'13 BUICK ENCLAVE

LUXURY SHOULD TAKE YOU PLACES. PERHAPS TO A NEW STATE OF MIND.

TODAY,
CASUAL FRIDAYS CAN HAPPEN EVERY DAY.
YOUR FORMAL DINING ROOM MAY HAVE GONE INFORMAL.
AND JEANS JUST MIGHT BECOME YOUR BLUE SUIT.

THIS IS A NEW APPROACH TO LIVING AND TO LUXURY.
WHERE INVITATIONS AREN'T ENGRAVED, THEY SIMPLY SAY,
"COME AS YOU ARE." THIS IS A STYLE THAT FITS YOU.
IT'S YOUR KIND OF LUXURY.

Vehicles shown may contain optional equipment.

We took everything that made Enclave the finest luxury crossover ever—and kept going. For 2013, design, spaciousness, technology and peace of mind arrive at a new place. Your first glance reveals artfully sculpted lines flowing seamlessly from front to rear and back again. How you see the world is highlighted by new signature LED-accented headlamps and taillamps. They help illuminate Enclave's design as well as the road. While inside, a new feeling of openness welcomes you; Buick IntelliLink,[1] an interactive audio system, entertains you and your companions; and several new safety features elevate your sense of well-being. Come discover all this and much more.

WE COULDN'T LEAVE GREAT ENOUGH ALONE.

[1]Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity.

No matter which color or wheel you choose, Enclave will reflect your personality and style. So go ahead and select the one that says "drive me home."

THE LOST ART OF CONVERSATION IS SUDDENLY FOUND.

Enclave leaves outside noises where they belong. Its QuietTuning technology helps reduce, block and absorb noise and vibration, so you're left with the ideal environment for conversation or whatever sounds good to you. Nothing stands between your ears and the available Bose® 10-speaker Sound System. Engineered specifically for the Enclave cabin, music sounds full and detailed, speech sounds natural and the system even approaches live performance levels without distortion.

Slide in and discover a new "low and away" instrument panel that creates a sense of wide-open space. Its soft-to-the-touch feel makes you want to run your hand across its surface, while your eyes are treated to distinctive wood tones, chrome accents and ice-blue ambient lighting. Enclave is built around comfort for short trips to the store or long journeys across the country. The driver and front-passenger seats offer optional heating and cooling and are power adjustable up to eight directions, including lumbar, so you can tailor Enclave's comforts to fit yours.

YOU'VE BEEN BUMPED TO FIRST CLASS.

TURN ENCLAVE INTO YOUR FAVORITE ENTERTAINMENT VENUE.

Enclave lets you personalize your listening options. Call up music, news, sports and other features—just by saying the word. Your voice is all you need to control the Buick IntelliLink[1] interactive audio system and even make hands-free calls. Using Bluetooth,[2] it connects your compatible smartphone to a high-resolution touch-screen. With the ease of advanced voice recognition (or steering-wheel-mounted controls), you have access to audio apps on your phone such as Pandora® internet radio or Stitcher™ SmartRadio, and SiriusXM satellite radio[3] (with 3-month trial). IntelliLink also easily stores your mobile phone contacts. There's even a USB port[4] to connect your iPhone® or digital music player. You're doing all of this while keeping your hands on the wheel and eyes on the road.

[1]Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates apply. [2]Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle. [3]If you subscribe after your trial period, *subscriptions are continuous until you call SiriusXM to cancel.* See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. [4]Not compatible with all devices.

IT'S GOT YOUR BACK, AND YOUR SIDES, TOO.

Enclave's Rearview Camera System—conveniently located in the center-mounted information screen—gives you a heads-up of what's behind you. The new available Rear Cross Traffic Alert makes you aware of oncoming traffic when backing up, while the optional Side Blind Zone Alert[1] uses radar to warn you when a vehicle is in your side-mirror blind spot. And in an industry first, the driver's seat side-mounted front center air bag[2] adds another layer of protection by providing cushioning between you and your front passenger to help reduce injuries in side impacts.

Enclave also includes high-intensity discharge xenon headlamps with an available articulating feature to help you see around curves and beyond corners. And with OnStar[3] Directions & Connections plan, standard for 6 months, Automatic Crash Response can get you help fast even if you can't ask for it. Plus, with the OnStar RemoteLink[4] smartphone app, you have access to real-time info (fuel level, remaining oil life, tire pressure,[5] etc.) about your Enclave. You're also able to perform commands like starting the vehicle and unlocking its doors from almost anywhere.

[1]Before making a lane change, always check the Side Blind Zone Alert display, check side and inside rearview mirrors, look over your shoulder for vehicles and hazards and start the turn signal. [2]Air bag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained. [3]Visit onstar.com for coverage map, details and system limitations. OnStar acts as a link to existing emergency service providers. Services vary with conditions. [4]Requires active OnStar subscription, which is standard for 6 months, and select iPhone,® Android™ or BlackBerry® platforms. [5]Does not apply to spare tire.

FIND YOURSELF THERE.

Find exactly what you're looking for with the available voice- and touch-screen-activated Navigation System,[1] which is a helpful addition to the IntelliLink[2] audio system. It offers directions to over 6 million miles of North American roads. To avoid trouble, optional NavTraffic[3] (with 3-month trial of SiriusXM) incorporates real-time traffic and road conditions right into your NAV screen, directing you toward the most efficient route.

[1]Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. [2]Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. [3]If you subscribe after your trial period, *subscriptions are continuous until you call SiriusXM to cancel.* See SiriusXM Customer Agreement for complete terms and geographic limitations at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change.

ATTRACTS QUITE A CROWD.

Thanks to three rows of first-class seating, you and six of your friends and their carry-ons get to share all of this space. Choose available eight-passenger seating, and more definitely becomes merrier. With Smart Slide, getting to the third row is painless—the second-row seats easily slide forward using only one hand. Enclave offers lots of flexible cargo space. With all rows up, you still have 23.3 cubic feet[1] behind the third row for picnic supplies. Flip the third row down and 68.9 cubic feet[1] is enough room for travel gear to outfit a family of four. Gain even more space by lowering the second row and now you've got 115.2 cubic feet of level storage[1]—plenty of room for skis or bikes, shopping sprees and anything else you can't live without. And to get to all of this space, a power liftgate does the lifting for you.

[1]Cargo and load capacity limited by weight and distribution.

DON'T JUST HIT THE ROAD. OUTSMART IT.

When conditions—weather or otherwise—demand more traction, Enclave's available All-Wheel-Drive (AWD) system doesn't ask you to push buttons. It's automatically activated when you need it most. It constantly monitors traction at all four wheels, so whenever it detects slip, power is delivered to the wheel(s) with the best grip. In low-traction situations—like rain, sleet or snow—it can send up to 50 percent of engine torque to either front wheel and up to 85 percent to either rear wheel. And on dry roads, performance and handling benefits like enhanced acceleration and torque reach all four wheels. Power comes from a 3.6L V-6 with direct fuel injection, variable valve timing, 288 hp and 270 lb-ft of torque. It's paired with an electronically controlled 6-speed automatic transmission, for optimal efficiency[1] and performance.

Enclave's design theme is a relaxed one. Beyond its warm wood tones and brushed metal, you'll find French seam stitching that highlights available leather seating surfaces — infused with silk and perforated for breathing and sound deadening — in the first and second rows. Everyone can enjoy Enclave's luxury seating, the result of 1,400 hours of real-world testing. So now all you need to do is choose the color palette that feels right.

LUXURY IS IN THE EYE AND FINGERTIPS OF THE BEHOLDER.

In Enclave, your sense of style is richly rewarded. Highly crafted premium materials like available leather-appointed seating, smoked chrome accents and warm wood tones surround you in style. Now select from the leather or cloth combinations that suit your taste.

FOR YOUR VIEWING PLEASURE.

Enclave brings the outside in with an available power sunroof and a companion 3-foot by 4-foot skylight. The sunroof tilts up or slides open while the skylight offers a sunshade to control all those rays. Second- and third-row passengers will enjoy the available DVD Rear-Seat Entertainment System with Bose 5.1 surround sound, an 8-inch LCD flat-screen monitor and two pair of wireless headphones, plus a handy remote control. We also made sure it's easy and convenient to connect your music player or smartphone by placing an audio jack and USB port[1] close by. Connect your phone to the USB port and you can store it out of sight in the center console cubby bin, then control it with your voice or from the radio or steering wheel. All the while, ice-blue ambient lighting is adding inviting illumination to the Enclave's spacious cabin.

IMPORTANT WORDS ABOUT THIS CATALOG

Since some information may have been updated since the time of printing (October 2012), please check with your Buick dealer for complete details. Buick reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

NEW-VEHICLE LIMITED WARRANTY. This warranty is for GM vehicles registered in the U.S.A. See your Buick dealer for terms and conditions.

A 6-year/70,000-mile (whichever comes first) Transferable Powertrain Limited Warranty plus Roadside Assistance and Courtesy Transportation.

Covered for 4 years/50,000 miles (whichever comes first): The complete vehicle | Cosmetic corrosion resulting from defects | Tires | Repairs made to correct any vehicle defect | Towing to your nearest Buick dealership | No charge for most warranty repairs.

Covered for 6 years/100,000 miles (whichever comes first): Rust-through corrosion.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES. Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

ASSEMBLY. Buick vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Buick vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

ENGINES. Buick products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Buick products may also be used in other GM makes and models.

TRAILERING AND OFF-ROAD DRIVING INFORMATION. Please go to buick.com and carefully review the vehicle Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

FLEET ORDERS. Some standard content may be deleted with fleet orders. See dealer for details.
