As the weather turns, colors come alive and time moves life forward with stunning grace. There is brilliant wonder all around, a driving force that reflects a natural purpose. This is where the uncommon rises above.

Grand Cherokee Summit® in Ivory Pearl Tri-Coat shown with Platinum Series Group and all-new front end and wheels for 2017.
AN EXCLUSIVE PERSPECTIVE.

Grand Cherokee places exceptionally lush appointments well within reach, allowing you to feel the elegant touch of sophisticated luxury. From the elite Grand Cherokee Summit® to the distinctly appointed classic Grand Cherokee Laredo, an extended list of standard and available features reflect your preferences for only the very best. With every choice lies the pleasure of enjoying the refined ride and handling of one of the most beloved SUVs on the planet. Nothing can take you through all the seasons of the year like the beautiful 2017 Jeep® Grand Cherokee.

OVERLAND® IN VELVET RED PEARL
INNER PEACE. The Grand Cherokee Summit invites you to settle in and leave it all behind, thanks to acoustic glass with Active Noise Cancellation (ANC) on the windshield and front and rear side glass. The Harman Kardon® premium audio system puts you right inside the concert hall with Logic 7® multichannel 360-degree Surround Sound processing via 19 speakers and 825 watts of power. The Uconnect® 8.4 NAV radio features an 8.4-inch touchscreen, SiriusXM® Satellite Radio, and hands-free voice activation® that provides access to a full range of premium entertainment, communication and vehicle technology features, while you keep your hand safely on the wheel.
EXECUTIVE PROFILE. From the classic seven-slot grille and trapezoidal wheel wells — the visual signature of one of the most iconic and beloved automobile brands in history — to the high belt line and gentle curves employed throughout, the 2017 Grand Cherokee is instantly recognized and sure to enjoy worldwide popularity and acclaim, as before. More than 70 standard and available safety and security features, including LaneSense® Lane Departure Warning and Lane Keep Assist (LDW+), Parallel and Perpendicular Park Assist, add confidence to your all-around star treatment. There’s something to be said for choosing an amazingly stunning SUV.
NATURE'S MOST FORMIDABLE CHALLENGES ARE A PLAYING FIELD FOR THE TRULY CAPABLE. YOU'RE DESIGNED TO MASTER THE ELEMENTS WITH THE STRENGTH AND GRACE OF A WORLD-CLASS ATHLETE. HERE GRAND CHEROKEE DELIVERS AN INVITATION TO JOIN A VERY EXCLUSIVE CLUB.
BEST-IN-CLASS’ OFF-ROAD CAPABILITY.

Get off-road action that drives you forward. Choose the ultimate, available Trail Rated® Quadra-Drive® II four-wheel-drive system, with its rear electronic limited-slip differential that can detect wheel slippage virtually as soon as it occurs. Full power is surged to the wheel(s) with the most traction, continually keeping you on track. The system arrives with the remarkable Selec-Terrain® Traction Management System that adjusts to deliver specific capability and driving stability via five sure-footed modes: Auto, Snow, Sand, Mud and Rock. On the overland, Grand Cherokee safely takes you through the challenges Mother Nature sets before you — always in glamorous style.
UTTERLY STRIKING. Grand Cherokee Summit offers indulgence as the most luxurious vehicle in its class. The available all-new Signature Leather Package offers ultra-premium leather seats, and leather trim on door console, center console and glove box, with wrapped and stitched heated steering wheel and instrument panel, and armrests with real open-pore wood inserts. A 7-inch Multi-View Display Cluster and 8.4-inch touchscreen on the Uconnect® 8.4 NAV radio dominate the instrument panel, giving you instant access to operating systems and vehicle stats, apps and entertainment channels, hands-free calling and texting, plus one-touch 9-1-1 Call and Roadside Assistance Call.
CAPTIVATING VIEWS. Invite the
mountain beauty of the outer
world inside with the available
CommandView™ Dual-Pane
Panoramic Sunroof. Two large
panels extend over both front
and second-row seats, allowing
all to see so much more of the
outdoors. Grand Cherokee’s
cushioned, available premium
leather-trimmed front and
dual-cushion heated seats.
Driver and front passenger
are treated to ventilated seats
that provide a gentle, cooling
stream of air for quick
temperature adjustments, as
needed.
With new life comes visions of new possibilities – fresh, clean and always prepared to fulfill a unique destiny. Every new day offers a breath of fresh air, as sure as new growth in spring. Drive strong and move with solid security.
TEXTURED EXPRESSION.

Available real wood and precision leather are united by way of authentic, old-world craftsmanship. Within the decorative confines of Grand Cherokee, you’ll find exact executions of stunningly beautiful elements, all carefully integrated into a world-class interior.
Grand Cherokee Overland offers the available color scheme of Indigo Blue and Jeep Brown, crafted from Nappa leather trim and open-pore Zebrawood wood, and Silver-colored bezels. Bright accent stitching adds to the dramatic effect. Overland arrives with an available CommandView Dual-pane Panoramic Sunroof and an 8.4-inch Uconnect® NAV radio with Voice Command for safe, hands-free operation.

Front and second-row heated seats are standard and ultra-cushioned. Plus, first-row seats are also ventilated. The premium Alpine® surround sound system features nine speakers, plus a subwoofer, all optimally placed throughout the cabin.

DISPLAY OF DISTINCTION.
MASTERY AT ITS FINEST.

The harshest terrain and most intimidating weather conditions are easy prey for Jeep® Grand Cherokee Trailhawk® with its Best-in-Class 24x4x4 capability. This predator’s True Rated® Quadra-Drive II four-wheel drive capacity is powered by a formidable 3.6L V6 engine, turning a powertrain tough enough to conquer snow, ice, mud and boulders with graceful ease. An upgraded Quadra-Lift® Air Suspension system, standard 18-inch wheels, and a full complement of underbody armor and side plates add to its attractive off-road prowess. Inside Trailhawk’s stunning cabin, leather and suede adorn exceptionally cushioned seats. Red accent stitching adds distinction to the seats, doors and console. Sophisticated Gun Metal finish graces surrounds, vents and console points. Monitor Trailhawk’s proven performance via its 8.4-inch touchscreen with informative off-road pages.
Take on the world or simply take a summer Sunday drive. The exceptionally sophisticated traveler will appreciate the many ways Grand Cherokee maintains the highest level of comfort, over each and every paved or unpaved road.
LIMITED IN DIAMOND BLACK CRYSTAL PEARL.

TRUSTWORTHY HAVEN. You and your passengers are surrounded with a collection of more than 70 standard and available advanced safety and security features. When inclement weather approaches, trust your rain-sensing windshield wipers and rain brake support to activate the moment they’re needed. Adaptive Cruise Control with Stop (ACC STOP) automatically adjusts cruising speed to maintain a preset distance between you and other vehicles. LaneSense® Lane Departure Warning with Lane Keep Assist (LDW+6) helps keep you in line with visual and audible cues when you inch into a neighboring lane or when hands are removed from the wheel. Forward Collision Warning with Active Braking (FCW+14) alerts drivers when approaching objects too rapidly, and Grand Cherokee automatically engages the brakes if necessary.
RELENTLESS AUTHORITY.

Power up, over and above as you see fit, with your choice of three Grand Cherokee powertrains. The 3.6L Pentastar® V6 engine utilizes Engine Stop/Start (ESS) technology to economize fuel usage while delivering up to 295 hp with available dual exhaust. The available 3.0L EcoDiesel V6 engine boasts an estimated 22 city/30 hwy mpg* to deliver Best-in-Class Fuel Economy, with an amazing Best-in-Class 15 Driving Range of more than 730 highway miles per tank *. Its diesel engineering provides the brawn to haul up to 7,400 lb, when properly equipped. The same is true of the available 5.7L V8 engine and its offers its own style of efficiency thanks to Variable Valve Timing (VVT) and Fuel Saver Technology. Each is mated to an 8-speed automatic transmission that seamlessly shifts and improves shifting performance, strength and agility within each and every powertrain configuration.

*Based on 2016 EPA estimates. Actual mileage may vary.
An intimidating stance increases the heartbeat in all who view this slick overachiever. A vast reserve of race-inspired components reside at the core and within the cockpit of Grand Cherokee SRT: This is extreme automotive technology in thrilling motion, where under its vented hood lives an awe-inspiring 475-hp powertrain that feeds an active four-wheel-drive system with adaptive damping. The result: a hair-raising top speed of 160 mph.

SRT INTERIOR IN BLACK/DARK RUBY RED
SELEC-TERRAIN™ Traction Management System
Selec-Terrain™ provides you with ultimate driving capability with selectable dial settings that include Snow, Sand, Auto, Mud and Rock. It gives you the ability to select from five different systems, including the factory settings. These systems allow for improved traction control even in difficult or abnormal road conditions. It adapts traction performance and is activated via a one-touch button. Selec-Speed adds Hill Ascent Control when properly equipped, lets you take heavy loads and heavy-duty trucks up to 5,000 lb. Hill Descent Control engages the throttle to help provide stable low-range control and stability when driving down a steep incline. You can also manually activate Downhill Speed Control from the familiar Hill Descent Control. Selec-Speed adds Hill Ascent Control when properly equipped. Hill Descent Control engages the throttle to help provide stable low-range control and stability when driving down a steep incline. You can also activate Downhill Speed Control from the familiar Hill Descent Control.

QUADRA-DRIVE®
Quadratrac® is standard on Jeep®® models and is available as an option on others. Quadratrac® provides exceptional 4WD capability. It is available in two drive modes: 2H (2- Wheel Drive) and 4H (4-Wheel Drive). The 2H mode is used for city driving and provides a smooth ride. The 4H mode is used for off-road driving and provides increased traction. It is available in three different drive modes: 2H, 4H, and 4H LOCK. 2H mode is used for city driving and provides a smooth ride. 4H mode is used for off-road driving and provides increased traction. 4H LOCK mode is used for severe off-road conditions and provides maximum traction.

QUADRA-TRAC®
Quadratrac® is a full-time 4WD system that provides constant drive to all four wheels. It is available in three different drive modes: 2H, 4H, and 4H LOCK. 2H mode is used for city driving and provides a smooth ride. 4H mode is used for off-road driving and provides increased traction. 4H LOCK mode is used for severe off-road conditions and provides maximum traction.

QUADRA-DRIVE II®
Quadratrac® II is a full-time, four-wheel drive system that provides constant drive to all four wheels. It is available in three different drive modes: 2H, 4H, and 4H LOCK. 2H mode is used for city driving and provides a smooth ride. 4H mode is used for off-road driving and provides increased traction. 4H LOCK mode is used for severe off-road conditions and provides maximum traction.

QUADRA-TRAC II®
Quadratrac® II is a full-time, four-wheel drive system that provides constant drive to all four wheels. It is available in three different drive modes: 2H, 4H, and 4H LOCK. 2H mode is used for city driving and provides a smooth ride. 4H mode is used for off-road driving and provides increased traction. 4H LOCK mode is used for severe off-road conditions and provides maximum traction.

**ELEGANT TOUCHPOINTS**

Available as standard equipment, Ultra-Premium leather is featured on the interior of Grand Cherokee Summit, including leather-trimmed seats, console, upper instrument panel and door panels. High-quality materials adorn the instrument panel and dashboard. The soft, suede-like Dinamica® headliner adds to the rich appeal of this unique interior design.

**BEAUTIFUL FUNCTION**

Grand Cherokee's leather-trimmed and very functional steering wheel works overtime. Fingertips can operate a fine range of available features, including Integrated Voice Command® with Bluetooth® audio controls, cruise control, climate, navigation, Siri® and more.

**HEATED AND VENTILATED FRONT SEATS**

Add quick warmth on cool days and welcome relief when temperatures rise — a small fan gently circulates cool air via perforations within the front seat coverings. Available.

**COMMANDVIEW® DUAL-PANE PANORAMIC SUNROOF**

There's more to be seen when you look up and out via Grand Cherokee's full-power sunroof with a full-length power sunshade in front and a fixed-glass window in the rear. Available.

**HIGH TECH**

The available Uconnect® 8.4 treats you to a wealth of intuitive features like voice recognition, navigation, climate control, smartphone integration, text and email access and so much more.

**CONFIGURABLE 7-INCH MULTI-VIEW DISPLAY CLUSTER**

Controls on the steering wheel can instantly scroll you through a selection of vehicle data displayed within your instrument panel on a 7-inch color screen. Information includes navigation, capability data, performance statistics, vehicle dynamics and alerts. Standard.

**LUXURY FOR AUDIOPHILES**

The Alpine® Surround Sound System, standard on Overland® and optional on Limited, utilizes a high-powered, 12-channel, 506-watt amplifier powering nine speakers and a subwoofer, optimally placed throughout the cabin. Grand Cherokee Summit® comes standard with a world-class Harman Kardon® system that sends 825 watts of power surging into 19 GreenEdge® speakers (optional on Overland® and SRT®), which utilize efficient engineering to improve sound quality while significantly diminishing energy consumption.

**KEYLESS ENTER ‘N GO™**

No more fumbling for keys to get going. Keep the key fob in your purse or pocket and you can simply grab the door handle, climb in, press on the brake, press a button and shift into “GO.” Available.

**BLU-RAY® DVD PLAYER WITH SEATBACK-MOUNTED VIDEO SYSTEM**

Two available 9-inch high-resolution screens are integrated into the seatback to entertain rear passengers. The system can play standard DVDs, as well as the Blu- and HD-versions and includes a pair of rear screens.

**DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL (ATC)**

Constantly adjusts air temperature inside the cabin to create separate customized environments for driver and front passenger.

**POWER LIFTGATE**

Add graceful remote accessibility to Grand Cherokee's rear cargo area with capacity up to 68.7 cu ft when the 60/40 split rear seats are folded down. Available.

**REMOTE START**

Just press the button on your key fob a few minutes prior to takeoff, from as much as 200 feet away. You're ready to roll with a nicely heated or cooled cabin. Available.
Choose your favorite UCONNECT® system, some with an amazing 8.4-inch touchscreen, and you can bring convenience, communication and entertainment services straight into your vehicle and smartphone. This is next-level technology that’s easy to use and very clever to have.

Radio Phone Voice Apps Nav Wi-Fi Controls
There are no cords on this station. But we’ve got just about everything else, including 150 channels of the best satellite radio content. With exclusive entertainment, sports, comedy, news and commercial-free music, when SiriusXM meets Uconnect, they really sing. Additionally, stream from your desktop or download the free SiriusXM app on your smartphone or tablet and enjoy All Access when out of your vehicle. It’s all included for your first-year trial.

Prioritize different phones so multiple drivers can connect and call. Uconnect syncs with your compatible phone’s contacts allowing you to call by name and view your contact’s name on the touchscreen display. Avoid calling to voice mail and suppress text message notifications by enabling the Do Not Disturb feature so you can keep your full attention on the road.

Our list of apps keeps growing. New Off-Road Pages show wheel articulation and other vehicle 4x4 capability features, such as suspension height, accessory gauges, and 4x4 and Selec-Terrain modes. Now you can have your very own slick control panel, which lets you keep an eye on every aspect of your vehicle’s performance.

Enter your destination with just your voice—the route is calculated in seconds and displayed on the spacious 8.4-inch touchscreen. Then get turn-by-turn audio directions, so your eyes can stay devoted to the road. SiriusXM Traffic will inform and reroute you at your choosing. You can even look up local fuel prices and weather using SiriusXM Travel Link.

Expand your options by turning your vehicle into an on-demand Wi-Fi Hotspot. Purchase by day, month or year, after you register for Uconnect Access. Simply turn on your signal, connect your devices and go. Available.

Via the touchscreen, you can adjust your seat or your cabin temperature, select a new music station or make a call. So sit back, get comfortable, and experience all the ways Uconnect makes the ride more enjoyable.

INTEGRATED VOICE COMMAND WITH BLUETOOTH: Access a favorite playlist on your music player or USB drive with simple voice commands. Ask for directions to a certain address, or change a song. No problem. Siri Eyes Free responds to natural language commands, so controlling your compatible iPhone and your vehicle’s sound system and entertainment options is easy and effortless.

INTEGRATED VOICE COMMAND: With Siri Eyes Free, you can take your hands off the wheel and your eyes off the road. Simply ask your iPhone questions, like “What’s the weather like today?” or “What’s the time?” and your iPhone will provide the answers without you having to take your eyes off the road.

THESE AVAILABLE SUITE OF FEATURES AND SERVICES IS THE NEXT GENERATION OF IN-VEHICLE CONNECTIVITY, WITH THE EASE OF INTEGRATED VOICE COMMAND WITH BLUETOOTH AND FINGERTIP CONTROL.
SAFETY AND SECURITY

A SECURE AIR BAG SYSTEM
Your front passenger’s new air bag lets you rest easy. Behind the wheel, Grand Cherokee’s dual-stage air bag system, with eight supplemental side and curtain air bags, helps provide the total safety you need.

BLIND SPOT MONITORING® AND CROSS PATH DETECTION®
These advanced systems alert you before you make a move that could be dangerous. Whether you’re changing lanes or turning, you’ll be warned of potential hazards. Available.

NEW LANESENSE® LANE DEPARTURE WARNING WITH LANE KEEPER ASSIST (LDW+) Prevents a small and sudden warning visual/audible warning, and sound an audible alert when you leave a lane without using your turn signal. Available.

NEW PARALLEL AND PERPENDICULAR PARK ASSIST
This active system automatically works to avoid obstacles while you enter a parallel or perpendicular parking space. Available.

FORWARD COLLISION WARNING WITH BRAKING (FCW+®)
Alerts you to a potential collision ahead and engages the brakes to help prevent it. Available.

SENTRY KEY® ENGINE IMMOBILIZER
Sends a unique, embedded key code matched only to your vehicle, providing peace of mind and vehicle security. Standard.

ELECTRONIC STABILITY CONTROL (ESC®)
ESC helps keep you in control and your payload on course. As part of ESC, Crosswinds and traffic hold no sway over you and your passengers. Standard.

TRAILER SWAY CONTROL (TSC®)
Provides a visual and audible warning should the vehicle drift outside of lane boundaries or if the driver’s hands are off the wheel. Available.

REAR CROSS-PATH DETECTION
With 65 percent high-strength steel.

CHASE STRENGTH
(1) Provides a visual and audible alert should the vehicle drift outside of lane boundaries or if the driver’s hands are off the wheel. Available.

NEW PARALLEL AND PERPENDICULAR PARK ASSIST
Includes ParkSense® Front and Rear Park Assist. Standard.

INTEGRATED VOICE COMMAND WITH BLUETOOTH®
This advanced system can automatically select the language you use to converse with your system. Available.

INTegrated Voice Command
with Bluetooth® allows you to safely send, reply or listen to a text, take calls, or make phone calls, request directions or play music—while keeping both hands on the wheel. Standard.

UCONNECT® ACCESS WITH 9-1-1 CALLS AND ROADSIDE ASSISTANCE CALLS on the rearview mirror. Two buttons conveniently located on the rearview mirror. Both buttons are labeled with 9-1-1 emergency calls and the words “Assist” to quickly summon roadside help.

PROPERLY SECURE ALL CARGO.

REAR VIEW MIRROR WITH PARK VIEW®
Provides a visual and audible warning should another vehicle too rapidly and send an audible and visual alert to the driver along with an on-screen grid to help gauge your rear perimeter. Available.

ELECTRONIC STABILITY CONTROL (ESC®)
ESC works with the anti-lock brakes (ABS), brake assist, all-speed traction control and available Trailer Sway Control (TSC). It monitors vehicle speed, engine output and yaw rate to coordinate the braking and engine control. Available.

RAIN SENSING WINDSHIELD WIPERS AND BLUETOOTH® Call 9-1-1, the on-screen image includes a dynamic camera to display previously hidden rear objects to your attention, providing confidence. Available.

Rear Back-Up Camera
This active system automatically works to avoid obstacles while you enter a parallel or perpendicular parking space. Available.

PARKVIEW® REAR BACK-UP CAMERA WITH TRAILER VIEW®
This system allows you to monitor the space behind you, giving you confidence before making a move—especially when towing. Available.

ELECTRONIC STABILITY CONTROL (ESC®)
ESC helps keep you in control and your payload on course. As part of ESC, Crosswinds and traffic hold no sway over you and your passengers. Standard.

TRAILER SWAY CONTROL (TSC®)
Provides a visual and audible warning should the vehicle drift outside of lane boundaries or if the driver’s hands are off the wheel. Available.

REAR CROSS-PATH DETECTION
With 65 percent high-strength steel.

CHASE STRENGTH
This advanced system can automatically select the language you use to converse with your system. Available.

INTEGRATED VOICE COMMAND WITH BLUETOOTH®
This advanced system can automatically select the language you use to converse with your system. Available.
