EMPOWER THE DRIVE®

# LIFE DRIVES OUR LUXURY. AND OUR SPACE.

Life drives our vision of luxury, and you can feel that throughout the luxurious space of the QX80. This is a full-size SUV precisely crafted for elevating human experiences, not merely for exhibiting on a pedestal. From nights out in the city to getting out of the city with everything – and everyone – you're passionate about, every real-life moment is met with space and possibility. You'll feel your pulse race from the first rev of the 5.6-liter V8 engine that has the power to tow most anything you imagine.<sup>1</sup> In traffic, you'll enjoy the intelligence of INFINITI drive assist technologies that help expand your awareness and ability to navigate the unexpected.<sup>2</sup> Beyond the driver's seat, craftsmanship and capability can indulge you and up to seven guests in an exquisitely refined interior that can also accommodate vast amounts of cargo.<sup>3</sup> This is where life drives luxury to its fullest.

**LUXURY SHOULD BE LIVED IN**

**▲ ROLL WITH DISTINCTION** **1** 20 X 8.0-inch Aluminum-Alloy Wheels **2** 22 X 8.0-inch Forged Dark Chrome Aluminum-Alloy Wheels\*\* **3** 22 X 8.0-inch Forged Aluminum-Alloy Wheels\*\*

## ▲ PRESENCE THAT DEMANDS ATTENTION

To see the QX80 glide past is a captivating experience. What stops you is its perfect union of strength and sophistication, resonating from its aggressive front fascia and refined yet muscular lines. Subtle touches bring further balance, as in the unique LED headlights. Add even more polish with chrome mirror caps and other accents by opting for the SENSORY model. This selection also enhances the stature of your INFINITI with 22-inch forged aluminum-alloy wheels, for a QX80 at its most commanding.

## ▲ PASS WITH POWER, TOW WITH INTELLIGENCE

Great presence should be matched with greater possibilities, for where you go and what you tow. Perform to your level with an impressive 5.6-liter V8 that generates 400-hp and 413 lb-ft of torque<sup>4</sup> – plenty of push for highway sprinting or passing. The QX80 can flex its power further by allowing you to tow up to 8,500 pounds.<sup>1</sup> But confidence is strengthened in knowing that you can tow not just capably, but also intelligently. As you're pulling, rear automatic self-leveling suspension adjusts to help maintain an ideal ride height, and Trailer Sway Control helps minimize side-to-side movement.<sup>1</sup> Towing or not, you get a smooth ride with Hydraulic Body Motion Control<sup>5</sup> that counteracts body lean and absorbs road bumps for a controlled cornering feel. All together, this is potential refined to take you and your imagination as far as you desire.

## EXCLUSIVITY FOR EVERYBODY

Success is a shared endeavor, and the QX80 invites those that helped you get there to revel in it. As you and your guests relax into leather-appointed seats, including captain's chairs in the first two rows, premium materials engage the senses further. Charcoal Burl trim stimulates the eye while a heated, leather-wrapped steering wheel rewards your touch. Or make refinement its most inclusive with the SENSORY model, where Alcantara® accents and semi-aniline leather-appointed seating elevate everybody's journey. Up front, climate-controlled seats create the ideal temperature, as second-row seating warms up for rear passengers. It's the experience you, and your friends and family, have earned.

#### A CLEAR VIEW, EVEN WITH COMPANY

A night out with places to be and people to see shouldn't mean your vision is obscured by a lively second and third row. With a flip of the toggle, the Smart Rearview Mirror displays high-definition video of what's behind you – enhanced by a wider angle than what a traditional mirror offers.<sup>6</sup> While seeing "through" passengers, cargo, and darkness takes visibility further, it can also go higher.<sup>3</sup> When in reverse, the Around View® Monitor provides an overhead view of what's around the QX80 and shows it on your dashboard display.<sup>7</sup> When you can see what's behind you – and around you – more clearly, you can enjoy your outings more freely.

#### CONNECT TO LIFE AND LEISURE

Whether it's staying connected, reaching your destination, or offering passengers media of their own, the QX80 makes it possible. The INFINITI InTouch™ system featuring Apple CarPlay® integration lets you bring the iPhone® experience along for the ride.<sup>8</sup> Or make your Android Auto™ compatible phone your preferred driving companion.<sup>8</sup> Either way, your focus is priority with dual screens that display navigation up top, and features like climate controls down below.<sup>2,9</sup> Meanwhile, guests can connect with a standard Wi-Fi hotspot,<sup>8</sup> or even play movies and games with the Rear Seat Entertainment System featuring two 8-inch monitors in the second row.

#### ▼ INSTANT INVITES, FLEXIBLE SPACE

Possibilities can appear at any moment. With seating for 7, or 8 if you opt for the Split Bench Seat Package, the QX80 awaits your spontaneous plans with friends. The center console armrest can be opened from the front or rear, giving first- and second-row passengers easy access for storage. But versatility can unfold on an even grander scale. With up to 95.1 cu. ft. of cargo space, you have room for whatever you might need – or unexpectedly find.<sup>3</sup>

## STYLE RULES TO LIVE BY

### QX80 PREMIUM SELECT

**▲ POLISH YOUR PRESENCE**  
Dark-finished, 22-inch aluminum-alloy wheels grant you not only greater stature, but understated shine. And with black mirror caps, your side mirrors reflect the style that's within you as well as the vision that's around you.

Your perspective on fashion is uniquely yours. But beyond individual tastes are universal principles that inspired us as we envisioned the QX80 PREMIUM SELECT and its undeniable style. It began with the idea that black is for every season. The PREMIUM SELECT leads with it by featuring a black grille mesh as its centerpiece. Such a bold statement brought to mind another style axiom: balance any look with variations on a theme. This variety is realized with dark chrome accents around the grille, front fender, and down the side of the QX80. The most enduring truth of all, that individuality comes from within, is expressed as this trim expands your choice of interior leather appointments to two exclusive new options: soothing Sahara Stone, or the unique Truffle Brown.
