

BLAZER 2020

CHEVROLET 

Blazer RS in Cajun Red Tintcoat (extra-cost colour) with available features including 21-in. Gloss Black-painted aluminum wheels.

IT SPEAKS FOR ITSELF.

Words are barely needed to describe the 2020 Chevrolet Blazer. Sculpted and sleek with a roomy, driver-centric interior, one look tells you this SUV has the soul of a sports car. The lineup ranges from the well-equipped LS to the sport-tuned RS to the sophisticated and upscale Premier. Performance is found in the form of three available engine choices, including the 308-horsepower V6 or a new turbocharged 2.0L engine! We think you'll agree that Blazer is the SUV that will have everyone talking.

FIND NEW ROADS™

¹ Late availability.

MODELS

LS

Blazer LS is the modern and muscular SUV you've been waiting for.

A signature Black grille with chrome header and standard 18-in. aluminum wheels announce your arrival, while a rounded dual-outlet exhaust provides a memorable exit. Performance is provided by an efficient 2.5L engine paired with a 9-speed automatic transmission, while 4-wheel disc brakes help bring LS to a controlled stop. Inside, Premium Cloth seating surfaces and heated front bucket seats offer a comfortable oasis during your travels.

LT

The joy of driving takes centre stage in Blazer LT.

That's because performance is at the heart of the new 2.0L turbocharged engine¹ that delivers an exhilarating 230 horsepower and 258 lb.-ft. of torque. An 8-way power driver seat lets you choose the perfect position for long drives or short commutes. Plus, SiriusXM^{®2} offers an enhanced listening experience with unique channels and so much more.

Top: Blazer LS in Silver Ice Metallic.

Bottom: Blazer LT in Graphite Metallic (extra-cost colour) with available features.

¹ Standard 2.0L 4-cylinder engine is late availability. ² Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at siriusxm.ca/terms.

MODELS

LT TRUE NORTH EDITION

LT True North is an all-season all-star¹

It starts with the confidence of switchable all-wheel drive that helps you handle the roads with year-round traction. Heated outside mirrors can offer a clear view in ice and snow, while roof-mounted side rails provide the ideal base for transporting skis or snowboards. And the True North Edition interior brings you both the luxury of perforated leather-appointed seating surfaces and the peace of mind created by Lane Change Alert with Side Blind Zone Alert²

RS

Street-inspired and ready to roll, RS looks like it's in motion even when it's standing still.

A custom Black mesh grille with a unique hexagonal design, Black Ice chrome header and Black bowtie emblem set the tone. The standard 308-horsepower 3.6L engine, a rectangular dual-outlet exhaust, and 20-in. machined-face aluminum wheels or available 21-in. Gloss Black-painted aluminum wheels (shown) continue the sporty theme. An RS-exclusive Red-accented interior is highlighted by perforated leather-appointed seating surfaces and a heated steering wheel.

Top: Blazer LT True North Edition in Graphite Metallic (extra-cost colour) with available features.

Bottom: Blazer RS in Cajun Red Tintcoat (extra-cost colour) with available features.

¹ Standard 2.0L 4-cylinder engine is late availability. ² Read the vehicle Owner's Manual for important feature limitations and information.

MODELS

PREMIER

Style and luxury defined, Premier lives up to its name.

An elevated exterior appearance comes in the form of a signature bright chrome-accented grille with chrome header, Silver-painted roof rails and chrome-accented door handles. 20-in. aluminum wheels or available 21-in. Pearl Nickel-painted aluminum wheels (shown) and an integrated rectangular dual-outlet exhaust extend the upscale experience, while a standard V6 engine provides the performance.

The Premier-exclusive Maple Sugar or Jet Black interior features unique perforated leather-appointed seating surfaces with sueded microfibre inserts. Heated and ventilated front seats and heated rear outboard seats are only the beginning of the luxurious touches you'll find inside Premier.

Blazer Premier in Silver Ice Metallic with available features.

Blazer RS in Cajun Red Tintcoat
(extra-cost colour) with available
features including 21-in. Gloss
Black-painted aluminum wheels.

EXTERIOR DESIGN

LOOKS THAT THRILL.

Boasting a muscular profile and **aggressive design appeal** that draws on the Chevrolet performance heritage, Blazer stands out from other SUVs with a bold look and powerful presence.

Ultra-thin LED daytime running lamps above the headlamps provide an eye-catching look any time of day. High-intensity discharge (HID) headlamps offer crisp, bright illumination.

LED tail lamps wrap around the liftgate and bodysides, producing a high-tech appearance.

You'll find a variety of **18-, 20- and 21-in. wheels** are standard or available on Blazer, including the optional 21-in. Gloss Black-painted aluminum wheels shown here on RS.

A **dual-outlet exhaust** is standard: Blazer LS and LT feature round outlets, RS showcases rectangular outlets and Premier has outlets that are integrated through the fascia.

Blazer Premier interior in Maple Sugar with available features.

INTERIOR DESIGN

UNDERSTATED IS OVERRATED.

Premier features **perforated leather-appointed seating surfaces** with sueded microfibre inserts. Chrome touches and bright front sill plates add an air of sophistication as you enter and exit.

In every Blazer, intuitive **driver-focused controls**, switches and features are

within easy reach. Camaro-inspired air outlets feature rotating dials for quick, intuitive climate control.

The standard **heated front seats** provide a warm embrace. The comfort level is raised even higher on Premier with standard ventilated front bucket

seats and heated rear outboard seats, features that are available on RS.

A **Bose premium 8-speaker audio system** brings high-quality sound wherever you travel. Standard on Premier; available on LT True North Edition and RS.

On RS and Premier, **True White ambient light pipes** on the passenger side and below the front door handles combine with LED lighting in the centre console to provide functional sophistication.

A wide-angle photograph of the interior of a Blazer RS. The seats are black leather with red stitching. The dashboard and center console are also black with red accents. The steering wheel is black with red stitching. The car is parked in a lot with trees and buildings in the background.

Blazer RS interior in Jet Black with Red accents with available features.

INTERIOR DESIGN

YOUR EVERYDAY GETAWAY VEHICLE.

A **Jet Black interior** with leather-appointed seating surfaces welcomes you into RS. Perforations in the seat cushions reveal Red accents. The theme continues with Red piping on the seats and Red-tinted chrome accents.

Whenever the vehicle is on and it is cold outside, an automatic **heated steering wheel** senses the interior temperature and cycles on or off as necessary for

hands-on comfort. Standard on RS and Premier.

The **second-row seats slide up to 140 mm (5.5 in.) forward or rearward** to provide more passenger room or additional cargo space. Each rear seat also reclines for added comfort or folds flat to create room for longer, larger items.

You can use your inside voice in Blazer. **Active Noise Cancellation** uses sound waves to help counteract unwanted engine noise. Combined with a honed exterior that helps reduce wind noise and numerous other acoustic enhancements, Blazer is a quiet place for a conversation, whether you're using the hands-free phone function or talking to people in the second row.

Rear Seat Reminder¹ provides alerts to double-check for valuable items left behind. It activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you turn off the vehicle under certain conditions, a chime sounds and a message appears in the Driver Information Centre.

¹ Does not detect people or items. Always check rear seat before exiting.

PERFORMANCE

THE POWER OF THREE.

Choose from a trio of available dynamic engines, each paired with a smooth-shifting, efficient 9-speed automatic transmission:

- A 3.6L V6 engine, standard on RS and Premier and available on LT and LT True North Edition, generates 308 horsepower and 270 lb.-ft. of torque, with estimated fuel efficiency ratings of 13.1 city and 9.4 highway¹. Models with this engine can tow up to 2041 kg (4500 lb.)².
- A new 2.0L turbocharged I-4 engine³, standard on LT and LT True North Edition, creates 230 horsepower and 258 lb.-ft. of torque.
- A 2.5L I-4 engine, standard on LS, offers 193 horsepower and 188 lb.-ft. of torque, with estimated fuel efficiency ratings of 11.3 city and 8.9 highway¹.

Blazer RS in Cajun Red Tintcoat (extra-cost colour) with available features including 21-in. Gloss Black-painted aluminum wheels.

¹ Fuel consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption will vary. ² Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ³ Late availability. Fuel consumption estimates not available for 2.0L engine at time of posting.

Blazer Premier in Silver Ice Metallic with available features including 21-in. aluminum wheels.

PERFORMANCE

CONFIDENCE AND CONTROL THROUGH THE CURVES.

RS and Premier offer the **Advanced Twin-Clutch All-Wheel Drive** system, which helps improve driver control by guiding torque to the rear wheel with the best traction in poor road conditions.

You can adjust performance based on road and surface conditions with

the simple turn of the **Traction Mode Select** dial. Up to five modes are available: TOUR is your setting for everyday driving and the best fuel efficiency; SPORT brings performance and handling to the forefront; OFF-ROAD is only for AWD models and distributes torque in an optimal

manner for improved performance on gravel or loose dirt; AWD or SNOW/ICE (FWD models) helps offer better control when snow and ice make road conditions slippery; and TOW/HAUL (3.6L AWD models) helps keep Blazer in a lower gear, offering more torque when you're pulling a trailer.

When the windshield wipers are activated, the standard **Auto-Dry Brakes** feature automatically positions the brake pads closer to the rotors to sweep away moisture and help improve brake performance. Every Blazer also has front and rear disc brakes with large Duralife® rotors and a 4-channel Anti-lock Braking System.

Blazer[®] RS in Cajun Red Tintcoat (extra-cost colour) with available features including 21-in. Gloss Black-painted aluminum wheels.

CAPABILITY

OPEN A WORLD OF POSSIBILITIES.

Getting inside Blazer is a breeze with standard Keyless Open and Start and an available power liftgate that provides access to up to **1818 L (64.2 cu. ft.) of maximum cargo space!**

You'll find two-tier **storage solutions** in the front doors as well as bins under the armrest and around the interior. In the cargo area, push hooks help secure grocery bags, and there's a hidden space beneath the floor.

Included on RS and Premier, a **Cargo Management System** features a floor-mounted rail system with an easily adjusted cargo fence to help secure gear when travelling.

¹With the rear seats folded down. Cargo and load capacity limited by weight and distribution.

Hands-free gesture power liftgate standard on RS and Premier.

Electronic locking glovebox.

Multiple full-size loaded golf bags can fit horizontally across the cargo area.

Apple CarPlay^{®1} compatibility for your iPhone[®] (shown) and Android Auto^{™2} compatibility.

Driver Information Centre with customizable 8-in. diagonal screen, standard on RS and Premier.

myChevrolet[®] App³ available to download, includes remote vehicle start capability⁴

¹ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ² Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. ³ Available on select Apple and Android devices. Service availability, features and functionality are subject to limitations and vary by model and/or vehicle configuration, device and the plan in which you are enrolled. Device data connection required. Visit onstar.ca for more details. ⁴ Requires subscription to Remote Access Plan or Premium Access Plan. Services are subject to user terms and limitations and vary by model and/or vehicle configuration. Remote start requires GM factory-installed and enabled remote start system. Visit onstar.ca for more details.

TECHNOLOGY

YOUR CONNECTED LIFE.

The **Chevrolet Infotainment 3 System**¹ is intuitive and easy to use, with a simplified 8-in. diagonal colour touch-screen display that is standard on every Blazer.

Available **Hitch Guidance** uses the available HD Rear Vision Camera² overlays to help align your Blazer with a trailer.

Built-in 4G LTE Wi-Fi® Hotspot³ (data plan required) provides a fast Internet connection for up to seven compatible devices.

¹ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. ² Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information. ³ Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and/or vehicle configuration and conditions as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi Hotspot. Accessory Power must be active to use the Wi-Fi Hotspot. Data plans provided by AT&T or its local service provider. Credit card is required for purchase.

SAFETY AND DRIVER ASSISTANCE

HD SURROUND VISION.

- With HD Surround Vision¹, you're provided with a high-definition bird's-eye view of the area around the vehicle on the infotainment display.
- Helps you park and avoid nearby objects at low speeds.
- Available on Blazer LT True North Edition, RS and Premier.

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

Safety cage made with significant amounts of high-strength and ultra-high-strength steel.

Available Rear Camera Mirror!

Teen Driver technology.

¹ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

SAFETY AND DRIVER ASSISTANCE

READY AND VIGILANT.

Adaptive Cruise Control – Advanced. Using sensors that include radar technology, this feature can automatically adapt cruise control speed to maintain a following gap to vehicles detected ahead. Available on RS and Premier.

Front Pedestrian Braking. At speeds below 80 km/h, if an imminent collision with a pedestrian directly ahead is detected, the feature can alert you and can even apply last-second emergency braking. Performance is limited at night. Available on RS and Premier.

Enhanced Automatic Emergency Braking. If an imminent front-end collision is detected with a vehicle you are following, the feature can alert you and can automatically apply hard emergency braking or enhance driver hard braking. Available on RS and Premier.

Following Distance Indicator and Forward Collision Alert. These features monitor how close your vehicle is to the detected vehicle in front of you and can alert you to a potential crash. Available on RS and Premier.

Lane Keep Assist with Lane Departure Warning. At speeds above 60 km/h, this feature monitors road lines when identifiable and can gently turn the steering wheel to help keep the vehicle in its lane or provide an alert if a lane marker is unintentionally crossed. Available on RS and Premier.

Lane Change Alert with Side Blind Zone Alert. This feature can provide side mirror alerts when it detects fast-approaching vehicles in adjacent lanes as well as moving vehicles in the side mirror blind zones. Standard on LT True North Edition, RS and Premier. Available on LT.

Rear Cross Traffic Alert. This feature can alert you to detected vehicles crossing behind your Blazer when backing up. Standard on LT True North Edition, RS and Premier. Available on LT.

Rear Vision Camera. When travelling in Reverse at low speeds, this feature helps provide a view of the area immediately behind your Blazer. Standard on all models.

Rear Park Assist. When travelling in Reverse at low speeds, this feature can provide distance alerts when it detects certain stationary objects in close proximity behind the vehicle. Standard on LT True North Edition, RS and Premier. Available on LT.

StabiliTrak® Electronic Stability Control. This system detects the difference between the path being steered and the direction the vehicle is actually travelling. It then uses the brake(s) and, if necessary, adjusts engine torque to help you keep your Blazer on track. Standard on all models.

Safety Alert Seat. This feature gives you the option of getting directional vibration pulses from the driver seat instead of beeps to indicate the direction of potential threats. Available on RS and Premier.

IntelliBeam® headlamps. When oncoming headlamps are sensed or when tail lamps are detected, this feature intuitively adjusts between low and high beams. Available on RS and Premier.

Safety starts with you. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

1 A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. **2** Read the vehicle Owner's Manual for important feature limitations and information. **3** Properly equipped Chevrolet vehicles are eligible for 1 month of Connected Services trial and OnStar Safety & Security coverage starting at trial activation date; includes emergency and navigation services, Connected Navigation, the Remote Access Plan, plus a 3 GB or 1-month (whichever comes first) data plan trial. Services subject to user terms and limitations; capabilities vary by model and/or vehicle configuration; visit onstar.ca for details. Data plans offered by AT&T or its local service provider. Availability subject to change. GM Canada may modify, extend or terminate offers for any reason, in whole or in part, at any time, without notice. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. **4** Late availability.

¹ Read the vehicle Owner's Manual for important feature limitations and information. ² Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. ³ Visit my.gm.ca/Chevrolet/en/learnAbout/bluetooth for more information. Full Bluetooth feature functionality varies by device, model and/or vehicle configuration, and software version. ⁴ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ⁵ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. ⁶ Detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ⁷ Requires subscription to OnStar Guidance Plan, Premium Access Plan or Navigation Add-On. Connected Navigation and Real-time Points of Interest (POI) only available on properly equipped vehicles. Services are subject to user terms and limitations and vary by model and/or vehicle configuration. Visit onstar.ca for more details. ⁸ Additional data plan rates may apply. Available on select GM vehicles with compatible hardware. Third-party trademarks are the property of their respective third-party owners and used under agreement. Visit onstar.ca for service limitations, availability and service plan details. Requires active connected vehicle services and data plan or connection to an external Wi-Fi Hotspot. Vehicle data plans provided by AT&T or its local service provider. Services are subject to user terms and limitations. Visit onstar.ca for more details. ⁹ Not compatible with all devices. ¹⁰ The system wirelessly charges one compatible mobile device. Some devices require an adapter or back cover. See myChevrolet.ca for more information. ¹¹ Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at siriusxm.ca/terms. ¹² Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and/or vehicle configuration and conditions as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi Hotspot. Accessory Power must be active to use the Wi-Fi Hotspot. Data plans provided by AT&T or its local service provider. Credit card is required for purchase. ¹³ Limitations apply. Not transferable. Standard connectivity available to original purchaser for 10 years from the trial activation date for properly equipped vehicles. Visit onstar.ca for details and further plan limitations. Connected Access does not include emergency or security services. Availability of Connected Access and any of its services is dependent on compatible 4G LTE wireless networks and is also subject to change. ¹⁴ Capabilities vary by model and/or vehicle configuration and service plan. Visit onstar.ca for vehicle availability. Message and data rates may apply. Requires active service, email address on file and enrollment in Vehicle Diagnostics. Not all issues will deliver alerts. On-Demand Diagnostics requires a paid service plan.

Other ownership privileges and programs:⁸

- Chevrolet Protection Plan – the only extended service plan backed by the resources and commitment of General Motors. The Chevrolet Protection Plan may be purchased at the time of vehicle sale or subsequently during the Base Warranty Coverage period⁹
- Chevrolet Owner Centre – Everything you need to know. Anything you need to do. Your Chevrolet Owner Centre makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Centre today to register or take a tour. Find out more at mychevrolet.ca.
- Discount Programs – save on your next vehicle. Students or recent graduates,⁸ people with disabilities⁸ and military personnel⁸ you may be eligible¹⁰ for a discount on select new Chevrolet vehicles leased or purchased. Combine your discount with great retail offers for an exceptional value. For full details on all programs offered in Canada, visit programs.gm.ca.
- GM Card[®] – Cardholders may redeem Earnings towards the total purchase price or lease down payment of an eligible new Chevrolet car, truck or crossover. Restrictions and limitations apply. For full program details, visit gmcards.ca.

Chevrolet ownership experience. Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.ca to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

Important words about this brochure. Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at

the dealership or affixed to vehicles are approximates based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid SUV-Crossover segment and the latest available competitive information. Excludes other GM vehicles.

Engines. Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

Assembly. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

Fleet orders. Some standard content and owner benefits may be modified or deleted on fleet orders. See dealer for details.

An important note about alterations and warranties. Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

Trademarks. The marks appearing in this brochure including, but not limited to, General Motors, GM, Chevrolet, the Chevrolet emblem, Blazer and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Duralife, Find New Roads, myChevrolet, OnStar, the OnStar emblem and StabiliTrak are trademarks of General Motors LLC, OnStar LLC and/or General Motors of Canada Company, its subsidiaries, affiliates or licensors. ¹ Whichever comes first. ² Limit of two (2) Lube-Oil-Filter services during the program period. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. Additional conditions and limitations apply. See participating dealer for details. ³ Conditions and limitations apply. See Warranty Booklet for details. ⁴ Conditions and limitations apply. See Owner's Manual for details. ⁵ Properly equipped Chevrolet vehicles are eligible for 1 month of Connected Services trial and OnStar Safety & Security Plan coverage, starting at trial activation date; includes emergency and navigation services, Connected Navigation, the Remote Access Plan, plus a 3 GB or 1-month (whichever comes first) data plan trial. Services subject to user terms and limitations; capabilities vary by model and/or vehicle configuration; visit onstar.ca for details. Data plans offered by AT&T or its local service provider. Availability subject to change. GM Canada may modify, extend or terminate offers for any reason, in whole or in part, at any time, without notice. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. ⁶ Limitations apply. Not transferable. Standard connectivity available to original purchaser for 10 years from the trial activation date for properly equipped vehicles. Visit onstar.ca for details and further plan limitations. Connected Access does not include emergency or security services. Availability of Connected Access and any of its services is dependent on compatible 4G LTE wireless networks and is also subject to change. ⁷ Capabilities vary by model and/or vehicle configuration and service plan. Visit onstar.ca for vehicle availability. Message and data rates may apply. Requires active service, email address on file and enrollment in Vehicle Diagnostics. Not all issues will deliver alerts. On-Demand Diagnostics requires a paid service plan. ⁸ Conditions and limitations apply. ⁹ Please work with your dealer to select the plan that is suitable for your driving needs. Dealers are free to set their own prices. ¹⁰ Subject to eligibility.
