

# 2018 QASHQAI®

Innovation that excites

## NISSAN INTELLIGENT MOBILITY

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

### NISSAN QASHQAI®

Isn't it time you were passionate about the vehicle you drive? Welcome to the 2018 Qashqai.

Follow Nissan Canada on:

Innovation that excites

Models built after March 2018.

**TAKE ON** adventures downtown and weekends out of town with progressive style, a commanding point of view, and available tech that helps watch out for you. Merge into traffic with complete confidence. No detours, potholes, or street-parking-only restaurants can hold you back. The 2018 Nissan Qashqai.<sup>®</sup> Built around you, fit for **YOUR CITY.**

Nissan Qashqai<sup>®</sup> SL AWD shown in Nitro Lime.

## SMART PREMIUM

The intuitively laid-out Qashqai® interior is designed to keep up with your life, while generous head and leg room keep the crew happy on longer trips. And thoughtful details, like stitching on the seats and doors, give the space a handcrafted feel.

NISSAN INTELLIGENT MOBILITY

# STREET-SAVVY, ADVENTURE-READY

## INTELLIGENT CRUISE CONTROL

Keep pace with the flow of traffic with just the push of a button. Unlike traditional systems that only maintain a set speed, Intelligent Cruise Control also helps maintain an adjustable set distance between you and the car in front of you. As traffic slows down or speeds up, Qashqai® can respond accordingly.<sup>1,2</sup>

## INTELLIGENT ALL-WHEEL DRIVE

Intelligent All-Wheel Drive is so responsive, it can adapt to changing conditions 30 times faster than the blink of an eye. Snow, rain-covered pavement, or tight turns, the system automatically sends power to the wheels that need it most.<sup>1</sup>

## ECO MODE AND SPORT STEERING

Qashqai gives you the power to switch things up. Low on gas and late for work? Eco Mode adjusts engine and transmission response to maximize fuel efficiency. And for those days you just want to play, activating sport steering sharpens steering response to rev up your senses.

U.S. instrumentation shown.

<sup>1</sup>Available feature. <sup>2</sup>Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. <sup>3</sup>Provincial laws may apply; review local laws before using.

## COLD-WEATHER FEATURES

**QUICK COMFORT® HEATED FRONT SEATS**  
Standard Quick Comfort® heated front seats not only take the edge off a chilly morning, they feel great on your back in any weather.

**HEATED STEERING WHEEL**  
Gone are the days of leaving your gloves on in the car, thanks to the heated steering wheel.<sup>1</sup>

## REMOTE ENGINE START SYSTEM WITH INTELLIGENT CLIMATE CONTROL

On hot days, the Remote Engine Start System with Intelligent Climate Control can adjust temperature and airflow for a quick cool-down.<sup>1,3</sup>

On cold days, the system can adjust airflow to warm up the cabin, defrost windows and windshield, and even turn on the heated steering wheel and outside mirrors.<sup>1,3</sup>

## A BOLDER RIDE THROUGH LIFE

Nissan Intelligent Mobility transforms your Qashqai® into a responsive partner, for a more connected, confident, and thrilling drive.<sup>1</sup>

### Intelligent Emergency Braking with Pedestrian Detection

Intelligent Emergency Braking with Pedestrian Detection monitors your speed and distance between you and the car ahead, and can let you know if you need to slow down. It can even automatically engage the brakes to help avoid a frontal collision or lessen the severity of an impact. And when it detects a pedestrian in the crosswalk, it can stop you in your tracks.<sup>2,3</sup>

### Blind Spot Warning

Blind Spot Warning helps you change lanes with confidence. It keeps an eye on the blind spot area and gives you a heads-up if it detects a vehicle hiding there.<sup>2,4</sup>

### Rear Cross Traffic Alert

Rear Cross Traffic Alert helps you back out of a space more safely. It watches around the rear of your Qashqai, and can warn you about cars it detects creeping up on you from either side.<sup>2,5</sup>

### Lane Departure Warning/Intelligent Lane Intervention

Lane Departure Warning helps makes sure you change lanes only when you mean to. If the system detects that you're unintentionally drifting over, it'll give you a heads-up. Intelligent Lane Intervention helps keep you in your lane. It taps the brakes to help gently guide you back if it detects that you're unintentionally straying out of your lane for too long.<sup>2,6</sup>

<sup>1</sup>Availability of features varies by model year, model, trim, and package. <sup>2</sup>Available feature(s). <sup>3</sup>IEB with Pedestrian Detection is not a replacement for responsible driving. May not provide warning or braking in certain conditions. Speed and other limitations apply. See Owner's Manual for details. <sup>4</sup>BSW is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. <sup>5</sup>RCTA is not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. <sup>6</sup>LDW and ILI operate only when the lane markings are clearly visible. Speed and other limitations apply. See Owner's Manual for details. <sup>7</sup>Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. **Driving is serious business and requires your full attention.** Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Horn feature in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** <sup>8</sup>Use the Text Messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. <sup>9</sup>Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPhone® is a registered trademark of Apple, Inc. All rights reserved. iPhone® or other external device not included. <sup>10</sup>Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. <sup>11</sup>IAVM cannot completely eliminate blind spots and may not detect every object. IAVM operates at vehicle speeds below 8 km/h. Always check surroundings and turn to look behind you before moving vehicle. <sup>12</sup>Virtual composite 360° view. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc.

### SIRI® EYES FREE

Unleash the power of your Siri-equipped iPhone® with Siri® Eyes Free. Ask about the weather, make calls, send texts, update your calendar, and more – at the touch of a button.<sup>7,8</sup>

U.S. instrumentation shown.

### CALM, COOL, CONNECTED

NissanConnect<sup>SM</sup> with Navigation, Mobile Apps, and Services brings your hand-picked music, favourite apps, and more along, working seamlessly with your compatible smartphone and Qashqai's 178 mm (7.0") colour touch-screen. And with Bluetooth® streaming, and USB connectivity, you're never out of the loop.<sup>2,7,9</sup>

### DIVIDE-N-HIDE®

Reversible cargo-floor panels adjust easily to provide multiple configurations, while the back seats fold down flat to accommodate larger gear, giving you space for your daily essentials and weekend getaways.<sup>2,10</sup>

### INTELLIGENT AROUND VIEW® MONITOR

Squeeze into that spot with your pride and rims intact. The Intelligent Around View Monitor uses four cameras to give you a virtual composite, 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views.<sup>2,11,12</sup>

## GENUINE NISSAN ACCESSORIES

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; available for finance and backed by Nissan's 3 year/60,000 km Accessories limited warranty when installed by dealer at time of your vehicle purchase?

### A. 17" Aluminum-alloy Wheels

Cruise with some attitude.

Additional Accessories:

- All-season Floor Mats
- LED Fog Lights
- External Ground Lighting
- Illuminated Kick Plates
- Interior Accent Lighting
- Front Lip Finisher
- Rear Glass Finisher
- Frameless Rearview Mirror with Universal Remote
- And More

### B. Chrome Rear Bumper Protector

Helps protect bumper from nicks and scratches.

### C. Roof Rail Crossbars<sup>3</sup>

Transfer the weight from your shoulders to your roof.

### D. Door Side Sill Strips

The stylish way to protect against dings.

See your Nissan dealer for details, or go to [accessories.nissan.ca](http://accessories.nissan.ca)

## BUYING AND OWNING

**Finance Options** Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website [Nissan.ca/finance](http://Nissan.ca/finance) to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

**No-Nonsense Warranty** Every 2018 Nissan is covered by a 3 year/60,000 km<sup>4</sup> Comprehensive New Vehicle Warranty, a 5 year/100,000 km<sup>4</sup> Powertrain Warranty, an 8 year/130,000 km<sup>4</sup> Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

<sup>1</sup>Extra cost option. <sup>2</sup>See your Nissan Dealership and read the actual limited warranty. <sup>3</sup>Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. <sup>4</sup>Whichever occurs first.

**Added Security Plan (ASP)** For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

**Security+Plus™ Prepaid Maintenance Plan** The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF<sup>®</sup>, we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.

## CHOOSE YOUR TRIM LEVEL

### S MANUAL TRANSMISSION

- 2.0-litre DOHC 16-valve 4-cylinder engine
- 6-speed manual transmission
- Electronic parking brake
- Front-Wheel Drive (FWD)
- Intelligent Ride Control
- Intelligent Trace Control<sup>1</sup>
- 16" Steel wheels with wheel covers
- P215/65R16 all-season tires
- LED Daytime Running Lights
- Rear spoiler
- Power heated outside mirrors with LED turn signal indicators
- Advanced Drive-Assist<sup>2</sup> Display<sup>2,3</sup>
- Siri<sup>®</sup> Eyes Free<sup>4</sup>
- Hands-free Text Messaging Assistant<sup>5</sup>
- Bluetooth<sup>®</sup> Hands Free Phone System and streaming audio<sup>4</sup>
- RearView Monitor<sup>6</sup>
- Integrated key with remote keyless entry
- Tilt and telescoping steering column
- Illuminated steering wheel-mounted controls
- Variable intermittent front and intermittent rear windshield wipers
- 12-volt DC power outlet
- Six cargo tie-down hooks<sup>7</sup>
- Cargo cover
- 6-way manual driver's seat
- Quick Comfort<sup>®</sup> heated front seats
- 60/40 2nd-row split folding seat
- Cloth seat trim
- AM/FM/CD audio system with 127 mm (5.0") colour display and four speakers
- USB connection port<sup>8</sup>
- Vehicle Dynamic Control (VDC)<sup>9</sup> with Traction Control System (TCS)
- Tire Pressure Monitoring System (TPMS) with Easy-Fill Tire Alert<sup>10,11</sup>
- Nissan Advanced Airbag System<sup>12</sup>

### S CVT INCLUDES S MANUAL TRANSMISSION EQUIPMENT PLUS:

- Xtronic CVT<sup>®</sup> (Continuously Variable Transmission) with manual shift mode
- Available Intelligent All-Wheel Drive (AWD)
- 17" Aluminum-alloy wheels
- P215/60R17 all-season tires
- Intelligent Emergency Braking<sup>13</sup>
- Blind Spot Warning<sup>14</sup>
- Rear Cross Traffic Alert<sup>15</sup>
- Intelligent Engine Brake
- Foot-style parking brake
- Cruise control with steering wheel-mounted controls
- Blind Spot Warning<sup>14</sup>
- Rear Cross Traffic Alert<sup>15</sup>
- Intelligent Engine Brake
- Foot-style parking brake
- Cruise control with steering wheel-mounted controls

### SV MANUAL TRANSMISSION INCLUDES S MANUAL TRANSMISSION PLUS:

- 17" Aluminum-alloy wheels
- P215/60R17 all-season tires
- Automatic on/off headlights
- Intelligent Emergency Braking<sup>13</sup>
- Blind Spot Warning<sup>14</sup>
- Rear Cross Traffic Alert<sup>15</sup>
- Fog lights
- Nissan Intelligent Key<sup>®</sup> with Push Button Ignition
- Chrome interior door handles
- Divide-N-Hide<sup>®</sup> Cargo System<sup>7</sup>
- Dual illuminated visor vanity mirrors
- SiriusXM<sup>®</sup> Satellite Radio<sup>4</sup>
- Cruise Control with steering wheel-mounted controls
- Rear centre armrest with cup holders
- Two additional speakers (six total)

### SV CVT INCLUDES SV MANUAL TRANSMISSION EQUIPMENT PLUS:

- Xtronic CVT<sup>®</sup> (Continuously Variable Transmission) with manual shift mode
- Available Intelligent All-Wheel Drive (AWD)
- Intelligent Engine Brake
- Power sliding glass moonroof with one-touch open/close and tilt feature
- Remote Engine Start System with Intelligent Climate Control<sup>16</sup>
- Dual Zone Automatic Temperature Control
- Heated leather-wrapped steering wheel
- Leather-wrapped shift knob
- Foot-style parking brake

### SL INCLUDES SV CVT EQUIPMENT PLUS:

- Intelligent All-Wheel Drive (AWD)
- 19" Aluminum-alloy wheels
- P225/45R19 all-season tires
- Intelligent Cruise Control<sup>17</sup>
- Roof rails<sup>7</sup>
- Nissan Navigation System<sup>18</sup>
- NissanConnect<sup>SM</sup> Mobile Apps<sup>4</sup>
- 178 mm (7.0") colour touch-screen display
- Nissan Voice Recognition for audio and navigation<sup>18</sup>
- SiriusXM<sup>®</sup> Traffic and Travel Link<sup>4</sup>
- Intelligent Around View<sup>®</sup> Monitor<sup>19</sup>
- 8-way power driver's seat, including 2-way lumbar support
- Leather-appointed seats
- Front seatback pockets

### KEY AVAILABLE PACKAGE:

- Platinum Package

### SL PLATINUM PACKAGE INCLUDES SL EQUIPMENT PLUS:

- LED headlights
- High Beam Assist
- NissanConnect Services powered by SiriusXM<sup>®4</sup>
- Intelligent Emergency Braking with Pedestrian Detection<sup>20</sup>
- Lane Departure Warning and Intelligent Lane Intervention<sup>21</sup>

<sup>1</sup>Intelligent Trace Control cannot prevent accidents or loss of control. It is the driver's responsibility to be in control of the vehicle at all times. <sup>2</sup>Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. <sup>3</sup>Information displayed is dependent on how vehicle is equipped. <sup>4</sup>Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. **Driving is serious business and requires your full attention.** Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Horn feature in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party charges that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** <sup>5</sup>Use the Text Messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. <sup>6</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. <sup>7</sup>Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. <sup>8</sup>Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. External device not included. <sup>9</sup>VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. <sup>10</sup>TPMS is not a substitute for regular tire pressure checks. <sup>11</sup>Vehicle must be on for the Easy-Fill Tire Alert to operate. <sup>12</sup>Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. <sup>13</sup>IEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. <sup>14</sup>Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. <sup>15</sup>RCTA is not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. <sup>16</sup>Provincial laws may apply; review local laws before using. <sup>17</sup>ICC is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. <sup>18</sup>Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. <sup>19</sup>IAVM cannot completely eliminate blind spots and may not detect every object. IAVM operates at vehicle speeds below 8 km/h. Always check surroundings and turn to look behind you before moving vehicle. <sup>20</sup>IEB with Pedestrian Detection is not a replacement for responsible driving. May not provide warning or braking in certain conditions. Speed and other limitations apply. See Owner's Manual for details. <sup>21</sup>LDW and ILI operate only when the lane markings are clearly visible. Speed and other limitations apply. See Owner's Manual for details. Bluetooth<sup>®</sup> is a registered trademark of Bluetooth SIG, Inc. Siri<sup>®</sup> and Siri<sup>®</sup> Eyes Free are registered trademarks of Apple, Inc. The Sirius<sup>®</sup>, XM<sup>®</sup> and SiriusXM<sup>®</sup> names and all related marks and logos are trademarks of Sirius XM Radio Inc. <ul style="list-style-type: none"><li>LED Headlights</li> <li>High Beam Assist</li> <li>NissanConnect<sup>SM</sup> Services powered by SiriusXM<sup>®8</sup></li> <li>Intelligent Emergency Braking with Pedestrian Detection<sup>19</sup></li> <li>Lane Departure Warning and Intelligent Lane Intervention<sup>22</sup></li></ul>

<sup>1</sup>Xtronic CVT models only. <sup>2</sup>Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times. <sup>3</sup>Intelligent Trace Control cannot prevent accidents or loss of control. It is the driver's responsibility to be in control of the vehicle at all times. <sup>4</sup>Manual transmission only. <sup>5</sup>Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. <sup>6</sup>Information displayed is dependent on how vehicle is equipped. <sup>7</sup>Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. <sup>8</sup>Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. **Driving is serious business and requires your full attention.** Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Horn feature in accordance with any laws, rules or ordinances in

## CAPACITIES/FUEL

Capacities	
Seating capacity	5
Interior passenger volume without moonroof – L (cu. ft.)	2718 (96.0)
Interior passenger volume with moonroof – L (cu. ft.)	2670 (94.3)
Cargo capacity with 2nd row upright – S/SV/SL – L (cu. ft.)	648/564/564 (22.9/19.9/19.9)
Cargo capacity with rear seats folded down – S/SV/SL – L (cu. ft.)	566 (20.0) with moonroof
Cargo capacity with rear seats folded down – S/SV/SL – L (cu. ft.)	1730/1509/1509 (61.1/53.3/53.3)
Fuel tank – L (Imp. gal.)	55 (12.1)

2018 Fuel Consumption Estimates – L/100 km (MPG)	
<b>City/Highway</b>	
FWD (M/T)	10.0 (28)/8.1 (35)
FWD (CVT)	8.8 (32)/7.3 (39)
AWD (CVT)	9.0 (31)/7.5 (38)

effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** <sup>9</sup>Use the Text Messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply. <sup>10</sup>Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. <sup>11</sup>IAVM cannot completely eliminate blind spots and may not detect every object. IAVM operates at vehicle speeds below 8 km/h. Always check surroundings and turn to look behind you before moving vehicle. <sup>12</sup>Provincial laws may apply; review local laws before using. <sup>13</sup>ICC is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. <sup>14</sup>Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. <sup>15</sup>Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. External device not included. <sup>16</sup>Airbags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. <sup>17</sup>VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. <sup>18</sup>IEB cannot prevent accidents due to carelessness or dangerous driving techniques. It may not provide warning or braking in certain conditions. Speed limitations apply. <sup>19</sup>IEB with Pedestrian Detection is not a replacement for responsible driving. May not provide warning or braking in certain conditions. Speed and other limitations apply. See Owner's Manual for details. <sup>20</sup>Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. <sup>21</sup>RCTA is not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner's Manual for details. <sup>22</sup>LI and LDW operate only when the lane markings are clearly visible. Speed limitations apply. See Owner's Manual for details. <sup>23</sup>TPMS is not a substitute for regular tire pressure checks. <sup>24</sup>Vehicle must be on for the Easy-Fill Tire Alert to operate. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. Siri® and Siri® Eyes Free are registered trademarks of Apple, Inc. The Sirius,® XM,® and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners.
