NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

[1]Please follow Towing Guidelines. Towing capability varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. [2]Availability of features vary by vehicle model year, model, trim level, packaging, and options. [3]Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. [4]Genuine Nissan Accessory Roof Rail Crossbars have a maximum weight limit of 100 lbs. [5]Provincial laws may apply. Review before using. [6]Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. [7]Available feature. [8]Heated second-row outboard seats are an available feature. [9]Requires compatible auxiliary media system. See Owner's Manual for details. [10]Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** [11]Intelligent Distance Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [12]Intelligent Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [13]Intelligent Lane Intervention and Lane Departure Warning only operate when lane markings are detectable. See Owner's Manual for safety information. [14]Intelligent Rear View Mirror may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. [15]Intelligent Blind Spot Intervention cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. [16]Intelligent Back-up Intervention may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. [17]Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [18]Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. [19]Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. [20]Virtual composite 360° view. [21]Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. [22]Extra cost option. [23]Limited availability. [24]Whichever occurs first. [25]Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. [26]Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. [27]See Owner's Manual for safety information. [28]Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. [29]XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at **siriusxm.ca/terms**. All fees and programming subject to change. ©2019 Sirius XM Canada Inc. The Sirius,® XM,® and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. [30]Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. [31]Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [32]Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. [33]Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. [34]Airbags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. See Owner's Manual for safety information. [35]Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. [36]2020 Fuel Consumption Estimate. Actual mileage may vary with driving conditions – use for comparison only. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. NISSAN

Innovation that excites

2020 ARMADA®

NISSAN INTELLIGENT MOBILITY™

Get ready for adventure, just not the ordinary kind. What does that mean? Refined looks, room for eight, and rugged capability elevate every outing. You'll command the road with legendary V8 power, 394 lb.-ft. of torque, and an 8,500-lb. (3,856 kg) maximum towing capacity.[1] And with Nissan Intelligent Mobility features, you can feel confident in getting safely to your destination, whether cruising the highway or navigating a rock-laden trail.[2] This is tech that takes adventure to new heights. This is Nissan Intelligent Mobility.[2]

Nissan Armada® Platinum shown in Gun Metallic with accessory Roof Rail Crossbars.[3,4]

EVEN THE GRANDEST PLANS ARE WELL WITHIN REACH

Armada® may be a full-size SUV, but even from the driver's seat, we designed the intuitive layout of the dash to give you easy access to all the controls. Add in a luxurious interior that puts as much emphasis on style as it does on comfort and putting those big plans into action has never been more rewarding.

Nissan Intelligent Key® with Remote Engine Start System[5] | Touch-screen Nissan Navigation System[6] | Dual Zone Automatic Temperature Control | Climate-controlled front seats[7] | Wood-tone trim and metallic accents

Nissan Armada® Platinum Reserve shown in Premium Black/Brown Leather. U.S. instrumentation shown.

NISSAN INTELLIGENT MOBILITY™

INTELLIGENT 4x4

GET A GRIP ON YOUR ADVENTUROUS SIDE, FASTER THAN THE BLINK OF AN EYE

Imagine a 4WD system so advanced, it responds instantly to changing road conditions and continuously adjusts the amount of power distributed to each axle to help maintain control. What does that mean for you? Feeling empowered with a greater sense of command, no matter the road or the season.

ZIP Intelligent 4x4 delivers power to both front and rear wheels for improved grip from the get-go.

SIP Once you're up to speed, the system sends all of the power to the rear, resulting in higher efficiency.

GRIP In slick conditions and tight corners, the system transfers the optimal amount of power from front to rear.

LEAVE NO TOY BEHIND

Now there's no excuse not to bring all the toys. With an 8,500-lb. (3,856 kg) towing capacity, Armada® has the capability to haul some serious fun![1] Featuring innovative Tow/Haul mode, and the brute strength of the direct-injection 5.6-litre Endurance® V8, Armada is ready to take your excursion to the next level.

5.6 L V8
390 HP
8,500 LBS. (3,856 KG) MAXIMUM TOWING[1]
394 LB.-FT. TORQUE

IMPRESSIVE COMFORT AND CAPACITY

Let the whole crew stretch out in absolute comfort with seating for up to eight. Then change things up with a highly flexible interior. Add in an innovative climate control system that reaches every row, and every passenger can find their ideal zone.

- Heated Front and 2nd-row Seats[8]
- Seating for Up to 8
- Dual Zone Automatic Temperature Control
- Rear air conditioning with rear controls
- Power Return 3rd-row Seats[7]
- Tri-Zone Entertainment System with Two Wireless Headphones[7,9]

THE QUICK ANSWER TO A SUDDEN CHANGE IN PLANS

With seating for up to eight adults with standard second-row bench seating and a highly flexible interior, Armada is ready for whatever the day brings. Need proof? Take a look at the possibilities.

REMOTE START FROM YOUR PHONE

With NissanConnect® Services, you can remotely start your vehicle from nearly anywhere your smartphone works. Need to unlock your vehicle for a friend? Just tap the unlock button on your phone. You can even find your parked vehicle's location. Now that's cool.[5,10]

Model may not be exactly as shown.

A MORE CONFIDENT, EXCITING, AND CONNECTED RIDE

Nissan Intelligent Mobility transforms your Armada® into a responsive partner. You'll drive with greater awareness and can even get an assist when you need it.

NISSAN INTELLIGENT MOBILITY™

GET AN ASSIST WHEN YOU NEED IT

Intelligent Distance Control

Maintains a set distance to the vehicle in front of you, even braking to slow down. It also intuitively helps you release the throttle and apply the brakes as necessary in slowing traffic.[11]

Intelligent Emergency Braking

Armada can help save you from a potential frontal collision. Intelligent Emergency Braking monitors your speed and distance between you and the car ahead and can let you know if you need to slow down. It can also automatically engage the brakes to help avoid a collision or lessen the severity of an impact.[12]

Intelligent Lane Intervention

Stay between the lines. When lane markings are clear, Intelligent Lane Intervention can detect if you're straying out of your lane and can tap the brakes to help gently guide you back.[7,13]

Intelligent Blind Spot Intervention

Change lanes with confidence. If Intelligent Blind Spot Intervention detects that you're trying to change lanes while another car is in your blind spot area, it can apply the brakes and help guide your Armada back into your lane.[15]

Intelligent Back-up Intervention

Back out with confidence. When you're getting out of a spot, Intelligent Back-up Intervention can sense cars crossing behind your Armada and can engage the brakes to help avoid a collision.[16]

Intelligent Cruise Control

Watches the flow of traffic to take the tedium out of your commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.[17]

SEE MORE AROUND YOU

Intelligent Rear View Mirror

Uses a camera installed at the rear of the vehicle to let you switch between the regular mirror view and a digital view at the flip of a switch. The camera view displayed on the monitor mimics the appearance of a traditional rearview mirror.[7,14]

SENSE MORE AROUND YOU

Lane Departure Warning

Lane Departure Warning helps make sure you change lanes only when you mean to. If the system detects that you're drifting over, it'll warn you.[13]

Blind Spot Warning

Wait. Was that a car over there? Armada with Blind Spot Warning keeps an eye on the blind spot area and gives you a heads-up if it detects a vehicle hiding there.[18]

Intelligent Around View® Monitor

Four cameras make parking easy with a virtual composite 360˚ bird's-eye view of your Armada. You can select from split-screen close-ups of the front, rear, and curbside views for a better look. It also gives you an on-screen heads-up when it detects moving objects near your vehicle.[19,20]

Intelligent Forward Collision Warning

What's up ahead? Armada knows. Intelligent Forward Collision Warning watches up to two cars ahead, and when it detects sudden deceleration in front of you, it gives you a warning to slow down.[21]

CHOOSE YOUR COLOUR AND INTERIOR

Charcoal Leather | SL, Platinum

Almond Leather | Platinum

Black/Brown Leather | Platinum Reserve

Nissan has taken care to ensure that the colour swatches presented here are the closest possible representations of actual vehicle colours. - Chrome Body Side Mouldings
- Chrome Side Mirror Covers
- And More

[22]Extra cost option. [23]Limited availability.

See your Nissan dealer for details, or go to accessories.nissan.ca

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website **Nissan.ca/finance** to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2020 Nissan is covered by a 3 year/60,000 km[24] Comprehensive New Vehicle Warranty, a 5 year/100,000 km[24] Powertrain Warranty, an 8 year/130,000 km[24] Emission OBD Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Curb Weights — kg (lbs.)	SL	Platinum	Platinum Reserve
4WD	2688 (5926)	2702 (5956)	–
4WD with Captain's Chairs	–	2702 (5956)	2702 (5956)

2020 Fuel Economy Estimate — L/100 km (MPG)[36]	
City	17.5 (16)
Highway	12.9 (22)

Actual mileage may vary with driving conditions — use for comparison only.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF,® we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.
