2018 MKZ

REDEFINING THE LUXURY EXPERIENCE

At Lincoln, we believe that luxury extends far beyond material possessions. Which is why, along with the intuitive features and luxury appointments of your MKZ, you will receive an exclusive collection of services we call the Lincoln Way.™ These liberating benefits are designed to help uncomplicate your life. Making each day more effortless – and empowering you to soak up every brilliant, wonderful moment along the way.

IT'S WELCOMING EMBRACE MARKS YOUR ARRIVAL

When you are away, your MKZ patiently awaits your return. Then it invites you in, by gracefully illuminating as you approach with your key fob. Its exterior signature LED lamps fade on in recognition, while luminous welcome mats appear on the ground near its doors. LED lamps in the door handle pockets glow with an intensity that's fine-tuned to the exterior color. Inside, ambient lighting[1] puts on a show until you press the pulsating engine start/stop button. And after you close the door and relax into your Comfort seat, MKZ deploys the autofold[1] sideview mirrors with memory to your personalized settings. It's been expecting you.

[1]Available feature.

POWERFULLY POISED

MKZ is a driver's car with the desire to excite, and the ability to deliver. Equipped with one of the most powerful engines Lincoln has ever produced – the Twin-Turbocharged 3.0-liter V6[1] – MKZ puts an impressive amount of horsepower and torque at your disposal. To take control of the 6-speed SelectShift® automatic transmission, just tap its steering wheel-mounted paddle shifters whenever the mood strikes. For the ultimate MKZ driving experience, combine the 3.0-liter with Intelligent all-wheel drive (AWD)[1,2] and the Driver's Package, which features Dynamic Torque Vectoring.

EXHILARATING EFFICIENCY

Get the kind of performance you might expect from a V6, with the Turbocharged 2.0-liter I-4 on MKZ. Twin-scroll turbocharging helps it produce plenty of horsepower and torque on command, while direct fuel injection and twin-independent variable camshaft timing (Ti-VCT) contribute to its efficiency. Equipped with the 2.0-liter, MKZ has an EPA-estimated rating of 31 hwy mpg.[4] This spirited engine is paired with the 6-speed SelectShift automatic transmission and your choice of front-wheel drive or Intelligent AWD.[1,2]

HYBRID REWARDS – NO EXTRA CHARGE

The only hybrid in its class[5] with the same starting price as its gas-powered counterpart, MKZ Hybrid has a best-in-class EPA-estimated rating of 41 city mpg.[4] It can travel in purely electric mode at speeds up to 85 mph, and switches seamlessly between the Atkinson-cycle gas engine and an electric traction motor as needed. It also charges its own lithium-ion battery – no need to plug it in. To help maximize efficiency, the Regenerative Braking System can capture up to 90% of the brake energy that would normally be lost and repurpose it as power.[6] Plus, a SmartGauge® instrument cluster with EcoGuide helps you strive for maximum fuel economy.

Actual mileage will vary. EPA-estimated rating of: 41 city/38 hwy/40 combined mpg, 2.0-liter HEV. Actual mileage will vary. [5]Class is Luxury Midsize Hybrid Sedans based on Lincoln segmentation. Excluding Plug-In Hybrid vehicles. [6]Results may vary depending on driving habits.

BECOME ONE WITH THE ROAD

Imagine yourself gliding along, calmly in command. MKZ can take you there, courtesy of its Lincoln Drive Control featuring Adaptive Suspension, which helps isolate your vehicle from road imperfections. To personalize your ride, explore each of the 3 drive modes: Comfort, Normal and Sport. With any of them, Electric Power-Assisted Steering (EPAS) provides steering response and feedback that help you feel confident behind the wheel.

GLIDE EFFORTLESSLY

For outstanding all-around performance, pair the Twin-Turbocharged 3.0-liter V6 engine[1] with Dynamic Torque Vectoring[1,2] and Intelligent all-wheel drive (AWD).[1,3] This duo of technologies can send up to 100% of the available rear-axle torque to the outside rear wheel while cornering to deliver a smooth and seamless driving experience. Combined with the 3.0-liter's 400 horsepower and 400 lb.-ft. of torque,[4] they provide a thrilling ride.

CORNER CONFIDENTLY

[1]Available feature. [2]Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. [3]Turbocharged engines only. [4]Horsepower and torque ratings achieved with 93-octane fuel.

DISCOVER YOUR OASIS

While designing this beautiful environment, Lincoln artisans scrutinized every aspect of it. They studied the look, feel and performance of many elements with the intention of creating an elegant, soothing space for you. MKZ welcomes you by adjusting the Comfort power driver's seat, power[1] tilt/telescoping steering column and heated sideview mirrors to your personalized settings.

For a luxurious grip on your driving, the hand-stitched steering wheel is wrapped in Wollsdorf pure cowhide leather from Central Europe and the Alpine region. To help block the harsh rays of the sun, a power rear-window sunshade[1] is easily deployed from the driver's seat. And to create the serene sanctuary you'll appreciate for years to come, a selection of aluminum, real wood[1] or carbon-fiber[1] trim puts the finishing touch on your MKZ interior.

[1]Available feature.

NURTURE
AN AFFINITY FOR SERENITY

Settle in and relax. Take a moment to open the fully retractable panoramic glass roof.[1] You'll enjoy it in every season from the comfort of your heated and cooled[1] front seats trimmed in luxurious Bridge of Weir™ leather.[1] MKZ is the only vehicle in its class[2] that can help you melt away stress and muscle fatigue with the Active Motion® massage functionality of its multicontour front seats.[1] The acoustic experience stands out as well. From its aerodynamic sideview mirrors helping to deflect wind noise, to the multilayer door seals and sound-absorbing materials throughout its body, MKZ is designed to help keep road noise at bay. Plus, Active Noise Control enhances cabin ambiance and helps to refine engine sound. Peace and quiet await – inside MKZ.

[1]Available feature. [2]Class is Luxury Midsize Sedans based on Lincoln segmentation.

LINCOLN
SYNC® 3

Feel free to speak your mind. MKZ listens. With its SYNC 3 enhanced voice-activated technology,[1] you can control calls, music and more with just a touch and your voice. You'll find audio, phone, navigation[2] and other features concisely presented on the responsive touchscreen in the middle of your instrument panel. SYNC AppLink®[3] lets you control compatible mobile apps by voice. Plus, seamless integration with Siri® Eyes Free brings the power of your paired iPhone® into your vehicle. SYNC 3 also includes Apple CarPlay™ compatibility[4] and Android Auto™ compatibility.[4] The Voice-Activated Touchscreen Navigation System[2] features vivid 3-D maps with pinch-to-zoom capability. And automatic updates over Wi-Fi[5] provide the latest SYNC 3 software as new updates become available.

Passengers can connect up to 10 devices at a time using the 4G LTE Wi-Fi hotspot capability of new Lincoln Connect.™[6] Let them surf the web, stream music and more while you're on the go, and up to 50' away from the vehicle when it's parked. For help making the most of this or any other MKZ feature, remember your Lincoln Concierge is available 24/7.

STAY CONNECTED WITH VOICE-ACTIVATED SIMPLICITY

REVEL® by HARMAN

Music has the power to calm and soothe... invigorate and liberate. Whatever your preference, our expertly engineered Revel® and Revel Ultima® audio systems[2] can deliver a level of precision and musical accuracy you won't just hear – you'll feel. It's as if you're seated in the "Audience" or right up "On Stage" when you use the personalized listening modes.

Enjoy outstanding, multi-dimensional sound in every seat courtesy of Revel Waveguides, QuantumLogic® Surround sound technology, and advanced cabin correction tuning. The 20-speaker Revel Ultima audio system uses patented Clari-Fi™ music restoration technology to enhance satellite radio, streaming services, MP3s and other digital sources – for clear, crisp, wide, dynamic sound.

INTENSIFY YOUR AUDIO ENJOYMENT

[1]Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. [2]Available feature. [3]Certain restrictions, 3rd-party terms, or message and data rates may apply. See your Lincoln Dealer for details. Commands may vary by phone and AppLink software. [4]Requires phone with active data service and compatible software. SYNC 3 does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. [5]Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. [6]See footnote 1 on "Your 2018 MKZ Standard Features" page, and your Lincoln Dealer for details.

TECHNOLOGIES
HELP
SIMPLIFY
YOUR DAY

ADAPTIVE CRUISE CONTROL WITH STOP-AND-GO[1,2] – Certain driving situations can get tedious. When highway cruising or in lower-speed traffic, this system is designed to eliminate the need for constant adjustments. You simply set the speed, and the system can adjust to maintain your choice of 4 preset gaps from the vehicle in front of you, even following it to a complete stop.

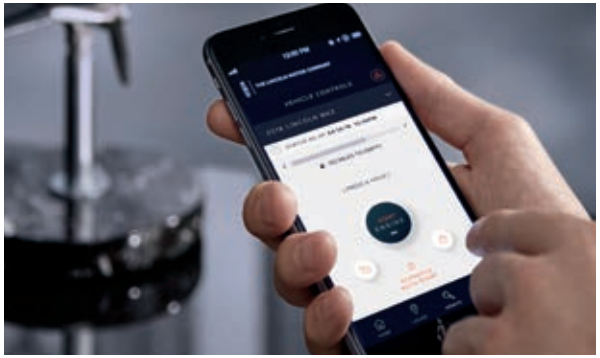
AUTO HOLD[1] – You don't need to hold down the brake pedal for long stoplights or extended waits in MKZ. Just activate Auto Hold, then come to a complete stop. Even on a hill, the system can hold the vehicle in place until you press the accelerator.

LANE-KEEPING SYSTEM[1,2] – If you start to drift out of your lane, this technology can help alert you. Using a forward-facing camera to detect road lane markings, the system can apply steering wheel torque and even alert you with a steering wheel vibration to help direct you to return to your lane.[3] If it detects that you've crossed the line repeatedly, it can prompt the Driver Alert System[1,2] to chime and display a coffee cup image to remind you that it's break time.

ENHANCED ACTIVE PARK ASSIST[1,2] – For help parallel parking or backing into a perpendicular spot, simply activate this system. It uses ultrasonic sensors to help you locate an appropriate space, then steers MKZ into it. All you do is follow on-screen prompts and control the shifter, brake and accelerator pedals. It can steer out of parallel spots, too. For more help with maneuvering, the Forward[2] and Reverse Sensing Systems[1] can alert you to objects near the front or rear of your vehicle. Plus, a rear view camera[1] is standard on every MKZ.

BLIS® (BLIND SPOT INFORMATION SYSTEM) WITH CROSS-TRAFFIC ALERT[1,2] – Some vehicles may be out of your line of sight, but they can be detected by this technology. It warns you if it detects a vehicle in your blind spots while driving forward, or approaching from the sides while in Reverse.

PRE-COLLISION ASSIST WITH PEDESTRIAN DETECTION[1,2] – Using camera and radar technology, the system can monitor your vehicle's proximity to other vehicles and pedestrians. If a potential collision is detected, it can alert you and, if needed, it can help provide full responsiveness when you brake. If the system determines a collision is imminent, Active Braking may automatically apply full braking.[4]



THE LINCOLN WAY™ APP[5] **AND LINCOLN CONNECT™**[6] – Together, they provide effortless control of your mobility. Simply download the app to your mobile device, then use it to start your vehicle remotely, schedule a recurring daily or weekly start time, locate your vehicle, remotely lock or unlock its doors and more. The app is also an easy way to reach our Lincoln Concierge team. They're always ready to assist you with personalized vehicle solutions, roadside assistance and more.

[1]Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. [2]Available feature. [3]Lane-Keeping System does not control steering. [4]Pre-Collision Assist with Pedestrian Detection can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations. [5]The Lincoln Way app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply. [6]Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnote 1 on "Your 2018 MKZ Standard Features" page, and your Lincoln Dealer for details.

DESIGNED TO BE DRIVEN

Time is precious. Spend yours wisely – taking to the road in a ride with looks designed to make hearts race. The new Magnetic Appearance Package features 19" 10-spoke machined aluminum wheels with premium painted pockets and satin finish, paints your upper grille Light Magnetic, and tops your brake and accelerator pedals with race-inspired aluminum covers. It's an easy way to give your MKZ standout styling.

Want to show the road who's boss? Conquer every curve with the sport-tuned suspension and Dynamic Torque Vectoring[1] of MKZ with the Driver's Package. You'll also get Ebony-painted brake calipers, plus the sporty wheels and painted upper grille of the Magnetic Appearance Package. Inside, you get the high-energy look of Ebony and Touring White leather-trimmed seats, carbon-fiber accents and aluminum-topped pedals, plus the comfort of multicontour front seats with class-exclusive Active Motion® massage functionality. Welcome to "you" time.

[1]Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

Lincoln Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 4-year/50,000-mile New Vehicle Limited Warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. LLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Lincoln Dealer for details and/or a copy of all limited warranties. [1]Lincoln Licensed Accessory.

LINCOLN PROTECT™ EXTENDED SERVICE PLANS

Insist on genuine Lincoln Protect extended service plans, whether you purchase or lease your Lincoln vehicle. Lincoln Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Lincoln and honored at all Lincoln dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Lincoln Protect extended service plans.

ROADSIDE ASSISTANCE FOR LIFE

We'll be there for you as long as you own your Lincoln – with 24-hour/7-day-a-week assistance nationwide.[1]

LINCOLN AUTOMOTIVE FINANCIAL SERVICES

Whether you decide to purchase or lease, you'll find a plan designed to fit your individual needs. Visit LincolnAFS.com or your Lincoln Showroom to explore your financing options.

BUMPER-TO-BUMPER WARRANTY

Be assured that your Lincoln is covered for 4 years/50,000 miles.[2]

LUXURY VALIDATION

In order to provide a highly refined MKZ ownership experience, the Lincoln Luxury Validation Center meticulously inspects the materials, craftsmanship, fit and finish, and function of each MKZ that leaves our manufacturing facility. This process ensures that it meets Lincoln standards in every way, before you see that it meets yours.
