The First Ever Canyon AT4 is built for those with the drive to go beyond. Its power, capability and fiercely assertive style let you leave the limitations of the road behind. It's powered by a 308-hp V6 engine or the 369 lb-ft of torque of the available Duramax 2.8L Turbo Diesel. That power is put to good use by 4WD with a 2-speed AutoTrac transfer case, Off-Road Suspension Package, Advanced Hill Descent Control and automatic locking rear differential. Get out there, because your mind shouldn't be the only thing doing the wandering.

[1]To avoid the risk of injury, never use recovery hooks to tow a vehicle. For more information, see the Recovery Hooks section of the vehicle Owner's Manual.

OFF THE GRID, IN COMMAND

Inside, you'll find the best of both worlds: the grandeur of America's most breathtaking remote vistas through every window and a supportive cabin that's undeniably premium. Canyon AT4 is outfitted with available Jet Black leather-appointed front seats featuring Kalahari accents, dark-finished aluminum trim and advanced technologies. And when the temperature drops, heated front seats and an available heated steering wheel provide plenty of warmth.

Inside Canyon Denali, you'll find premium materials throughout. Embroidered Denali front-seat head restraints, supportive heated and ventilated perforated leather-appointed front seats with unique contrasting stitching and new authentic ash wood trim refine the premium experience. And because it's Denali, there are acoustical innovations such as an inlaid door design, triple door seals, shear-style body mounts and a liquid-applied sound absorber that all help keep outside noises where they belong—outside.

HIGH STYLE

Canyon Elevation's bold presence tells the world that something distinctive is headed its way. It's highlighted by stylish exterior design elements, including 18" black painted aluminum wheels and a new, bold black front grille with body-color surround. Stay well-connected where you roam with an array of technologies that seamlessly links you to your Elevation. Choose Elevation in either Extended Cab or Crew Cab configurations. Add the High Elevation Package to get premium heated Jet Black leather-appointed front seating, a heated steering wheel and power lumbar control for the driver seat.

LEAVE NO ADVENTURE BEHIND

Big adventures often require big equipment. That's why we made Canyon strong enough to trailer up to a maximum 7,700 lbs[1] when equipped with the Duramax 2.8L Turbo Diesel and the available Trailering Package. It trailers up to 7,000 lbs[1] (as shown) with the available 3.6L V6 engine and the Trailering Package. The gas I4 can trailer up to 3,500 lbs[1] with a bumper-mounted ball hitch. Canyon also offers available features to further enhance your trailering confidence: a trailer brake controller, Tow/Haul mode, Hitch Guidance and a Diesel Exhaust Brake for use with the Turbo Diesel engine.

[1] 7,700-lb rating requires 2WD Canyon Elevation Crew Cab short bed model with available Duramax 2.8L I4 Turbo Diesel engine and Trailering Package. 7,000-lb rating requires available 3.6L V6 engine and Trailering Package. Maximum trailering ratings are intended for comparison purposes only. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The trailering capacity of your specific vehicle may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can trailer.

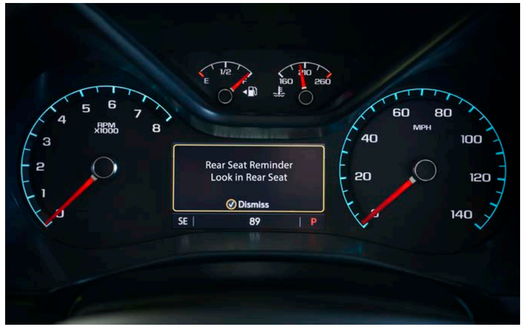
This bed works hard and smart. We engineered Canyon's large cargo bed to fit all of your gear. Then we made it easier to get into, and to load, organize and secure cargo.



CANYON OFFERS:

- FORWARD COLLISION ALERT
- REAR PARK ASSIST
- LANE DEPARTURE WARNING
- TEEN DRIVER
- HIGH DEFINITION REAR VISION CAMERA
- ONSTAR® SAFETY & SECURITY PLAN[1]

Canyon's available collision-avoidance and driver assistance technologies are engineered to help enhance your awareness of the road and surrounding vehicles. Additional peace of mind is provided by six standard airbags.[2]

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

CONFIDENCE DRIVES WITH YOU

[1]OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. See onstar.com for details and limitations. [2]A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and child safety seat instructions for more safety information.

MORE CONFIDENCE, MORE CONNECTIVITY, MORE CHOICE Prepare for the unexpected and enjoy the seamless experience of a completely connected drive. GMC Connected Services offers you an elevated ownership experience. And with available OnStar, you get added peace of mind knowing an Emergency-Certified Advisor[10] is ready to help 24/7.

24/7 LIFELINE When the unexpected happens, the last thing you want to be is alone. With OnStar, you can have added peace of mind knowing help is only a button-push away. The available OnStar Safety & Security Plan[2] provides 24/7 access to a specially trained OnStar Advisor who can help in the event of a crash, vehicle theft,[11] emergency or other unexpected situation you may encounter on the road. If a vehicle crash is detected, available Automatic Crash Response[12] can alert an Emergency-Certified Advisor[10] who can send help, even if you can't ask for it. Drive with added confidence knowing a real person is always ready to help.

myGMC MOBILE APP Convenience, command and control, in or out of your vehicle. With the available myGMC mobile app,[3] you can start your engine, check fuel levels and tire pressure and even personalize your vehicle by setting radio station favorites and installing in-vehicle apps[8]—all from your smartphone. You can also schedule service appointments, learn driving tips and more.

EXPLORE MORE, ALEXA'S ON BOARD The Alexa functionality you enjoy at home is now fully integrated into your GMC Infotainment System.[13] With available Alexa Built-In,[4] you can use voice commands to stream your favorite music services such as Spotify[9] or Amazon Music, get directions, make calls, change your radio station and get routes to the nearest dealership—on the go. Alexa can also make shopping lists, play and resume audiobooks and get the score to last night's game.

GMC CERTIFIED SERVICE

To help your Canyon live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Canyon, GM-trained technicians have the expertise to help care for it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD DRIVING INFORMATION Please go to gmc.com and carefully review the vehicle Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid Pickup segment and latest available competitive information available at time of printing. Excludes other GM vehicles.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

GMMOBILITY.COM (1-800-323-9935) GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.
