There's a lot you can do, when there's nothing saying you can't.

Introducing the all-new 2014 Forester

The all-new Forester is all about potential. To do what you enjoy with those closest to you and to be there for those that need you. It's more efficient, achieving up to 32 highway MPG[1], bigger with a roomier cabin and more cargo room; more refined with upgrades inside and out; and more versatile with advanced Subaru Symmetrical AWD with available X-MODE™ featuring Hill Descent Control.

1 EPA estimated fuel economy for 2014 Forester 2.5i CVT at 32 highway MPG. Actual mileage may vary.

Forester 2.0XT Touring in Venetian Red Pearl with optional equipment.

More **Efficient**

Achieving up to 32 highway MPG,[1] the all-new Forester helps you do more while using less. And thanks to its Lineartronic® CVT, you'll get optimal MPG at every speed from its efficient SUBARU BOXER® engine.

More **Room**

With a roomier cabin and more cargo space, there's a lot to spread out in, while the all-new interior with richer materials, upgraded tech and reclining rear seats[2] make it more comfortable to ride in. Plus, there's an available power rear gate to give you hands-free access to it all.

More **Versatile**

Subaru Symmetrical All-Wheel Drive still helps you do it all with control and confidence and now the available X-MODE™ featuring Hill Descent Control helps you more easily navigate the steep, the bad and the slippery.

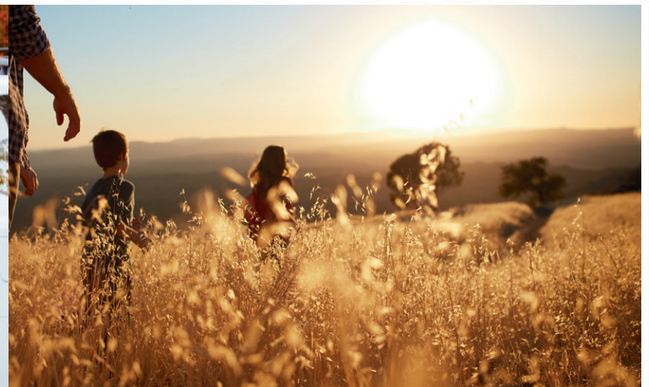

More **Protection**

An IIHS Top Safety Pick seven years running (2007–2013),[3] the all-new Forester now features our latest safety technology, the available EyeSight® driver-assist system,[4] and a driver's side knee airbag, bringing the total to seven standard airbags.[5]

Scan this page to watch how helpful the power rear gate can be.

1 EPA estimated fuel economy for 2014 Forester 2.5i CVT at 32 highway MPG. Actual mileage may vary.
2 Not available on base 2.5i.
3 Ratings based on Insurance Institute for Highway Safety's (IIHS's) 40-mile-per-hour moderate overlap frontal crash test, 31-mile-per-hour side-impact test, 20-mile-per-hour rear-impact test, and roof-strength test. For more information, contact IIHS or visit their website at www.iihs.org.
4 EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations.
5 Always wear seatbelts. Children should be properly restrained in the rear seat.

The Subaru Forester.

Forester 2.5i Limited in Marine Blue Pearl with accessory equipment.

Well planned. **Well connected.**

Forester 2.5i Touring with Platinum Leather.

All-new Interior

There's a lot to enjoy in the all-new Forester. Materials are richer, the cabin is roomier and the available larger panoramic moonroof gives everyone a wide-open feeling with a bigger piece of the sky. Technology has been upgraded, too. At 4.3 inches, the available full-color, multifunction display is larger and gives you more info such as vehicle settings, Rear-Vision Camera and the available EyeSight® driver-assist system.

There's also an available touchscreen navigation system to help you find your way. It includes the Aha™ connected service via the Subaru STARLINK™ system with seamless access to web content such as podcasts, internet radio, audiobooks and personalized restaurant and hotel searches.

Well planned. **Well connected.**

Forester 2.5i Touring with Platinum Leather.

New Auto-dimming Mirrors with Approach Light

Make it easier—and safer—to come and go with the new accessory Exterior Auto-dimming Mirrors with Approach Light[1].

When the doors are opened or unlocked with the key fob, L.E.D. lights on the side-view mirrors will help light the way, casting light on all four doors and the ground near the vehicle.

They can also help reduce headlight glare in traffic. When the Interior Auto-dimming Rearview Mirror detects excessive light from the rear of the vehicle, the side-view mirrors automatically dim, helping to keep the light out of your eyes. The brighter the light, the dimmer the mirrors and the better you'll be able to see.

1 Exterior Auto-dimming Mirrors with Approach Light are accessory equipment. Requires Interior Auto-dimming Rearview Mirror accessory.

Not Dimmed

Dimmed

More room and a lot more possibilities.

Scan this page to see how wide open things feel with the larger panoramic moonroof.

Forester 2.5i Touring with Platinum Leather.

There’s more to Forester than meets the eye.

EyeSight®

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight®[1] warns you, applies brakes to help avoid, and at lower speeds can even help you stop your Subaru.

Adaptive Cruise Control

Traffic doesn’t always flow, so EyeSight® doesn’t only keep a set speed. The system looks ahead and helps automatically adjust to keep your distance, even in stop and go highway traffic.

Pre-Collision Throttle Management

You put the car in Drive instead of Reverse. EyeSight® cuts power when it sees an object in your path to help you avoid accelerating into it.

Lane Departure and Sway Warning

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and chimes to warn you before you leave yours.

1 EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner’s Manual for complete details on system operations and limitations.

Scan this page to watch how EyeSight® works in the real world.

Forester 2.5i Touring in Marine Blue Pearl with optional equipment.

A turbocharged **taskmaster.**

Forester 2.0XT

Utility with just the right amount of sport, the Forester 2.0XT features a new turbocharged, direct-injected SUBARU BOXER® engine with 250 hp, achieving up to 28 highway MPG.[1] This smaller, yet more advanced engine is mated with a high-torque Lineartronic® CVT to help ensure peak MPG, while keeping things fun behind the wheel.

Pumping out that extra rush how you want it, are paddle shifters with 6- and 8-speed manual modes,[2] and Subaru Intelligent Drive (SI-DRIVE) that includes three distinctive performance modes for custom performance at the push of a button. On the outside, its more aggressive looks and larger 18-inch wheels reveal the fiercer side of the Forester 2.0XT.

1 EPA estimated fuel economy for 2014 Forester 2.0XT at 28 highway MPG. Actual mileage may vary.
2 8-speed manual mode with SI-DRIVE Sport Sharp (S#) setting.

Forester 2.0XT Touring in Ice Silver Metallic with optional equipment.

Do what you love and do it with ease.

Passenger Protection

Offering more protection than ever, the new Forester now includes the available EyeSight® driver-assist system,[1] a driver's side knee airbag[2] and the same safety engineering that has made it an IIHS Top Safety Pick seven years running (2007–2013).[3]

All-new Interior

A roomier rear seat and larger cargo area, now up to 74.7 cu. ft., give you more space to work with, while richer materials and a sophisticated design with upgraded tech give you much to enjoy.

Exceptional Control

The balance of the SUBARU BOXER® engine with the grip of Subaru Symmetrical AWD gives you the power to help avoid danger. That poise is combined with VDC electronic stability control, which can intervene to help you stay in control.

Increased Capability

Featuring Subaru Symmetrical AWD with available X-MODE,™ including Hill Descent Control, the new Forester is still exceptionally balanced and controlled, and now it's even better at handling steep inclines and rough or slippery roads. With a push of the button, X-MODE™ expertly manages the power going to all four wheels to deliver total control in almost any condition.[4]

Rewarding Technology[5]

A full-color, multifunction display is now larger at 4.3" and delivers access to vehicle info, settings, rear-view camera and more. There's also a 440-watt premium audio system with 8 Harman Kardon speakers and HD Radio™ to keep you entertained. The touchscreen navigation system includes the Aha™ connected service via the Subaru STARLINK™ system with seamless access to web content such as podcasts, internet radio, audiobooks and personalized restaurant and hotel searches.

Efficient and Clean

You'll get better MPG since the new Forester now achieves up to 32 highway MPG,[6] and you'll also leave less behind since every non-turbo Forester is Partial Zero Emission Vehicle (PZEV)-rated,[7] meaning it's one of the cleanest crossovers on the road.

1 EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. 2 Always wear seatbelts. Children should be properly restrained in the rear seat. 3 Ratings based on Insurance Institute for Highway Safety's (IIHS's) 40-mile-per-hour moderate overlap frontal crash test, 31-mile-per-hour side-impact test, 20-mile-per-hour rear-impact test, and roof-strength test. For more information, contact IIHS or visit their website at www.iihs.org. 4 X-MODE™ operates only at speeds of less than 25 mph. 5 Availability varies by model and trim level. 6 EPA estimated fuel economy for 2014 Forester 2.5i CVT at 32 highway MPG. Actual mileage may vary. 7 2014 Subaru Forester 2.5L models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Delaware, Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information.

Forester 2.5i Limited in Marine Blue Pearl.

"The 2014 Subaru Forester is more powerful, fuel-efficient and capable than ever."
— AutoTrader.com, November 2012

"Subaru has racked up more endorsements by independent arbiters of automotive quality and safety than just about any other manufacturer."[1]
— FORTUNE Magazine, December 3, 2012

"… the new model holds true to everything that the Forester already is, only with a lot more sophistication."
— thecarconnection.com, November 2012

"Most advanced active safety system in its class."[2]
— R.L. Polk & Co.

Forester 2.5i Touring in Ice Silver Metallic.

2014 Forester | Trim Levels

2.5i

- 170-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive
- 6-speed manual transmission or optional Lineartronic® CVT
- 17-inch styled steel wheels
- Cloth upholstery
- 6-way manually adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
- 4-speaker single-CD audio system with Bluetooth® connectivity and USB port/iPod® control
- Manually adjustable CFC-free air conditioning system with air filtration
- Analog gauges with LCD display
- 7 airbags

2.5i Premium

Includes 2.5i key features and adds:
- 17-inch aluminum-alloy wheels
- Panoramic moonroof[3]
- Raised roof rails: black finish
- 10-way power adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
- Reclining rear seatbacks
- 6-speaker single-CD audio system with HD Radio,™ Bluetooth® connectivity and USB port/iPod® control
- Enhanced color multifunction display
- Rear-Vision Camera
- Driver's auto up/down power window
- All-Weather Package[4]
- Privacy glass

2.0XT Premium

- 250-hp turbocharged 2.0-liter 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical All-Wheel Drive X-MODE™ with Hill Descent Control (HDC)
- Lineartronic® CVT (Continuously Variable Transmission) with manual-mode paddle shifters
- Sport-tuned suspension
- SI-DRIVE
- 18-inch aluminum-alloy wheels
- Panoramic moonroof
- Raised roof rails: black finish
- Cloth upholstery
- 10-way power adjustable driver's seat. 4-way manually adjustable front-passenger's seat.
- Reclining rear seatbacks
- Leather-wrapped steering wheel and shifter handle
- 6-speaker single-CD audio system with HD Radio,™ Bluetooth® connectivity and USB port/iPod® control
- Manually adjustable CFC-free air conditioning system with air filtration
- Analog gauges with LCD display
- Enhanced color multifunction display
- Rear-Vision Camera
- Driver's auto up/down power window

2.5i Limited

Includes 2.5i Premium key features and adds:
- Subaru Symmetrical All-Wheel Drive X-MODE™ with Hill Descent Control (HDC)
- Lineartronic® CVT (Continuously Variable Transmission)
- Fog lights
- Rear spoiler
- Auto-on/off headlights
- Leather-trimmed upholstery
- Automatic climate control system
- Leather-wrapped steering wheel and shifter handle
- Removable cargo-area tray
- Power rear gate with automatic close and height memory

2.5i Touring

Includes 2.5i Limited key features and adds:
- Body-color side mirrors with integrated turn signals
- High-resolution 6.1-inch touch-screen voice-activated GPS navigation system and integrated audio system with 8 Harman Kardon speakers, Subaru STARLINK™ system with Aha™ infotainment smartphone integration, HD Radio™ with iTunes® tagging capability, USB port/iPod® control, SiriusXM™ Satellite Radio[5] and NavTraffic,®[5] SMS text messaging capability, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack
- Analog gauges with LCD display and electroluminescent lighting
- Dual-zone automatic climate control system
- One-touch folding rear seatbacks

2.0XT Touring

Includes 2.0XT Premium key features and adds:
- Fog lights
- Body-color side mirrors with integrated turn signals
- Leather-trimmed upholstery
- High-resolution 6.1-inch touch-screen voice-activated GPS navigation system and integrated audio system with 8 Harman Kardon speakers, Subaru STARLINK™ system with Aha™ infotainment smartphone integration, HD Radio™ with iTunes® tagging capability, USB port/iPod® control, SiriusXM™ Satellite Radio[5] and NavTraffic,®[5] SMS text messaging capability, Bluetooth® audio streaming and hands-free phone connectivity, and 3.5-mm auxiliary jack
- Analog gauges with LCD display and electroluminescent lighting
- Dual-zone automatic climate control system
- One-touch folding rear seatbacks
- Power rear gate with automatic close and height memory
- All-Weather Package

Optional with Lineartronic® CVT. 5 Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your dealer.

2014 Forester | Specifications

Engine and Drivetrain		2.5i	2.0XT
Engine Power | Torque	2.5-liter DOHC aluminum-alloy 16-valve horizontally opposed SUBARU BOXER® engine with Active Valve Control System. 170 hp @ 5,800 rpm | 174 lb-ft @ 4,100 rpm	●	–
	2.0-liter DOHC intercooled, turbocharged aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER® engine with Dual Active Valve Control System. 250 hp @ 5,600 rpm | 258 lb-ft @ 2,000-4,800 rpm	–	●
SI-DRIVE performance management system	Subaru Intelligent Drive (SI-DRIVE) enables three distinctively different modes of vehicle performance characteristics by regulating the engine control unit (ECU), the transmission control unit (TCU) and by fine-tuning the electronically controlled throttle.	–	●
Manual Transmission	Fully synchronized 6-speed manual with Incline Start Assist. **2.5i** and **2.5i Premium**: Standard. **2.5i Limited**, **2.5i Touring**, **2.0XT Premium** and **2.0XT Touring**: Not available.	●	–
Automatic Transmission	Lineartronic® CVT (Continuously Variable Transmission) with Incline Start Assist and manual mode for 2.0XT models. **2.5i** and **2.5i Premium**: Optional. **2.5i Limited**, **2.5i Touring**, **2.0XT Premium** and **2.0XT Touring**: Standard.	○	●
CA Emissions		PZEV[1]	LEV2
Maximum towing capacity	1,500 lbs	●	●

Traction and Stability			
All-Wheel Drive type	Subaru Symmetrical All-Wheel Drive	●	●
X-MODE™	X-MODE™ optimizes engine output and transmission ratio position, increases all-wheel drive system engagement and uses enhanced control of the VDC system to reduce individual wheelspin, providing optimal traction at low speeds on low friction surfaces. **2.5i** and **2.5i Premium**: Not available. **2.5i Limited**, **2.5i Touring**, **2.0XT Premium** and **2.0XT Touring**: Standard.	○	●
Hill Descent Control (HDC)	X-MODE™ also incorporates Hill Descent Control that helps to maintain a constant vehicle speed when traveling downhill, enhancing vehicle control. **2.5i** and **2.5i Premium**: Not available. **2.5i Limited**, **2.5i Touring**, **2.0XT Premium** and **2.0XT Touring**: Standard.	○	●
Vehicle Dynamics Control (VDC)	Standard VDC electronic stability control utilizes sensors which constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver's intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.	●	●
Traction Control System (TCS)	VDC also incorporates an all-wheel, all-speed traction control system which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.	●	●

2014 Forester | Specifications

Fuel		2.5i	2.0XT
Fuel Economy	city/highway/combined[2]	Manual: 22/29/24 mpg Automatic: 24/32/27 mpg	23/28/25 mpg
Fuel Requirement		Unleaded gasoline (87 octane)	Premium unleaded gasoline recommended (91 octane. 93 octane for maximum performance.)

Chassis			
Steering	Electric power-assisted quick ratio rack-and-pinion. Turning circle: 34.8 feet	●	●
Suspension	4-wheel independent. **Front:** Strut-type with lower L-arm. Stabilizer bar. **Rear:** Double wishbone. Stabilizer bar. **2.0XT Premium** and **2.0XT Touring**: Sport-tuned.	●	●
Brakes	4-wheel disc. 4-channel, 4-sensor ABS with Electronic Brake-force Distribution (EBD). **2.5i**: Ventilated front. **2.0XT**: Ventilated front and rear.	●	●
Brake Discs (front/rear)	**2.5i**, **2.5i Premium**, **2.5i Limited** and **2.5i Touring**: 11.6 inches/10.8 inches. **2.0XT Premium** and **2.0XT Touring**: 12.4 inches/10.9 inches.	●	●
Brake Assist	When emergency braking is detected by how quickly the brake pedal is pressed, maximum brake pressure is immediately applied.	●	●
Brake Override System	If both brake and accelerator pedals are pressed simultaneously, the system reduces the operation of the accelerator pedal to help prevent unintentional vehicle acceleration.	●	●

● Standard ○ Optional — Not equipped □ Available dealer-installed accessory

1 2014 Subaru Forester 2.5L models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Delaware, Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information. 2 2014 EPA fuel economy estimates. Actual mileage may vary. 3 Not available with manual transmission. 4 Standard with manual transmission. Optional with Lineartronic® CVT. 5 EyeSight® Driver-Assist System, Keyless Access & Start and HID headlights may only be ordered in combination with each other. 6 Compatible smartphone and free Aha app required. Data provided by smartphone is displayed on navigation screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Aha is a trademark of HARMAN International Industries, Inc. Your wireless carrier's rates may apply. 7 Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your dealer. 8 EyeSight not available with Crystal Black Silica exterior color. EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. The Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. The Pre-Collision Throttle Management System is designed to reduce acceleration and minimize the severity of certain frontal impact. Adaptive Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving. The Lane Departure and Sway Warning operates only when the lane markings are visible and its effectiveness depends on many factors. See Owner's Manual for complete details on system operations and limitations. 9 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front and rear outboard passengers additional protection in moderate to severe frontal and side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat. 10 Requires optional All-Weather Package.

2014 Forester | Accessories

Heavy-duty Roof Cargo Basket. Mounts to vehicles with standard roof rails and is compatible with most genuine Subaru roof carriers for bikes, kayaks, skis and cargo carriers. Not applicable to vehicles with Fixed Cross Bar Set.

Aero cross bars shown with heavy-duty roof cargo basket.

Fog Light Kit. Casts a low and wide beam of light to enhance vision in inclement weather.

Cargo Tray. Tough, durable tray helps protect cargo area. Can be easily removed and rinsed clean.

Wheel Arch Moldings. Black textured moldings help protect the wheel arch areas, while adding a rugged yet classy look. Installation of wheel arch moldings also requires accessory splash guards.

Available later in 2013.

Side Window Deflectors. Let the fresh air in while helping to keep the weather out. Black acrylic plastic construction is designed specifically for an exact fit.

May not be legal in all states. Please check your state laws.

Moonroof Air Deflector. Helps reduce wind noise and sun glare when moonroof is open.

Cannot be used in conjunction with the Extended Roof Cargo Carrier.

Body Side Moldings. Color-matched moldings help protect vehicle doors from parking lot dings, while attractively blending with the lines of the car.

Splash Guards. Helps protect the vehicle's paint finish from stones and road grime.

Rear Bumper Cover. Helps protect the upper surface of painted rear bumper from scratches and dings.

Trailer Hitch. Rated at 176 lbs tongue weight with 1,500 lbs of towing capacity. Engineered to the same rigorous standards as the rest of the Forester.

Hitch Ball not included. Trailer brakes may be needed.

Remote Engine Starter. Allows vehicle to be started by pushing a button from the convenience of home or office (up to 400 feet away depending on obstructions) so that the vehicle interior is more comfortable upon entry. The start/stop button blinks to confirm the engine has started.

A/T only.

Remote Engine Starter—Smart Engine Start. Allows the vehicle to be started at the push of a button from outside the vehicle. Preset the heating or air conditioning controls to help bring the interior temperature to a more comfortable level prior to entry. Smart Engine Start works in conjunction with the Keyless Access & Start system. Operating distance is up to 75 feet depending on vehicle obstructions.

A/T only.

2014 Forester | Owner Benefits

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru dealership and other services are just a phone call away. And to protect you over the long haul, we offer Added Security®—extended service agreements and maintenance plans that will help protect your car for up to 7 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your dealer has full coverage details.

Warranties

Repairs to the following items will also be covered under Wear Item Limited Warranty:

- Brake Pads
- Wiper Blades
- Clutch Linings
- Transmitter Batteries

Rust Perforation Limited Warranty
5 years, unlimited mileage.

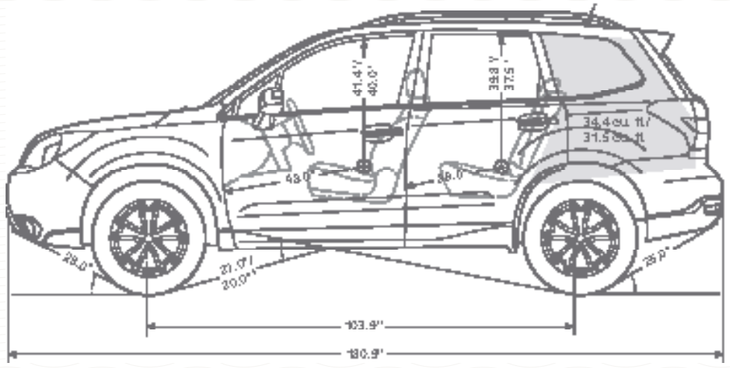

Subaru Badge of Ownership

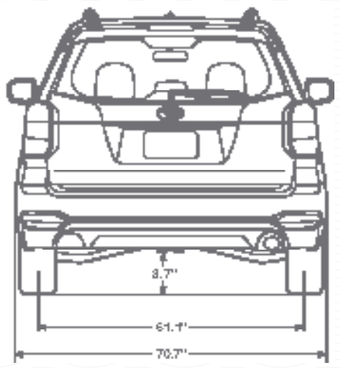

True commitment shows through. For Subaru owners, it shows in kayak scuffs and snowboard scratches. It can take the form of dog hair that just won't come out, fresh coats of dust, or extra coats of wax. For many, the Subaru Badge of Ownership lets them show their commitment to the life they live and the confidence that has inspired them to fully embrace it. Owners can order badges online for free, stick them on their car, and let everyone know how they experience the world. Which one would you get?

Responsible. Reliable. Ready to join the family.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it's why 96% of all the vehicles we've built in the last 12 years are still on the road today.[1] We also share your desire for a cleaner, greener world. Every 2014 non-turbo Forester and Impreza, XV Crosstrek and select Outback and Legacy models achieve Partial Zero Emission Vehicle—PZEV[2]—status, because of their exceptionally low emissions. What's more, in 2004 Subaru of Indiana Automotive, Inc., (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill.

Find out more about our efforts to keep it cleaner and greener.
subaru.com/environment

1 Based on Polk U.S. Vehicles in Operation registration information for MY 2001–2013 as of January 2013. 2 2014 Subaru Forester 2.5L models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Delaware, Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information.
