

2019 DODGE JOURNEY

DOMESTIC. NOT DOMESTICATED.

DODGE

For more than 100 years, the Dodge Brand has stood for standing out. We've led by being different. By offering the unexpected, by having a different voice altogether and daring to amplify it. We've stood apart in a sea of look-alike vehicles by championing the un-boring; by having the courage to be different enough to build modern-day marvels that are engineered with more passion, precision and

performance than ever before. Each vehicle in the 2019 Dodge lineup pays homage to its iconic bloodline with award-winning features and detailed craftsmanship. The snarling engines and sleek exteriors of each vehicle beg to be taken out on the open road. It's time to put the pedal to the metal. *THIS IS WHAT IT MEANS TO BE DOMESTIC AND NOT DOMESTICATED.*

////// Durango SRT® shown in White Knuckle, Journey Crossroad shown in Billet, Grand Caravan SXT shown in Granite, Challenger SRT Hellcat® shown in TorRed and Charger SRT Hellcat shown in F8 Green (all models shown with optional features and packages).

////// Journey GT shown in Pitch Black with available Blacktop Package.

2019 DODGE JOURNEY

Being together. Staying connected. Packing in the most fun. Those are the ingredients for the best “remember when” stories. Start your next adventure in a Dodge Journey and make the most of every mile. Standard seven-passenger seating creates room for everyone. Plenty of technology to keep everyone entertained and dialed-in. An integrated storage system and lots of cargo space let you carry it all with you. Not to mention the power to cut loose comes from available all-wheel drive (AWD) and engine options that are as efficient as they are capable. It's time to get up and get out, your next epic story begins with Journey.

////// Journey GT shown in Redline with available Blacktop Package.

///// Journey Crossroad shown with Black leather trim with Sport mesh inserts.

///// Journey GT shown with Black leather trim with perforated inserts and Red accent stitching.

UNCOMPROMISING COMFORT & TECHNOLOGY

This interior wasn't simply built, it was crafted. It was thoughtfully designed to give both driver and passenger comfortable seating through Three-Zone Temperature Control, a view of the road via stadium seating, audio enjoyment through well-placed speakers and an available 8.4-inch touchscreen radio, and so much more.

For even more luxury, opt for an available 10-way power driver seat including four-way power lumbar adjuster, heated front seats and a full-circumference heated steering wheel.

////// Journey GT shown in Pitch Black with available Blacktop Package.

VERSATILITY

Properly secure all cargo.

ROOM FOR THE ESSENTIALS AND THEN SOME

CARGO AREA /// A standard hidden storage bin and an access door to the tool and jack compartment are located behind the rear seat. When hauling gear is the priority, simply fold down the second- and third-row seats for up to 67.6 cu ft of cargo capacity.

DUAL IN-FLOOR STORAGE /// The second-row floor provides even more clever storage. Two in-floor storage bins with latching lids can each hold up to a dozen 12-oz cans, plus ice.

For added convenience, these bins have removable, washable liners so they're a snap to clean, and make the perfect tailgating accessory.

CENTER FLOOR CONSOLE /// This deep, easy-to-access console features cup holders, 12-volt outlets, remote USB port, auxiliary audio input and out-of-view storage.

STORAGE POCKETS /// Found on all four passenger doors, molded storage pockets give you more places to stash your travel items, as well as 20-oz drink containers and more.

SECOND-ROW INTEGRATED CHILD BOOSTER SEATS^{[1]*} /// There's no need to fumble with bulky, heavy booster seats anymore. Opt for the integrated child booster seat^[1] and you're good to go.

REAR CUP HOLDERS /// Cup holders conveniently located in the rear quarter trim panel accommodate 20-oz drinks or juice boxes. Two more cup holders can be found in the second-row fold-down armrest.

////// Journey Crossroad shown in Granite.

////// Journey Crossroad shown in Granite.

PRECISION & CONTROL

ALL-WHEEL DRIVE (AWD) /// When the weekend's arrived but the forecast calls for foul weather, there's no need to change your plans. The surefootedness of available AWD easily tackles snowy roads, wet highways and lower-traction terrain. When the system senses wheel slippage, it immediately responds with a transfer of power to the rear wheels for a very noticeable uptick in driving performance.

HAULING ALL-STAR /// Whether it's a boat, ATV or camping gear you're trailering, Journey's measured muscle easily handles up to 2,500 lb when properly equipped. Standard Trailer Sway Damping^[2] helps to maintain control.

2.4-liter DOHC 16-valve Dual Variable Valve Timing (VVT) engine produces 173 horsepower and up to 25 mpg highway.*

Award-winning 3.6-liter DOHC Pentastar® VVT engine mated to a smooth-shifting six-speed automatic delivers 283 horsepower and up to 25 mpg highway†

*2018 EPA estimated 19 mpg city / 25 mpg highway. Actual mileage may vary. †2018 EPA estimated 17 mpg city / 25 mpg highway (FWD); 16 mpg city / 24 mpg highway (AWD). Actual mileage may vary.

////// Journey Crossroad shown in Pitch Black.

SAFETY & SECURITY FEATURES

PARKSENSE® REAR PARK ASSIST^[3] / / / / This available system assists at low speeds to detect stationary objects by using ultrasonic sensors on the rear of the vehicle. The system may consist of audible and visual warnings for the driver.

PARKVIEW® REAR BACK-UP CAMERA^[3] / / / / This standard system displays an accurate visual reference of what is behind your vehicle when it's in Reverse.

ELECTRONIC STABILITY CONTROL (ESC)^[2] / / / / This standard system is designed to assist you in maintaining control of your vehicle during extreme steering maneuvers. ESC^[2] senses when a vehicle is starting to spin (oversteer) or plow (understeer), and attempts to correct the vehicle's course by automatically controlling the throttle and applying the brakes at individual wheels.

ALL-WHEEL DRIVE (AWD) / / / / An available system that automatically detects wheel-slip and sends additional power to the wheel(s) with the most traction.

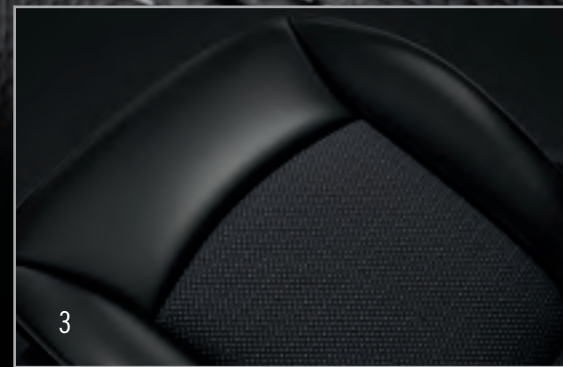

ANTILOCK BRAKE SYSTEM (ABS) / / / / Standard four-wheel antilock disc brakes sense and prevent wheel lockup, offering improved steering control under extreme braking and/or slippery conditions.

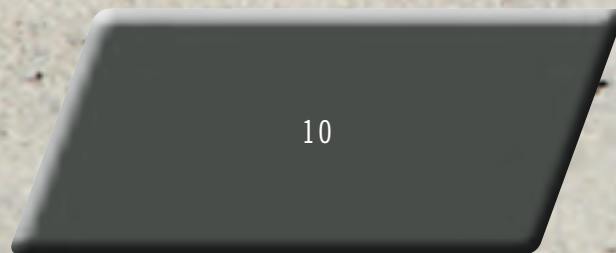

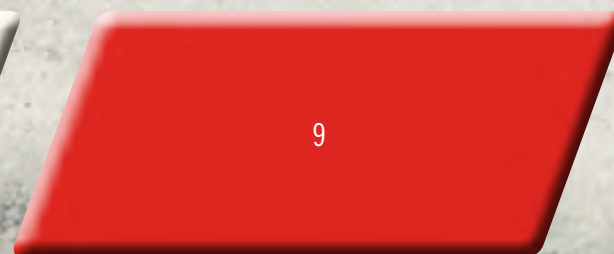

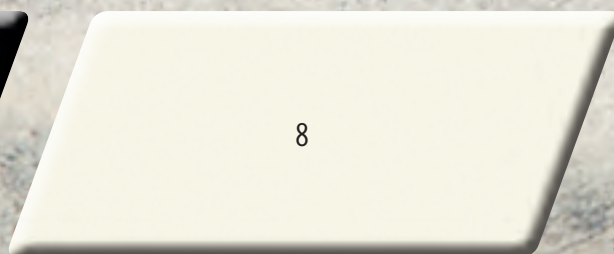

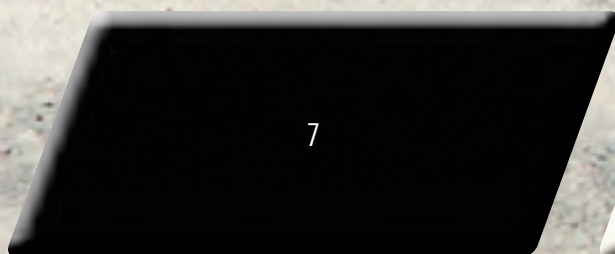

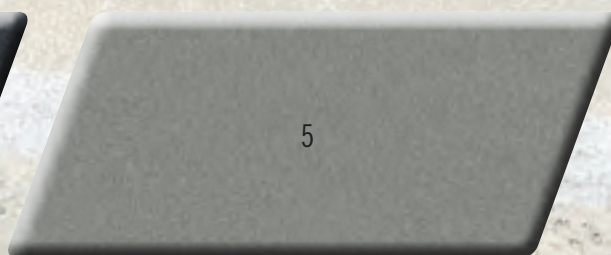

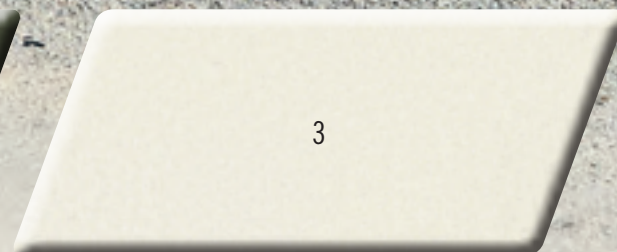

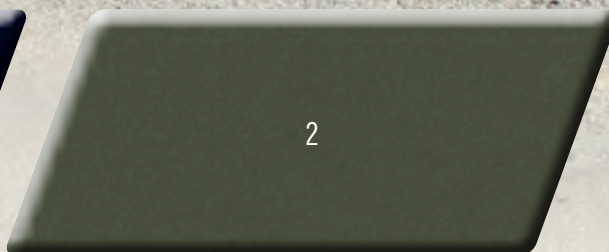

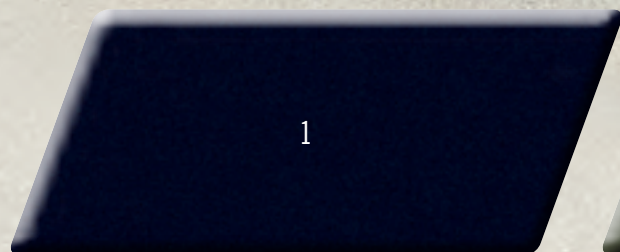

SEVEN STANDARD AIR BAGS^[4] / / / / In the unfortunate event of a collision, Journey's air bags offer protection in all rows of seating. Air bags include: multistage driver and front-passenger air bags, side-curtain air bags for all rows, a driver inflatable knee bolster air bag and driver and front-passenger-seat side-mounted air bags.

[1] Booster seat is only for children under 57 inches tall, between 48 and 85 lbs. Always buckle seat belt properly. [2] Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. [3] Always check entire surroundings visually before backing up. [4] Always sit properly in designated seating positions with seat belts securely fastened at all times. [5] Check state and local laws regarding the use of remote start systems. [6] May not work with all garage door openers. [7] SiriusXM audio and data services each require a subscription sold separately or as a package by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. **If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations or on all receivers. [8] The Uconnect Phone requires a mobile phone equipped with the Bluetooth Hands-Free Profile. To check phone compatibility please visit www.UconnectPhone.com. [9] Voice Text Reply and Voice Texting features require a compatible mobile device enabled with Bluetooth Message Access Profile (MAP). iPhone and some other smartphones do not currently support Bluetooth MAP. Visit www.UconnectPhone.com for system and device compatibility. Ensure MAP is ON and incoming message notification is enabled. Vehicle must be registered for Uconnect Access and you must fulfill minimum subscription requirements. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Visit www.UconnectPhone.com for system and device compatibility. [10] This system is not meant to be used while the car is in motion. [11] SiriusXM services require subscriptions, sold separately after the 5-year trial included with the new vehicle purchase. **If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel.** Trial service is not transferable or refundable. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Satellite service is available only to those at least 18 and older in the 48 contiguous USA and DC. Internet radio service is available throughout satellite service area, and in AK and HI with limited coverage. [12] SiriusXM services require subscriptions, sold separately after the 5-year trial included with the new vehicle purchase. Trial service is not transferable or refundable. The SiriusXM Travel Link data displays and individual product availability vary by vehicle hardware. Not all vehicles or devices are capable of receiving all Travel Link services offered by SiriusXM; Weather Forecast, Current Conditions may not be available in all locations; and features of individual systems will vary. Images are for representative purposes only and are not real products. For actual features and images of real products, consult the vehicle manufacturer. SiriusXM is not responsible for any errors or inaccuracies in the SiriusXM Travel Link services or their use. Satellite service is available only to those at least 18 and older in the 48 contiguous USA and DC. Internet radio service is available throughout satellite service area, and in AK and HI with limited coverage. [13] Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraints. [14] See dealer for complete details and a copy of the 5-Year/60,000-Mile Powertrain Limited Warranty.
