior Features

- Entune™ Audio — includes the Entune™ Multimedia Bundle² (6.1-in. touch-screen display, AM/FM CD player, MP3/WMA playback capability, four speakers, auxiliary audio jack, USB 2.0 port³ with iPod®⁴ connectivity and control, advanced voice recognition,⁵ hands-free phone capability, phone book access and music streaming⁶ via *Bluetooth*®⁷ wireless technology) and Siri® Eyes Free⁸
- Automatic climate control
- 3.5-in. TFT Multi-Information Display with outside temperature, clock, fuel economy information, cruising range, odometer, trip distance, hybrid system information, Hybrid System Indicator, ECO Savings, ECO Score, energy monitor
- Fold-down rear seat
- Fabric-trimmed seats; 4-way adjustable driver's seat; 4-way adjustable front passenger seat
- Tilt/telescopic steering wheel with steering wheel controls
- Digital instrumentation with speedometer, fuel gauge, shift-position indicator, and EV¹⁵/ECO Mode indicators
- Remote keyless entry system with illuminated entry
- Power windows with driver-side one-touch auto up/down
- Glove compartment
- One front 12V auxiliary power outlet
- Front seat maplights

Safety Features

- Toyota Safety Sense™ C (TSS-C)²⁰ — Pre-Collision System (PCS),²¹ Lane Departure Alert (LDA)²² and Automatic High Beams (AHB)²³

TWO

Adds to or replaces features offered on ONE

Exterior Features

- 15-in. 8-spoke sculpted alloy wheels

Interior Features

- Entune™ Audio — includes the Entune™ Multimedia Bundle² (6.1-in. touch-screen display, AM/FM CD player, MP3/WMA playback capability, six speakers, auxiliary audio jack, USB 2.0 port³ with iPod®⁴ connectivity and control, advanced voice recognition,⁵ hands-free phone capability, phone book access and music streaming⁶ via *Bluetooth*®⁷ wireless technology) and Siri® Eyes Free⁸
- Fabric-trimmed two-tone seats; 6-way adjustable driver's seat; 4-way adjustable front passenger seat with seatback pocket
- 60/40 split fold-down rear seats
- Cruise control
- Soft-touch center console with armrest and storage compartment
- Cargo area tonneau cover
- Cargo area light
- Engine immobilizer²⁹

THREE

Adds to or replaces features offered on TWO

Interior Features

- Entune™ Premium Audio with Integrated Navigation⁹ and App Suite¹⁰ — includes the Entune™ Multimedia Bundle² (6.1-in. high-resolution touch-screen with split-screen display, AM/FM CD player with MP3/WMA playback capability, six speakers, auxiliary audio jack, USB 2.0 port³ with iPod®⁴ connectivity and control, advanced voice recognition,⁵ hands-free phone capability, phone book access and music streaming⁶ via *Bluetooth*®⁷ wireless technology), Siri® Eyes Free,⁸ Entune® App Suite,¹⁰ HD Radio,¹¹ HD Radio™ Predictive Traffic and Doppler Weather overlay, AM/FM cache radio, SiriusXM® Satellite Radio¹² with 3-month complimentary SiriusXM All Access trial, and Gracenote® album cover art. Access to Entune® App Suite¹⁰ is subscription-free. See toyota.com/entune for details.
- Entune® App Suite¹⁰ — includes Destination Search, iHeartRadio, Movietickets.com, OpenTable,⁹ Pandora,¹³ Facebook Places, Yelp® and Slacker Radio; real-time info including traffic, weather, fuel prices, sports and stocks. Access to Entune® App Suite¹⁰ is subscription-free. See toyota.com/entune for details.
- Touch Tracer Display
- Smart Key System¹⁶ on front doors and liftgate with Push Button Start and remote illuminated entry

Packages

- Deluxe Moonroof Package — includes power tilt/slide moonroof with sliding sunshade

FOUR

Adds to or replaces features offered on THREE

Exterior Features

- Integrated LED fog lights
- Heated power outside mirrors with turn signal indicators
- Power tilt/slide moonroof with sliding sunshade

Interior Features

- Integrated backup camera¹⁴
- SofTex[®]-trimmed seats with heated front seats; 6-way adjustable driver's seat; 4-way adjustable front passenger seat with seatback pocket
- SofTex[®]-trimmed tilt/telescopic steering wheel with steering wheel controls

Packages

- Upgraded Wheel Package — includes 16-in. 8-spoke alloy wheels with P195/50R16 tires

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the HV battery, battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. The HV battery may have longer coverage under emissions warranty. Refer to applicable *Warranty and Maintenance Guide* for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Prototypes shown. Actual production vehicles will vary.

See numbered footnotes in Disclosures section.

CARS BUILT FOR THE WAY YOU LIVE

At Toyota, we build cars for how you live. From building advanced safety features designed to help prevent crashes to driving cross-country to understand how we can make your driving experience better, our work starts with understanding your needs. Building cars for how you live also means thinking about tomorrow — from fuel efficiency and environmental innovations, to things beyond cars, like a bicycle that you can control with your mind. And because what we learn building cars can help improve lives in other places, we do things like help communities rebuild their homes quickly after a disaster and work with soup kitchens to help them serve more people faster. Toyota. Built for how you live. Together we are going places.

DISCLOSURES

1. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. 2. Entune™ is a trademark of Toyota Motor Corporation. Always drive safely, obey traffic laws and focus on the road while driving. Services vary by phone/carrier. Functionality depends on many factors. HD Radio,™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. 12. SiriusXM® services require a subscription after 3-month trial period. **Subscriptions governed by SiriusXM® Customer Agreement available at www.siriusxm.com. If you decide to continue your SiriusXM® service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel.** Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. 13. PANDORA®, the PANDORA® logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc., used with permission. 14. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 15. CAUTION! When driving a hybrid vehicle, pay special attention to the area around the vehicle. Because there is little vehicle noise in EV Mode, pedestrians, people riding bicycles or other people and vehicles in the area may not be aware of the vehicle starting off or approaching them, so take extra care while driving. EV Mode works under certain conditions at low speeds for up to one-half mile. See *Owner's Manual* for details. 16. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 17. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. 18. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, and tire and road conditions. See *Owner's Manual* for additional limitations and details. 19. Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for details. 20. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. Depending on the conditions of roads, weather and the vehicle, the system(s) may not work as intended. See *Owner's Manual* for additional limitations and details. 21. The TSS Pre-Collision System is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 22. Lane Departure Alert is designed to read lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 23. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. 24. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for further information/warnings. 25. Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. 26. The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for details. 27. This device is not a substitute for safe and attentive driving practices. It is the driver's responsibility to maintain a lookout for pedestrians, cyclists, other cars and objects, and to drive the vehicle in a safe and attentive manner to avoid making contact. 28. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. 29. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org. 30. Covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska. 31. Meets Tier 2/Bin 3 Federal emissions standard. 32. Hybrid vehicle battery expected life is 150,000 miles based on laboratory bench testing. 33. When equipped with optional 16-in. 8-spoke alloy wheels with P195/50R16 tires. 34. Cargo and load capacity limited by weight and distribution. 35. 2016 EPA-estimated mileage. Actual mileage will vary. 36. Extra-cost color. 37. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat. 38. The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details.
